The Parties Committed for Trial.

A trial took place on Tuesday evening, before Magistrate Chapman, at Simmon's Hotel, Thornhill. The prisoners were Harry Reid, hostler at Collins', and Albert McBride, farmer's son, who lives on the 2nd Con. Vaughan, on the Town Line. The prisoners are charged with stealing two overcoats from Simmon's hotel, belonging to Isaac Powell and John Garvin, of Richmond Hill, on the evening of the 23rd March. Harry Reid is the same boy who figured in the Thornhill tragedy, and, if reports be true, the other is becoming notorious also. Both prisoners pleaded "Not Guilty" to the charge.

The prisoners were arrested by County Constable A. J. Rupert, who, at the trial, stated that he found one of the coats at McBride's residence, and the other at Steel's hotel, where it had been taken on the morning of the 24th. The coats were identified by the owners. Although no person saw the prisoners take the coats from the hotel, the evidence is pretty strong against them, as Wm. Chapman swore that he saw the prisoners feeling in the pockets of said coats while they were hanging in the hall, and cautioned him (Chapman) to say nothing about it. He also says that Harry Reid took something from one of the overcoats and put it in his own pocket. The plea of the prisoners is that the coats had been placed in their cutter unknown to them, and that they had accidentally found them on their way home, which will be seen by the following statement made by Reid, after being cautioned that any statement which he gave might be afterwards used against him:—

I and McBride met in the village, (Thornhill) on the 23rd March. I asked McBride to have a ride home with him. It was sometime after dark. He called me in to have a drink, and we had some four or five that evening. We left Simmon's hotel about half past ten o'clock and went to Clark's hotel. We stopped under the shed about ten minutes and then went home. On the way I stooped down to lift a blanket over my knees and found a coat. I asked McBride who was the owner, and he said he didn't know; some one must have thrown it in the cutter. I put the coat on and rode home, and took it in and threw it on the lounge. When I got up in the morning Mr. Munshaw told me there were parties there looking for a coat. I told Mr. Munshaw to send it back to where the cutter came from.

After summing up the evidence given, the Magistrate committed the prisoners for trial, and were taken to the Toronto jail to await their fate.

A. M. Hamilton, Warkworth, writes: "For weeks I was troubled with a swollen ankle, which caused me much pain and annoyance. Mr. Maybee, of this place, recommended Dr. Thomas' Electric Oil for it. I tried it, and before one bottle was used I was cured. It is an article of great value." Beware of Electric or Electron Oils, as they are imitations of Dr. Thomas' Electric Oil.

MARRIAGES.

ANDREWS—MARWOOD.—At the Manse, Maple, on the 25th inst., by Rev. D. Camelon, Edward G. Andrews, to Lucy Marwood, all of the 5th Con. Vaughan.

There is a wide difference between medicines which effect merely the symptoms of disease and those which effect its cause. The first are useful as palliatives, the second, if of genuine efficacy, produce a radical cure. To the latter class belongs Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure. Thoroughness of operation is its special attribute in all cases of biliousness, costiveness, indigestion, kidney complaint and female weakness.

Division Court.

Division Court was held in the Court Room on Saturday last, His Honor, Judge McDougald, presiding.

Only a small number of cases were on the docket.

John Rankin vs. Abraham Rankin. \$54 Plaintiff as Executor of Mrs. Mary Rankin's Estate sued on a not for \$130 (made by Defendant to Mrs. Rankin) but which the Legatees interested had arranged with Plaintiff should only be used to pay his expenses in realizing and winding up the Estate. He submitted to the Court a statement of his intromissions as Executor showing a balance due him of \$54. Defendant claimed that he had arranged with Mrs. Rankin that the note sued on would be cancelled at her death. This the Plaintiff denied and related the circumstances of the making of the note as stated to him by Mrs. Rankin in her lifetime.

His Honor in giving judgment stated that the note being an asset of Mrs. Rankin's Estate, Plaintiff was entitled to collect the same in full, but as he had arranged his claim as above, he would give judgment for \$54 and costs.

