## The Liberal.

RICHMOND HILL, Thursday, Sept. 16, '86.

### LOCALS.

Full supply of all kinds of school books at THE LIBERAL store.

Lacrosse sticks at greatly reduced prices at THE LIBERAL store.

**Farm for Sale.**  
 Lot No. 23 (100 acres) in the 2nd concession of Vaughan is for sale. Terms to suit the purchaser. See Ad.

You can buy Ready Made Clothing at the Concrete, at less than Toronto prices.

### Complimentary.

We tender our thanks to Mr. T. J. Crawford, formerly of this village, for a complimentary ticket to attend the exhibition in Collingwood which takes place on the last three days of this month and first of October.

Good heavy Cheviot Costume Cloth in all shades, 12 1/2c. per yard, at the Concrete, selling very fast.

### Thanks!

Our thanks are due the Hon. John Carling, Minister of Agriculture, for a valuable work of 270 pages, being a statistical abstract and record on population, finance, militia, agriculture, &c., of the Dominion. The book would be a valuable work in the hands of Public and High School teachers.

25 cents will buy at the Concrete each of the following: 13 bars good Laundry Soap, 3 1/2 lbs. good Japan Tea Dust.

### Daily Paper.

The town of Woodstock is going ahead. Six months ago a daily paper was started, and last Saturday the *Sentinel Review* commenced to issue daily. The *Review* is showing a good deal of enterprise, and is confident of success in its last venture.

You can buy at the Concrete a gent's all-wool Tweed Suit, well made and trimmed, for \$6, and a good colored Tea Set for \$2.50, worth \$3.50.

### Mechanics' Institute.

The Institute year closes with this month. It is to be hoped the new officers will call a meeting, and see that tickets of membership are issued immediately after the first of October. Yearly tickets are \$1.00. Would it not be well to reduce the price to 50 cents? We believe the list could be more than doubled, and think the experiment worth trying.

### Schools Closed.

The schools in the village were closed on Wednesday to give teachers and pupils an opportunity of visiting the exhibition. It is well that the trustees name a certain day, as nearly all the pupils attend one day or another, and when all go at the same time it does not interfere with the classes.

### The "Excelsiors" Reception.

The Richmond Hill trip seems to have finished up lacrosse in this town for this season. And it is no wonder after the reception the boys received at the corner on their return home that evening. It is a great encouragement to be defeated and then be hooted at by the crowd. Those who took part in that disgraceful act have great reason to be proud of themselves for nobody else is.—*Peel Banner*.

### Brant Celebration.

A memorial celebration and unveiling ceremonies will be held in the city of Brantford on the 13th, 14th and 15th of October. The monument erected by national subscription to Capt. Jos. Brant will be unveiled by His Honor Lieut.-Gov. Robinson on the 2nd day of the celebration. The remainder of the programme will embrace drilling, athletic sports, lacrosse and base ball matches, &c., &c. Railways will issue tickets at very low rates.

### The Exhibition.

The Toronto Industrial Exhibition is still attracting large numbers to witness the grand display of the different departments. Our own village has not been backward in taking in the sports. Besides the many who have gone in their own private rigs, hundreds have gone with Thompson's early and regular stages, Mr. Gaby's van, and Proctor's line. On Monday Mr. Proctor sold 60 tickets, on Tuesday 65, on Wednesday over 100, and the busses were well filled this morning again. Space will not permit in a village paper to give a description of the exhibition, but a careful perusal of the Toronto dailies should not be overlooked.

### N. Y. Teachers' Association.

The second half-yearly meeting of the North York Teachers' Association will be held in the Public School, Aurora, on Thursday and Friday, Sept. 30th and Oct. 1st, '86, commencing at 10 a. m. An interesting programme has been arranged. The teachers of South York are cordially invited, and should a good representation attend, preliminary consultations and arrangements may be made with reference to a permanent organization for that Inspectorate. On the afternoon of Thursday, the Hon. G. W. Ross will address the Convention, and in the evening he will address a public meeting on "The Place of the Education Department in our School System." Low rates on railways.

