W. W. McLellan, Lyn, N. S., writes: "I was afflicted with rheumatism, and had given up all hopes of a cure. By chance I saw Dr. Thomas' Electric Oil recommended. I immediately sent (fifty miles) and purchased four bottles, and with only two applications I was able to get around, and although I have not used one bottle, I am nearly well. The other three bottles I gave around to my neighbors, and I have had so many calls for more, that I feel bound to relieve the afflicted by writing to you for a supply.

**OBITUARY.**

The announcement of the sudden death of Miss Ida Goldring of Toronto, was received in this locality with profound regret. She was a niece of Mr. W. J. Gale of this place, with whom she usually spent her summer vacation, and by her kind and loving disposition endeared herself to all who had the pleasure of her acquaintance. On Wednesday, 11th inst, her remains were interred in St. James' cemetery. Whilst we must all bow in humble submission to the all-powerful will of God we must remember we are also mortal, and must sooner or later answer the call of Him who doeth all things well; and though she has been cut off from all earthly connections with her sorrowing relatives, a consolation remains for them that she has been summoned to receive the reward awaiting all dutiful children, namely, Heaven.

The remains of the late Mrs. Herbert Legge, of Parkdale, late of Oak Ridges, were interred in St. John's burying ground on Tuesday, 10th inst and were followed to the grave by a large circle of sorrowing relatives and acquaintances. Deceased died very unexpectedly, being ill only twenty-four hours.

Mr. Jos. Mortson has been confined to his room this last week, owing to a severe cold.

Miss S. J. Elliott met with a severe accident by falling on some icy steps; she has since been confined to her room, but we are glad to learn she is recovering as fast as can be expected.

Mr. W. Robinson of Collingwood is in the burch at present, his mother being dangerously ill.

Mr. Hugh Gorman and family have returned home again after a few days' visit with their friends in Scarborough.

A horse, attached to a cutter, ran away last Saturday at Oak Ridges, but fortunately, no serious damage was done.

Maladies multiply one another. A simple fit of digestion may—especially if the constitution is not naturally vigorous—throw the entire mechanism of the liver and bowels out of gear. Sick headache follows, poisoning of the blood by bile ensues, and there is grave and serious disturbance of the whole system. Check the threatened dangers at the outset with Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure, the medicine that drives every impurity from the blood.
