### Baseball Match.

Another baseball match will be played on the Park next Saturday. The Invincibles of Patterson, do not yet give up as vanquished, but are anxious to meet again the Orientals of this place. Last Friday's game was a good one, and those who attend the match next Saturday may expect an interesting time. Both teams ar practising.

### For the Flag.

Next Monday is the day appointed for the Amateur Lacrosse Clubs of Ontario to play for the championship flag. The matches are to be played on the Rosedale grounds, Toronto. There are six districts, each one having a club eligible for the honors. The Young Canadians are at present the champions, and it is hoped they will be again successful on Monday next. But they will be forced to meet some good teams, among which will be the Brants, of Paris.

### Family Pic-Nic.

The largest family pic-nic on record in this part of the country took place in the Aurora park on the 29th ult. Upwards of six hundred of the Lloyd family met on that day and had a grand re-union. Seventeen of the oldest members of the family sat at one table, and their united ages amounted to 1316 years, the highest reaching 96. Many were present from the United States and other places. The family are very proud of their ancestry, and date back to the time of Wm. Penn. It is said that Thomas Lloyd came out in the same ship, and settled in Pennsylvania with the Quaker founder of the Colony.

### Accident on Civic Holiday.

Mr. C. Savage met with a severe accident on Friday last, while playing lacrosse here against the Torontos. In the second game he was accidentally struck a violent blow, on the mouth, with his opponent's crosse, splitting his under lip, and knocking two of his front teeth completely out, besides injuring a couple of others. The accident is all the more to be regretted as he was one of the best corner players in this part of the county, and it is feared a plate cannot be made firm enough to answer the purpose. Expressions of sympathy could be heard in all parts of the park, as Charlie is a general favorite in this locality.

### Mechanics' Institute.

Our Mechanics' Institute has entoned on another year. We think the members did wisely in reducing the annual fee from one dollar to fifty cents. Now that the tickets are so low, almost every family in the village should be expected to avail themselves of the privilege of a good winter's cheap reading which the library affords. The Institute is something that should be encouraged, as its good effects on society cannot be doubted. The Directors purpose holding several reunions and lectures during the winter months, and all holders of tickets will be entitled to a free admission. Tickets may be had of the librarian, or any of the directors. Secure them at once, as the year began on the 1st inst.

### Teachers' Convention.

The North York Teachers' Convention was held in Aurora last Thursday and Friday. In connection with the Convention, the new Public School, a magnificent and commodious building, was formally opened. The programme on both days of the Convention was an interesting one, and consisted of Primary Drawing, Work among the Indians on Georgian Bay, Literature in Public Schools, Reading, and how to teach it, &c. In the evening, an able address was given by Hon. G. W. Ross, Minister of Education. He spoke in high terms of the school system of this province, which he held was far superior to that of the United States and other countries, with which he drew comparison. Speeches were also made by Mr. Mulock, M. P., Dr. Widdifield, M. P. P., and Mr. Davidson, the new Inspector. During the progress of the work, Mr. Fotheringham, the retiring Inspector, was presented with a suitable memorial for past services. After the lecture in the evening a banquet was held at the Queen's hotel, where short speeches appropriate for the occasion, were made by many prominent persons.

### Championship of the World.

Until a few weeks ago it was thought that the Toronto Lacrosse Club had the championship of the world within their grasp, but of late it seems uncertain where the pennant will be destined to winter. At present the Montreal team have won nine matches and lost two. The Torontos have won nine, lost two and have had a draw with the Ontarios. Next Saturday the Mountrealers will meet the Ontarios, and in case the champions win, and the Torontos gain the draw with the Ontarios, Toronto and Montreal teams will have to play for the honors. The season's play gives ample evidence of the uncertainty of the game of lacrosse. Should the Torontos and Mountrealers again meet this season they will draw together the largest crowd that ever assembled on a lacrosse field.

### Fire Brigade Meeting.

Minutes of regular meeting of Richmond Hill Fire Brigade held in the Council Chamber on Monday evening, Oct. 4th. Foreman Redditt in the chair. Minutes of regular meeting, Sept. 1st, read and approved. Foreman Redditt spoke at some length re. Aurora Tournament on behalf of Executive Committee, stating that Brigade attended tournament at Aurora on Sept. 3rd, and succeeded in carrying off \$150 in prizes. He thought that Brigade at some future time ought to endeavor to procure some kind of uniform. Jas. McConnell spoke on same strain, and strongly advocated some kind of uniform for use of members of Brigade. The following bills were presented by the Treasurer, and on motion of Jas. McConnell, seconded by Alex. Linklater, were ordered to be paid:—Levi Gaby, conveyance to Aurora, Sept. 3rd, \$5.00; W. R. Proctor, conveyance to Aurora, \$5.00; A. J. Rupert, conveyance to Aurora, \$5.00; James Waites, meals to members, \$19.00; T. F. McMahon, printing badges and ribbon, \$2.50; total, \$36.50. The meeting then adjourned.

### Civic Holiday.

Owing to the dull and chilly weather last Friday, coupled with disappointments in different quarters, Richmond Hill's Civic Holiday was not as great a success as is generally the case when such a proclamation is issued. The whole management of the day's proceedings was placed in the hands of the Young Canadians, and a couple of lacrosse teams, who had promised to take part in the tournament, failed to put in an appearance when the time arrived. There was also a disappointment in the band, and the "torch-light procession and grand display of fireworks" might be compared to the "Last days of Pompeii," exhibited by Pro. Pavne, on the Wednesday night of the last week of the Toronto Exhibition. The baseball match between the Patterson "Invincibles," and the home "Orientals," was well contested, and the spectators were greatly interested in the good plays of those amateur clubs. When the nine innings were finished the score stood, Richmond Hill 28, Patterson 22. Both sides showed considerable science and the disputes were few, thanks to the umpire, a gentleman who appeared to be an utter stranger, but who thoroughly understood the game, and gave impartial and satisfactory decisions. The chief event of the day was the lacrosse match between a team of the Torontos, and our First Twelve. The visitors brought a strong team with them, and made every endeavor to win, but when the match was finished victory perched with the home club. The first and fourth games were taken by the Torontos, and the second, third and fifth by the Young Canadians. This was the sixth time those two clubs had met, twice on the Rosedale grounds and four times here. In those matches five were in favor of our team, and the other match was a draw. After the match on Friday, the teams repaired to the Grand Central Hotel, where they had supper. The baseball club had dinner provided at the Dominion House.