You can buy for one dollar at the Concrete House each of the following:

- 20 lbs. good Yellow Sugar,
- 15 lbs. Granulated Sugar,
- 40 lbs. best Oatmeal,
- 44 lbs. Yellow Cornmeal,
- 17 bars Dingman's Electric Soap,
- 52 bars good Laundry Soap,
- 18 lbs. Pearl Tapioca,
- 25 lbs. Best Rice,
- 6 yds. good Grey Flannel,
- 15 lbs. good Japan Tea,
- 5 lbs. Young Hyson Tea,
- 10 lbs. best Rio Coffee.

### The Salvation Army.

The house guards of the Salvation Army here, assisted by a number of officers from other quarters, held a jubilee in the Masonic Hall last Friday evening. There was a good attendance, and about \$14 was taken at the door. Previous to entering the hall they marched up and down the street, and attracted many curious spectators. Before entering upon knee drill they cut many winding figures, but none seemed too intimate to be imitated by a band of small boys, hanging on to each others' coat tails. The Army played their tambourines, the boys blew their whistles, and if the procession did not have the appearance of solemnity, it certainly did look ridiculous. It is a pity that such is the case, as the rising generation learn to look upon demonstrations of this kind as a farce, and instead of making a good impression on their youthful minds, the opposite is the case. Let the Army do as they will, the parents should be held responsible for the actions of their children.

### The late Mr. Strong.

The many friends of Mr. I. L. Strong will learn with deep regret of his death at Mt. Forest, on Saturday, the 4th inst. Mr. Strong was well and favorably known in this village and vicinity, having held a responsible position in the firm of Patterson & Bro. for fourteen years. During that time he secured the love and esteem of his fellow workmen, and the respect and confidence of his employers. In 1872 he removed to Paisley, and from thence to Kansas, where he carried on business with his two sons, until the dread disease, cancer in the throat, compelled him to give up business. About one year ago he came to Mt. Forest, in which town his daughters have for some time resided. Since then he has been closely confined to his home. His sufferings were most intense, but we learn from a Mt. Forest report that they were borne with a "patience and composure not of this world." The funeral services on the Sabbath following his death were largely attended, and the remains were laid to rest in Kenilworth Cemetery, according to the rites of the Catholic Church of which deceased was a member. A wife, three daughters and two sons mourn the loss of a kind and loving husband and father. Mr. Strong was born in Mass. in 1821, and died in his 65th year. We presume it is scarcely necessary to add that he was the father of Miss Marie C. Strong, the talented vocalist, who sang with such marked success at the concert in the Methodist Church on the 24th of May, 1885.

### PERSONALS.

We were pleased to receive a call from Rev. W. T. Norman, of Sandford, Ont.

Mr. Wm. Jefferson, of Tara, formerly of Jefferson, is visiting in this vicinity.

Mr. and Mrs. Geo. Horton, of North Augusta, are visiting at Mr. J. H. Sanderson's.

Mr. and Mrs. Wm. Cook, of Carrville, returned from their trip to England last week.

Rev. W. R. Barker will preach in the Methodist Church next Sunday evening, on the Drink Traffic and Prohibition.

We are glad to hear again from our old friend G. M. Beynon, whose letter from Tasmania, Australasia, appears on another page. George is bound to see the world.

Mr. Wm. Hall, Past Master of Pyramid Lodge No. 490, A. F. & A. M., New York, was the guest of Conductor P. G. Savage on Monday night. In the evening he visited Richmond Lodge, and gave the brethren an instructive lecture on the tracing board, and other matters connected with the order of Freemasonry.

### PATTERSON.

From our own Correspondent.

The usually quiet and peaceful citizens are kept awake those beautiful evenings listening to the melodious voices of the quintette of cats, which congregate on Music Avenue every evening, but even they are preferred to the sonorous sounds of our neighbor's organ.

The people want to know what's the matter with the "Clover Head Champions"? But they're all right! oh, yes! They have challenged the home team for the cup and championship. They're all right! oh, yes!