Donald Watson vs. Donald Mc Donald \$187.92. This suit was for payment of a note given by Defendant for a mare which he had bought from Plaintiff. Defendant stated that he had been put to great trouble and annoyance with the mare which he said was a regular "kicker" and not as Plaintiff had represented to him.

Plaintiff in evidence stated that the mare he sold was an excellent worker and in every respect was a splendid animal. She kicked only the first or second time she was handled by a stranger. This he had explained to Defendant at the time of their bargain. Mr. Thomas, the previous owner of the mare, corroborated Plaintiff's evidence.

His Honor, in giving judgment stated that Defendant not having returned the mare, could not now annul the contract, and having shown no claim for damages, he would give judgment in favor of the Plaintiff for \$188 and costs.

The Ontario Pump Co's vs. Mrs. Ison \$38.95. On this case being called, a Representative from Plaintiff's office asked for its adjournment so as to have summoned an important Witness who lives outside the County. His Honor adjourned the case until next Court.

The next sitting of the Court will be on Saturday 9th of June.

Mr. R. A. Harrison, Chemist and Druggist, Dunnville, Ont., writes: "I can with confidence recommend Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure for dyspepsia, impure blood, pimples on the face, biliousness and constipation—such cases have come under my personal observation."

JEFFERSON.

From Our Own Correspondent.

Our Burgh has been very quiet this week, there being considerable depression in business, owing chiefly to the severe weather we have had. But the weather has moderated during the last few days and things will in all probability brighten up.

The 17th of Ireland passed by very quietly, there being no celebration of any kind.

Our worthy citizens, Messrs. Johnson and Jefferson have been relieved from the responsibility of jury-men, and have resumed their former vocations.

Most of our visitors have left, and as we have had no new arrivals, I think I am quite justified in saying our Burgh has been remarkably quiet.

Owing to the absence of a Town Hall or any suitable building, we are forced to decline a visit from the Salvation Army which I think would cause some fun for the boys if they could be accommodated.

Mr. Jas. McWilliams and family have removed to their new home on the 2nd con. of Vaughan, and take with them the best wishes of their old neighbors and friends.

Mr. Harvey Mortson is confined to his room owing to an attack of Inflammatory Rheumatism.

Mr. Robert Elliott has left on a visit with his friends in Mulmur.

A horse attached to a wagon passed through our Burgh one day last week, which might have been a good subject for those whose duty it is to see that the laws are enforced relating to cruelty to animals. Besides being a cripple, the poor beast had the skin knocked off in innumerable places; still it was pounded along by its, I must say, inhuman driver.

Thomas Robinson, Farnham Centre, P. Q., writes: "I have been afflicted with rheumatism for the last ten years, and have tried many remedies without any relief. I got a bottle of Dr. Thomas' Electric Oil, and found it gave instant relief, and since then have had no attack. I would recommend it to all."

Moved by Mr. Cook, seconded by Mr. Malloy, that the auditors' report of 1884 be received and adopted by the Council, and that the Clerk is hereby authorized to have printed 300 copies in the usual manner to be distributed among the several Councillors for distribution.—Carried.

The Council then adjourned to meet on April 14th.

NEWTON BROOK.

From our own Correspondent.

Our village is mourning the loss of some of her most prominent citizens. Mr. Wm. Lawson, who has leased a farm at Aurora was the first to emigrate. His place as a private individual and church official will not be easily filled.

Messrs. J. C. B. Lindsay and John Francis Jr. intend going into business at Thornhill.

Mr. White, of West York Mills will also move to parts unknown.

Two of the oldest settlers of York, and residents of Newtonbrook have been claimed by death, viz. Mr. Thomas Lachie, at the advanced age of 81 years, and Mr. John Finch, aged 84.

The Misses Wallace and Goulding are attending Demill's College, at Oshawa, where they are storing their minds with things wise and otherwise.

Mr. Milton Stong, who has been suffering from a severe attack of inflammation of the lungs, is now on a fair way to recovery.

Mr. Owen Davidson has sold his farm to a Mr. Hughes of Toronto for \$9000. The farm contains 108 acres.
