A Correction.

In the prize list published last week, Miss Maggie Kellar was credited with only having received second prize for darning stockings. This was a mistake, as she was awarded first prize. We cheerfully make the correction, and congratulate the young damsel on her dexterity, as it is a handiwork of which she may well feel proud.

Laid to Rest.

The funeral of the late Esther M. Keefer took place from her father's residence on Friday last. Sad it seemed for sorrowing relatives and loving friends to part with one so young, so amiable, and so good. On the coffin was placed a beautiful Floral Anchor from her fellow-pupils of the Public school with whom she was a general favorite. Her school companions marched in the funeral procession, and followed the departed to St. Mary's Church, where service was read by Rev. W. W. Bates. Her remains were then taken and laid to rest in the Mount Pleasant Cemetery. Deceased had a kind disposition, a sweet temper, and was dearly beloved by all who knew her.

A Token of Appreciation.

The many friends of Miss Marie C. Strong, who was so enthusiastically received at the concert in the Methodist Church on the 25th ult., will be pleased to note the following extract from a letter to a friend in this village: "On Thursday last, I was surprised to receive from Toronto a large handsome gold locket, inlaid with diamonds and rubies, and engraved on the back is my name, with the compliments of the 'Harmony Club.' I assure you it was a delightful surprise, for I had considered myself amply repaid without this new manifestation of the admiration and kindly feeling of my Toronto friends. Captain Goddes wrote, asking my acceptance of the same, as a small memento of my great success as Lady Jane in 'Patience.'"

Musical.

A grand Complimentary Musical Entertainment will be given in the Victoria Hall, Thornhill, on Monday evening, June 15th, by the pupils of Miss Lucy Collins. The following artists have been engaged to take part in the programme: Miss M. O'Leary, Star Soprano of Toronto; Miss Minnie McGrath, Toronto's favorite Alto; Miss Emma Mitchell, distinguished Pianist; Rachael Scarlett, Child Cantatrice; Professor Marley, the famous American Solo Violinist; Mr. Rocco Branciere, Solo Harpist; Mr. John Anderson, Virtuoso Cornet of Canada; Mr. George Anderson, Euphonon, world-renowned player of the most difficult instrument; Mr. Thos. Hurst, unrivalled humorist and comic singer; Professor Redstone, celebrated tenor; Mr. Tweedy, comique. Besides local talent of a very high order. The above-mentioned names are a sufficient guarantee that the concert will be the most varied and interesting of the season. Dr. R. B. Orr, Maple, will occupy the chair. Tickets, 25 cents. Doors open at 7.30; concert to commence at 8.

Lacrosse Meeting.

In all likelihood the "Young Canadians" are going to have a busy season. At a business meeting held on Wednesday evening, communications were read from Cannington, Orangeville, Brampton and Markham, all negotiating for matches. The Secretary was instructed to write Cannington stating that their proposal to meet this team at Uxbridge could not be entertained. He was instructed to write Orangeville, naming Saturday, the 13th day of June, for the championship match to be played here. In answer to an urgent request from the "Excelsiors" asking the "Young Canadians" to play a friendly game in Brampton, it was decided to write and ascertain what arrangements and terms could be made, and if satisfactory, to accept the invitation. On motion it was also decided to take part in the Lacrosse Tournament in Markham on Dominion Day, providing it be guaranteed that this team has the privilege of crossing sticks with the "Checkers" of Beaverton.

Temperance Meeting.

The Monthly Union Temperance Meeting was held in the Methodist Church last Monday evening. The body of the church was well filled. Rev. W. R. Barker occupied the chair, and in opening the meeting, made some happy remarks on Temperance, and strongly condemned the action of the Senate in mutilating the Scott Act. Col. Sobieski, a Polish gentleman, and a prominent Temperance worker was the speaker of the evening who gave his audience an interesting address, dwelling principally on the Liquor traffic as carried on in the United States, in which country he has extensively travelled. His lecture was interspersed with illustrations and amusing anecdotes. At the close, a vote of thanks, moved by Rev. J. W. Cameron, and seconded by Rev. Mr. Totten was tendered the lecturer for his address. The meeting was brought to a close by singing the Doxology, Rev. W. R. Barker pronouncing the benediction.

Mr. H. McCaw, Custom House, Toronto, writes: "My wife was troubled with dyspepsia and rheumatism for a long time; she tried many different medicines, but did not get any relief until she used Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure: She has taken two bottles of it, and now finds herself in better health than she has been for years."

JEFFERSON.

From our own Correspondent.

The Queen's Birthday has come and gone. The majority of our Burghers spent the day in Richmond Hill. Boat racing and foot racing was the order of the day at Bond's Lake. The picnic party from Newtonbrook did not put in an appearance, owing to the threatening appearance of the weather in the morning.

One evening lately your correspondent had the opportunity of witnessing a little practice at lacrosse by the "Royal Oaks." The boys are a stout, healthy lot of fellows and take a lively interest in the game, and with a few weeks' practice they will make an excellent team.

Messrs. Elliott lost a valuable horse last Saturday evening. It took sick at 2 p. m., and died at 9. Every available effort was made to save it, but failed. Inflammation of the stomach was the cause.

The fishing season has commenced. Almost every day there are fishing and boating parties from different parts visiting the lake.

Mr. J. Falconer, of Toronto, was in the Burgh last Sunday.

That valuable entire horse known as "Black Prince," died at Oak Ridges on Friday last. He was the property of Mr. W. James of York Township.

On Monday, May 18th, Mrs. J. Legge, of Bond's Lake, presented her husband with a son. Both doing well.

The majority of our citizens visited Richmond Hill on Saturday last to witness the lacrosse match, and all returned well pleased with the result, and we trust the "Young Canadians" may long be victorious.

The scholars of St. John's S. S. intend holding their annual picnic at Bond's Lake, on Thursday, 11th inst.

People who reside or sojourn in regions of country where fever and ague and bilious remittent fever are prevalent, should be particularly careful to regulate digestion, the liver and the bowels, before the approach of the season for the periodic malady. The timely use of Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure is a valuable safeguard against the malarial scourge. It is acknowledged to be the best blood purifier in the market.

LASKAY.

From our own Correspondent.

It being some time now since any items appeared in your paper from Laskay, I felt it my duty to acquaint our fellow citizens with the improvements that our enterprising little village has undergone during the last six months.

The first is the woollen mill, which has been all overhauled, and the old machinery laid aside, and replaced by first-class new machinery, so that it is capable of doing first-class work.

The next is the Bowes House. He has fitted up his yard by putting up a stylish picket fence and planting ornamental trees, so that his part of improving has added greatly to the appearance of our town.

We go further up the street to the Rolling House, and we see another great change by the erection of a new fence, after the fashion of that of Mr. Bowes. Do not stop yet, there is still room for improvement.

The great topic here is talking of having a sidewalk. We think there are places that have sidewalks that could do without a great deal better than Laskay, for since the rebellion in the North-West one would think that Laskay was the seat of Government.

The Queen's Birthday passed off very quietly here; the greatest excitement was fishing. Some of the boys went to Noleton in the afternoon. I don't know how they fared, but looked very well next morning.

The Dr. is still retaining his practice. He had a very bad wound to attend to last week; one of Mr. Rolling's boys cut his foot with a drawing knife, but with the assistance of Mr. Watson was able to tie up the foot in good style.

Mr. Henry Gordon, who has been seriously ill for the past month, is slowly recovering. We hope he may soon be able to be around again.
