Eighth Wonder of the World.

It is demonstrated by history that the
Ancients in many of the arts, notably
architecture, far excelled the present age,
but it is reserved for the present decade
to produce the eighth wonder of the
world, i. e., West's World Wonder or
Family Liniment, which is infallible for
Rheumatism, Sprains, Cuts, Bruises,
Sores and all diseases requiring external
application. Price 25 cents and 50 cents
per bottle. Sold by Sanderson Bros.,
Druggists, Richmond Hill.

JEFFERSON.

From our own Correspondent.
I presume you will think I have for-
gotten you, as I have not written for so
long, but I have been very busy, like all
the rest of our burghers.

We had a wedding in the burgh on
Tuesday evening, the 6th inst.; the con-
tracting parties were Miss Hattie Whit-
ney, of this place, and Mr. T. Reynolds,
of Uxbridge. The ceremony was per-
formed by the Rev. E. H. Mussen, of
Aurora, at the residence of the bride's
parents, Mr. James Whitney, brother
of the bride, acted as groomsmen, and
Miss Jennie Brooks, of York Mills, acted
as bridesmaid. After dinner the happy
couple drove to Aurora, accompanied by
their friends, and took the train for To-
ronto, amidst the congratulations of their
friends. We wish them long life and
prosperity.

The boat race that was to have taken
place last Friday, failed to come off on
account of the non-arrival of one of the
oarsmen's boats, but the race has to be
rowed or the stakes forfeited, therefore
it will take place on Tuesday, the 20th,
without fail, between 2 and 4 o'clock p. m.

On Saturday before last, in the evening,
a young man from Toronto met with
an accident by which he had his buggy
badly wrecked, by coming in contact with
a lumber wagon. It was dark and he
was driving fast, therefore the smash.

Apple-bees are again beginning to
flourish. There was one last week, which
was quite a lively affair, and we expect
to hear of another very soon.

Hazard & Livingstone's Panorama vi-
sited the school house on Thursday eve-
ning last. It was everything that it was
represented, and well worth the three
nickles paid for admission.

Mr. Norman McLoud died on Tuesday
last, at 10 a. m., and will be buried to-
morrow. (Friday.)

Hard and soft corns cannot withstand
Holloway's Corn Cure; it is effectual
every time. Get a bottle at once and be
happy.

First relief ultimately a cure. These
are the successive effects of one of the
most deservedly popular remedies in the
Dominion, Northrop & Lyman's Vege-
table Discovery and Dyspeptic Cure,
which reforms an irregular condition of
the bowels and liver, invigorates the
stomach, renews digestion, and changes
the current of the blood from a sluggish
and turbid into a pure, rapid and ferti-
lizing stream.

MAPLE.

From our own Correspondent.
The Harvest Home in connection with
the Lutheran Church was a grand success.
On Saturday afternoon the flats of Mr.
C. White were thickly dotted over with
the many who had turned out to enjoy
themselves. Games of various kinds
were indulged in, and a very pleasant
time was spent. On Sabbath, the pastor,
Rev. Mr. McLaughlin, preached suitable
sermons, the church being beautifully
decorated with fruits, flowers, in fact the
produce of the season.

There seems to be a great demand for
dwelling houses in our town just now.
Mr. Robertson, who opened a boot and
shoe shop a few weeks since, has been
forced to leave, because he could not get
a house to live in. We trust some of our
enterprising men will see that this in-
creasing demand is not overlooked, and
encourage those who are anxious to turn
in with us.

The road leading to the station has
been widened and graded. Had this
been done at the proper time the public
would now be reaping the benefit, but as
it is, the road will shortly be almost im-
passable owing to the fall rains.

Mr. John Line is re-painting his house
on the 4th line and putting it under gen-
eral repairs previous to occupying it.

The Salvation Army has died a natural
death. After the novelty of the thing
wore off, a sufficient number could not
be found to keep it floating, and it has
accumbered.

(Crowded out last week.)

Missionary sermons will be preached
on Sunday, the 18th, morning and eve-
ning, by Rev. J. A. Rankin, of Spring-
hill. On the following Monday evening,
a missionary meeting will be held. Deputa-
tion, Rev. Briggs, Methodist book
room, and Rev. J. A. Rankin.

Don't forget the concert on Friday
night in the Masonic Hall.

West's Pain King is a purely vegetable
compound for the certain cure of chills,
colds, flux, dysentery, diarrhoea, summer
complaint, colic, cholera morbus, cholera
and cholera infantum. Price 25 cents.
Sold by Sanderson Bros., Druggists,
Richmond Hill.

SPRINGHILL.

From our own Correspondent.
Mr. Joseph Montgomery, rear King
Station, is burning a brick kiln of one
hundred thousand. Mr. M. turns out a
first class article every time.

Mr. Peter Paxton, of the 3rd Con.
King, captured a deer and a bear, while
visiting his son near Orillia.

Dr. Burns, near Kinghorn, has pur-
chased Mr. S. Machell's magnificent
dwelling house and store for the sum of
\$2700. The Dr. purposes supplying a
long felt want by opening a drug store.

Mr. A. Ferguson has purchased Dr.
Burns' residence for the sum of \$800.
Aleck has the cage now. Report and
observation say he is doing his best to
catch the bird. The bait is likely to
prove effective.

Four thousand five hundred bushels of
barley were delivered at King Station on
Monday, the 5th of October. Farmers
say they can dispose of their grain more
advantageously at King than at any
other market.

Our energetic shoemaker is kept very
busy. To meet the requirements of his
numerous customers he is compelled to
work over time.

The harness maker challenges any man
within a radius of three miles of Spring-
hill, to shoot for \$100 a side. Now is
your time, sports. He made a bull's-eye
on Saturday.

One trial of Mother Graves' Worm Ex-
terminator will convince you that it has
no equal as a worm medicine. Buy a
bottle, and see if it does not please you.

AURORA.

From our own Correspondent.
Grain buying is quite lively this season.
Four buyers are engaged in the business,
and give within a few cents of Toronto
prices. The house of Wm. Richardson
was entered on Sunday evening by bur-
glars, while the family were at church,
but only received a small amount for
their trouble. This is the third house
that has been ransacked in a short time
in this village.

The roller skating rink was opened
last week by the Hollingshead Bros., and
it is rumored that the contract for an-
other one, is about being let on a much
larger scale.

Mr. H. J. Hartman, whose health has
failed, has sold his drug business to Dr.
Rutherford of this place. Harry intends
going to California.

A disgraceful row occurred on Mosley
St. Sunday night. One of the culprits
was put in the "cooler" and the rest es-
caped, and have not been seen, or heard
tell of since.
