Grip's Christmas Number.

We have received Grip's Christmas No., with a Special Supplement. It is not only worthy of the sable bird of quaint and wise conceits, but will bear favorable comparison with any comic publication on this continent. The supplement is a splendid full length portrait of the Right Hon. Sir John H. Macdonald, representing that gentleman in the complete dress of a G. C.B. The likeness is very striking, and is life-like of the man as he appeared twenty years ago. The execution generally is faithful and artistic. It should be in the hands of all Conservatives who wishe to gaze on him who has so often led them to victory, and of all Liberals who desire to know what manner of person is he who has so often brought them to grief. We have only to add that the plate is not a caricature, but a veritable picture.

### PERSONALS.

Mr. and Mrs. Warren Hewison have gone to Lockport, N. W., to spend Christmas with relatives and friends.

Rev. W. R. Barker will preach Sunday School Sermons at Thornhill next Sunday.

Rev. J. Pickering will preach in the Methodist Church of this place, next Sunday morning, and Rev. J. W. Totten in the evenlng:

We notice by the Stocton Daily Independent that Mr. J. M. Welsh, son of Mr. D. Welsh, of this village, has been nominated for the office of Mayor for that city. This is a token of great honor to a young man, and is another instance which shows the high respect in which Canadians are held in the United States.

#### YORK: MILLS.

From our own Correspondents.

York Mills, the successor to Hogg's Hollow, is still in the same place it was torty years ago, but it has not the appearance of a rising town that it had then, and it is difficult to say what it will be forty years hence, At present it has not much to attract the eye of a stranger, and like many persons, one needs to become well acquainted with it to appreciate all its advantages, beauties, and good qualities.

The congregation of St. John's Church intend holding a Christmas tree this week for which they are making special preparation, and no doubt a treat is in store for

those who attend.

Last Sunday Rev. Elmore Harris, Toronto, preached a very earnest and inter esting sermon in the Baptist Church, to which a crowded house listened attentively. At the close of the sermon he administered the rite of baptism by immersion to four candidates.

The congregation of this church will hold an entertainment in a week or two. We would advise all who can do so to attend, for they may rely on receiving more than the worth of their money, as the managers intend to sustain, or even surpass, the former reputation of the Church in this direction.

After years of suffering, persons who have vainly sought remedial help from other sources, have obtained the long desired relief from Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure, which puts a stop to the torments of Dyspepsia, renews activity of the bowels and liver, relieves maladies incident to the gentler sex, and builds up failing health and strength, gives purity to the blood and tone to the whole system

## MAPLE.

From our own Correspondent.

Since I last wrote to you a few things have happened in our village, of public interest. A Missionary meeting was held in the Methodist Church. Admirable addresses were delivered by Revs. W. R. Barker, Richmond Hill, and Blackstock, Toronto. Financia! result, good.

On the 9th inst., while Mr. Adam Rupert was digging in his garden, about 9 a. m., he had a paralytic stroke, the right side partially, the tongue altogether. A.b. was done that was possible, but heart disease set in, and on Wednesday, 17th, he quietly and peacefully passed away, in his 78th year. The funeral took place on Friday, the 19th inst., and was largely attended. Services were conducted by Rev. J. W. McCallum of Davenport. Mr. Rupert was one of the oldest residents of York County. He was a staunch Reformer, a very strong temperance advocate, and a consistent member of the Methodist Church the greater part of his life. He leaves behind him a record of a life well spent, and will be very much missed as a neighbor and friend. A widow and four sons survive to mourn his loss.

Rev. G. W. Howson is to preach here

on Sunday Jan. 11th. The Hope Methodist Church is undergoing alterations and repairs. An orchestra is being built behind the pulpit for the Choir, and everything put in good trim before their Annual Dinner on New Year's Day. The congregation is increasing steadily. Rev. Manly Benson is to lecture here on New Year's Day, Subject,

"What men are wanted."

There are several new industries started under the N. P. A few weeks ago, our builder and contractor, Mr. N. Shunk, received the contract from Mr. Wm. Wood to erect an edifice 25 ft. long by 12 ft. wide, 2 flats high, boarded inside and out double thickness, tarred felt between. The ground floor is divided into two compartments, a window and door in each, facing the south. The upper flat is all in one. Mr. Wood thinks it is frostproof without having any artificial heat. On the outside are three boards, planed very smoothly, put up slantingly, and greased, the whole thing complete, well protected. What is it ? Well, the secret is out, it is a hennery, and the owner, when he goes to hunt eggs and finds none chases the hens up and down the greasy boards until they shell out fresh eggs whenever you like to order them.

The other new industry is more simple and easier explained. Our grain buyer having a little spare time on his hands, has gone into the sansage business, and may be seen parading the streets, calling at houses with the question, "Do you want any fresh sausage to-day, only 11 cents per lb. ?

The next question for debate is :- Re-

solved that the medical faculty of the Dominion need protection, and that it is an insult to the same, when our great men's stomachs get out of repair, for them to go to England to get them patched up. Orion Catlin, 49 Pearl St., Buffalo, N.

Y., says: "I tried various remedies for the piles, but found no relief until I used Dr Thomas' Eclectric Oil, which entirely cured me after a few applications." Since Dr. Thomas' Eclectric Oil has become celebrated, unprincipled persons are imitating it. Get the genuine.
