New Show Case.

Mr. C. Mason has just been placing in his hardware store, a new and elegant oval front show case, which, with other improvements, is giving his place a very tasty appearance. There is a large and clear reflector at the back, which shows his silverware, cutlery, &c., to the best advantage.

Smallpox is making sad havoc amongst the little children in Montreal and other places. The application of Dr. Jenner's preventative ought to be fashionable just now in all our towns and villages. Don't be afraid to turn up your sleeves.

The righteous inaignation of one of cur lady ci izens boiled over last Sanday after-noon on a small crowd of boisterous boys who wear men's boots. She lectured those hoodlours on rowdyism and Sabbath breaking in a pretty lively style. If a word to the wise is sufficient, such words to the ignorant ought to be more than sufficient.

Rolling the Park.

A short time ago the grass on the new park ground was mown, since which time the plot has been carefully rolled, which is a great improvement to the field. There is talk of having it again clipped with a lawn mover, when the lacrosse boys and rising uthletes may practice for coming feats of agility at any time.

Our citizen soldiers, the Oak Ridges Cav-airy, under Captain Jas. McConnell, mustered for drill and started for Niagara, their old grounds, on Tuesday last. Without old grounds, on Tuesday last. Without doubt the men and horses in the troop were far superior to those of any former year. They will find a camp in the near south preferable to a trainp in the far west.

The Exhibition.

From all accounts the Toronto Exhibition is being well attended from all parts of the country, or in fact from all parts of the world. We doubt if it is better patronized by any other village in the province than Richmond Hill. If anything new is on exhilitiou our people are bound to see it. Yesterday, Mr. Proctor sold 75 tickets from this village alone, and a large number went on Thompson's stages.

Public Notice.

In answer to a requisition of rate-payers, the Riceve of Richmond Hill hereby gives notice that a public meeting will be held in the Coancil Chamber on Friday evening next, commencing at 8 o'clock, for the purpose of taking into consideration the advisages. bility of a civic holiday for the village. The question as to whether the New Park Ground is to be opened this fall will be discussed, in which case a programme of anusements will have to be arranged. We hope the public will attend the meeting to morrow (Friday) night, as no further notice will be given.

Executors' Sale.

A valuable farm, the property of the late Henry Puterbaugh, will be sold by public auction on Wednesday, Sept. 30th, 1885, at 2 o'clock in the afternoon. The farm contains 75 acres, and is composed of part of the west hair of lot No. 1, in the 6th Con. of King. It is in a high state of cultivation, and has all the necessary conveniences attached. The title is indisputable. Ten per cent, of the purchase money is to be paid on day of sale, and as much more as will make up one third of the purchase money within thirty days thereafter. For further particulars see bills, or enquire of the executors, Messrs. A. Carley and J. Ireland. J. C. Stokes, Anctioneer.

Village Council.

The Village Council met in the Council Cha aber for the transaction of business on Monday evening, Sept. 14th, at 8 30. The Raeve in the chair. Other members present, Messrs. Redditt, McConaghy and Powell. The minutes of last meeting were read and on motion confirmed. An account from Mr. P. S. Gibson, for taking survey of Park ground, and plan in duplicate of the same, was read. On motion of Mr. Redditt, seconded by Mr. McConngby, the account was ordered to be paid. Moved by Mr. Powell, seconded by Mr. Redditt, that the Clerk and Treasurer is hereby instructed to demand payment of all unpaid subscriptions for the opening out of t e street now known as Lorne Avenue, which is a continuation of Arnold St., and connecting Yonge with Church St.—Carried. The Council then adjourned to meet on Monday evening, Oct.

We have no hesitation in saying that Dr. J. D. Kellogg's Dysentery Cordial is without doubt the best medicine ever introduced for dysentery, diarrhoss, cholera and all summer complaints, sea sickness, Acc. It promptly gives relief and never fails to effect a positive cure Mothers should never be without a bettle when their children are teething.

PERSONALS.

Mr. S. S. Searle, of The York Herald, is spending a week taking in the sights of the Queen City.

Revs. W. R. Barker, W. F. Wilson, and Mr. J. A. E. Switzer, as delegates attended the Temperance Convention in Toronto on Tuesday last.