Our village is greatly pleased with the firm's exhibit this year, which, although it has been grand in times past, it now eclipses all. Mr. James Haffey left on Tuesday to take full charge of the firm's exhibit, and will be absent for two weeks. He will also exhibit the implements at other provincial fairs. We wish James success.

(Too late for last week.)

### Eighth Wonder of the World.

It is demonstrated by history that the ancients in many of the arts, notably architecture, far excelled the present age, but it is reserved for the present decade to produce the eighth wonder of the world, i. e., West's World's Wonder or Family Liniment, which is infallible for rheumatism, sprains, cuts, bruises, sores, and all diseases requiring external application. 25c. and 50c. per bottle. All druggists.

### Cold Creek.

From our own Correspondent.

The harvest is about stored away, and some of the farmers are through seeding. Mr. J. Conner's steam machine is doing the bulk of the work here and the farmers are well pleased with it. James is a business man.

Last Thursday night, the warriors of the north, under Captain Jack, of Woodbridge, turned out to help an old couple reap their harvest. When the roll was called a good many answered "here." Among those were the old excursion veterans, Joe, Ben and Ted, fine old stock all of them, and if they fight like they eat, heaven help the enemy. After the work was done, they repaired to the house, where songs were sung, speeches made, and toasts drunk, till it was time to go home, when Captain Jack formed his men into line, gave the command "Forward," and the whole line moved with majestic regularity. As they neared the fort on the hill, the men became mutinous, owing to the lack of spirits. Capt. Jack did his best to quiet the men, but in vain, they turned on him, and he fled for his life, pursued by the veterans, Joe and Ben, but the Capt's feet are too good to see his body hurt, so he escaped. The boys returned and the regiment disbanded, never to meet again.

(Too late for last week.)

Pain cannot exist after the patient has taken a single dose of West's Pain King, the magic cure. Do not be induced to take a substitute, but insist upon having West's Pain King. Genuine sold by all druggists.

### TEMPERANCEVILLE.

From our own Correspondent.

Mr. Wm. Butler, our enterprising merchant, is laying in his stock of fall goods, in fact, owing to the extensive business which he carries on, he finds it necessary to lay in a fresh stock quite frequently.

Mr. Pass, who moved into Miss Love's house about a month ago, has put out a new sign telling the public of his ability to paint, kalsomine, &c. The sign board is very neatly executed.

Mr. R. Beynon, of Innisfil, spent nearly a week visiting relatives and friends in this vicinity. Miss Nelly Beynon went back with him, as she intends spending a few weeks among friends in Stroud.

Mr. R. B. Steinhauer has left for Toronto, where he will stay until college opens at Cobourg. During his stay here he has made many friends, whose best wishes go with him. Although Mr. Steinhauer belongs to the Indian race, yet he is educating himself and working his way up with a perseverance and energy that puts to the blush a good bit of the so-called and self-styled push of his white brethren. He is in his senior year in his college course, and his fellow students have voted him the honor of carrying the senior stick, an honor granted to the most popular student of that class. In the harvest field, as at his books, few can surpass him. Those who meet with him cannot help respecting him, because of his modesty and his earnest christian character.

Mr. Richard Harman has beaten the fast threshing mentioned two weeks ago in THE LIBERAL, as he threshed 136 bushels of barley in one hour at Mr. A. Morning's farm, near Wilcox Lake.

Mrs. Geo. Blandin, of Illinois, U. S., was in the burgh about a week ago calling on old friends and neighbors. Mr. Blandin farmed here some years ago, but whether owing to the N. P. or not, we cannot say, he grew tired of Canada and is now prospering in the States.

Changeable weather produces coughs, colds and sore throat. For these diseases use West's Cough Syrup, the best. All druggists.

### Change of Business

The business heretofore carried on by Brown Bros., as Bakers and Confectioners, Richmond Hill, will, on and after Monday, the 13th day of September inst., be continued by Mr. John Brown of the same place. All parties indebted to the late firm are requested to call and settle their accounts at once. Richmond Hill, Sept. 8th, 1886.
