NEW WILLIAMS!

Why do they come? Because they lead the trade. This Machine is without a parallel in the history of Sewing Machines. Within the last four years they have taken seven medals at Provincial and other large Fairs. Only last fall they took First Prize and a Medal at the World's Fair, Antwerp, Belgium; and a Diploma last fall at London for work done on this excellent machine. This machine was awarded nine First Prizes last fall. At the West York Fair, Woodbridge, this machine carried off the highest honors. First Prize, besides four extra prizes for work, so you see they take the lead, and carry off First both far and near. This machine has on it more improvements than any other machine. Before buying, see it, try it, and don't be led away by others till you have. All orders by mail promptly attended to.
