H. Gladden, West Shefford, P. Q., writes: For a number of years I have been afflicted with rheumatism. Two years ago I was attacked very severely. I suffered a great deal of pain, from which I was not free for a day, until last year, when I began using Dr. Thomas' Electric Oil, and I rejoice to say it has cured me, for which I am thankful.

These plates are printed in colors, on fine plate paper, and will be issued monthly to our subscribers, free of charge.

In these sketches an effort is made to hit off not only the facial expression, but the general figure as well, each subject being given in some characteristic pose. Wherever possible the drawing will be made from life, so as to ensure accuracy in these respects. At the same time a staid matter of fact portrait is not aimed at, but that far more attractive and unique thing—a caricature embracing a likeness. Each portrait is accompanied by a brief biographical notice written in a spirit of correspondence with the picture. When we call upon Canadians to encourage this enterprise we are after all not asking them to do anything vast. They already have in Grip abundant value for \$2 per annum, and as has been already stated the GALLERY, which alone is worth more than the amount of subscription, is a free gift. All we request, therefore is that those who are not already upon our list shall subscribe for Grip. We decline to argue as to whether \$2 per year can be spent in any better way intellectually. There is no question to argue. The intelligent citizen of Canada who has that amount per year to invest for his mental pleasure may safely take our word on this point, he will certainly find nothing to buy for the money which will be so satisfactory as a receipt for a subscription to Grip.

INVALUABLE TO EVERY LADY! MAY DEW

The Great French Lotion for Beautifying The Face.

It conceals the evidence of age. One application will make the most stubbornly red and rough hand beautifully soft and white. Remember that "MAY DEW" is not a paint or powder that fills up the pores of the skin, and that is injurious to the skin, but a new and great discovery, a vegetable liquid, that causes the cheeks to glow with health, the neck arms and hands to rival the lily in whiteness. Impossible to detect in the beauty it confers any artificial character. It cures Greasy Skin, Freckles, Wrinkles, Pimples, Black Head, Crow's Feet, Blotches, Face Grubs, Sunburn, Tan, Ringworm, Chapped Hands, Sore or Chapped Lips, Barber's Itch, Tetter, &c. It frees the pores, oil glands and tubes from the injurious effects of powders and cosmetic washes. By its use all redness and roughness are prevented; it beautifies the skin and will make it smooth, soft and white, imparting a delicate softness; producing a perfectly healthy, natural and youthful appearance. The best Face Lotion the world ever produced. We will send a LARGE BOTTLE to any address on receipt of price—\$1.00. When ordering mention this paper.
