

MAPLE.

From our own Correspondent.

Since last writing you, our village has been all excitement. Every evening groups of bachelors may be seen discussing the great event of the season—The Bachelors' Concert—and judging by the interest manifested, it should prove a grand success.

The friends and children of our Sabbath School had their annual sleigh ride last Tuesday afternoon, and though somewhat cold and stormy, all seemed to enjoy the drive very much.

Rev. Mr. Bakwell will occupy the pulpit in the Methodist church next Sunday, morning and evening. Subject for morning discourse—"The Sabbath School," for the evening—"A Personal Devil."

The labors of our energetic townsman, in connection with the henry, have been crowned with success.—One egg.

Mr. Parquetus Boileau, Ottawa, says: "I was radically cured of piles, from which I had been suffering for over two months, by the use of Dr. Thomas' Eclectic Oil. I used it both internally and externally, taking it in small doses before meals and on retiring to bed.

SPRINGHILL.

From Our Own Correspondent.

The Orange Ball and Oyster Supper held in Hogan's Hall, Springhill, on Wednesday evening, Jan. 28th, passed off very nicely. The roads being in good condition, large crowds turned out to trip the light fantastic.

A load of the juvenile bloods of Springhill and suburbs drove up to Aurora on Monday evening to listen to the Salvationists holding forth.

The Ladies' Aid Society of the C. M. Church, Springhill, purpose holding a concert on Friday evening, Feb. 20th. Excellent talent from Maple, King, Richmond Hill, Toronto and some Western Towns is expected.

If the snow remains, a couple of loads intend driving to Maple on Wednesday evening, Feb. 11th, to help dispose of the oyster stew prepared by the bachelors of that Hamlet.

HEADFORD.

From Our Own Correspondent.

Headford seems to have taken off her work-day clothes and attired in her best garb prepared to take a holiday. Commencing on Monday, January, 26th, with the Methodist church Anniversary, which proved a great success both socially and financially.

On Wednesday evening, a sleighing party might have been seen driving through the village and up the third concession to the residence of Mr. George Wellman, and after partaking of tea and spending a few hours very enjoyably in making, pulling, and eating taffy, also at other amusements and games, they returned at an early hour much pleased with the trip.

On Friday several sleigh loads of the Sabbath School left the Public school house at about 12.30 o'clock to attend the Convention held at Unionville. They returned in the evening when the ladies had prepared a tea for them in the school room of the church, where a very pleasant time was spent.

On Sunday morning Mr. James Barker was on his way to the Quarterly Meeting at Richmond Hill when his horse ran away and broke the cutter, damages about five dollars.

Mr. Adam Comisky of Sault St. Marie is spending a few days at Mr. Joseph Comisky's, for his health.

There are a number of varieties of corns. Holloway's Corn Cure will remove any of them.

A hint worth heeding. Life loses half its zest when digestion is permanently impaired. Surely then a speedy means of restoring this essential of bodily comfort is worth trying. Every rank, every profession, bears its quota of evidence to the beneficial influence upon the stomach, and also upon the liver, bowels and kidneys, of Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure, or celebrated Blood Purifier.
