

MAPLE.

From our own Correspondent.

A serious accident happened to Bertie, second son of Mr. Wm. Jackson, on Feb. 11th, nearly costing him his life. It appears the little fellow was gathering some small sticks in the planing factory, near one of the belts attached to a shaft, when his hand caught in the belt drawing him on the shaft in an instant, and winding his arm around it, fracturing it in three places. Fortunately, he caught hold of a brace with his other arm, or he would, without doubt, have been killed. One of the men being present, stopped the machinery at once and released him. Medical aid was summoned, and we are happy to learn he will soon fully recover.

Mrs. Jackson and daughter, late of Weston, have settled in our village, having moved into their house last Monday. Mr. J. A. Rupert, of Hailey, Idaho, U. S., has returned to our village after an absence of over fourteen years, and is now visiting with his friends. He looks hearty, which speaks well for the climate of his adopted country.

The pulpit of the Methodist Church was occupied last Sabbath morning and evening by the Rev. Mr. McLaughlin, of the Lutheran Church, who preached two very impressive sermons.

Travelling on our roads at present is somewhat risky, and upsets are all the rage. Thanks to the very tasty (l) manner in which the gravel has been scattered over the road.

A span of horses belonging to Mr. White ran through our village last Monday, making the gravel fly in all directions, though no damage was done.

A very familiar face may be seen on our streets this week, though for what length of time is not known, as his arrival and departure are not regulated by any known law.

VELLORE.

From our own Correspondent.

The Social in connection with St. Paul's and St. Andrew's Church held in Vellore last Thursday evening was a grand success, about two hundred persons being present. In the afternoon the young people had a sleigh ride by way of Woodbridge, and then returned back by the new road through a dense forest, southwest of this place. After tea a grand entertainment was given by a few select parties in the audience. Dr. Orr, of Maple, gave a very interesting speech on his travels through the Indies. Mr. A. Cameron gave a speech with Gallic accent. Miss Holloway, of Toronto, sang a choice selection of songs. A good choir was also present. The order was good without any exception. The audience was dismissed by singing "God Save the Queen."

We are glad to learn that our village is improving. A new weigh scale is being erected, which we hope will be a benefit to the farmers in this vicinity.

Why go limping and whining about your corns, when a 25 cent bottle of Holroyd's Corn Cure will remove them?