We are sorry to hear that Mr. John Nixon, for many years a faithful employee at the Palmer House, is lying dangerously ill with typhoid fever, in Aurora.

We are glad to notice that Miss L. Wright, of this place, has been successful in carrying off first honors at the Toronto Exhibition in the competition among lady riders.

Thos. E. Wright, of the firm of Wright Bros, carriage builders and undertakers, Richmond Hill, is in Toronto learning the art of embalming from Prof. A. Renourd, late of Rochester school of embalming.

Professor C. J. Keller, of Stratford, form-erly one of the "wee" fellows of our village, manipulated the organ in the Methodist church last Sunday evening, and favored the congregation with some splendid music.

KLEINBURG.

From our own Correspondent.

S. S. Institute.—Rev. Jno. McEwen, Secretary of S. S. Provincial Association, held an Institute here on the 10th inst. Those who have heard Mr. McEwan treat of Sabbath School work need not be told that his discourse was eminently practi-cal; and to those who have not heard him I would say, don't miss the opportunity when it offers.

GARDEN PARTY. - A very successful Garden Party was held on the 11th inst., at Mr. Nicholas Carver's. The Wood-bridge Brass Band was in attendance and added much to the pleasure of the evening. The party was held under the auspices of the building committee of the Episcopal church to be built in Kleinburg

and the snug little sum of \$40 was realized as an aid to the building fund.

Barley Market.—H. S. Howland. Esq., intends having a buyer established at Klemburg station for the purchase of barley, which will no doubt be a convenience to the farmers in this community.

A dilapidated physique may be built up and fortified against disease by that incomparable promoter of digestion and fertilizer of the blood, Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure. It counteracts biliousness and kidney complaints, overcomes bodily ailments special with the feebler sex, causes the bowels to act like clockwork, and is a safeguard against malaria and rheuma-

OAK RIDGES.

From our own Correspondent.
On Friday morning about 3 o'clock,
Mr. John Steele, Jr., of Aurora met with a serious accident. It appears that a small load of young men were returning from Ringwood, and when coming out the side road past Curtis' Hotel, the horses ran against some sticks of timber, which have been left lying on the bank all summer and the rig capsized, throwing the occupants on the street, breaking Mr. Steele's leg near the hip. Drs Coulter and Strathy, of Aurora, were sent for, but were unable to set it. He was taken to his home in Aurora, where he now lies in a critical condition.

Some farmers on the 2nd. con. of King have had their poultry yards visited by persons who seem to know how to help themselves and in consequence the poultry was missing. Some people say their plum trees have been afflicted in the

Mr. Wm. Norman, Miss Priscilla went to England in the fore part of the summer, returned on Monday, the 14th. They are looking well and have had a very pleasant time. They experienced a heavy gale on their return passage.

Cucumbers and melons are "forbidden fruit" to many persons so constituted that the least indulgence is followed by attacks of cholera, dysentery, griping, &c. These persons are not aware that they can indulge to their hearts content if they have on hand a bottle of Dr. J. D. Kellogg's Dysontery Cordial, a medicine that will give immediate relief, and is a sure cure for all summer complaints.

AURORA.

From our own Correspondent.

A very exciting game of lacrosse was played here on Monday, between the Newmarket and Aurora clubs, resulting in a draw. Each player seemed more intent on battering his opponent's head than sending the ball through the goal.

The Aurora Cavalry mustered on Monday evening to go into camp this week.

They made a fine show.
Last Saturday a few of our boys started for a hunt. Not finding any wild game, they visited a barn-yard and succeeded in capturing several fine chickens. No doubt the price of each was cheerfully paid, but the medicine man declares that they were pheasants.

Mr. Jno. Steele and several others when returning from Markham upset the conveyance at Oak Ridges, resulting in a broken leg for Mr. Steele, but no serious injuries to the others.

Seeding is about finished in the surrounding neighborhood, but considerable grain is still out.

It is of the greatest importance that all bowel and stomach complaints should be attended to at once, especially at this season of the year; West's Paia King is prompt, reliable and cortain never to fail. Only 25 cents. Sold by Sauderson Bros., Druggists, Richmond Hill,
