**Complimentary.**

THE LIBERAL is under compliment to Ruse's Temple of music, 68 King Street West, Toronto, for a somewhat elaborate and elegant Souvenir Calendar, commemorative of Her Majesty's reign, June 20, 1837. It is an oil chromo of Queen Victoria, wearing the Crown and other emblems of royalty. It is one of the best we have seen this year and we are happy to give credit to a house devoted in one way to the divine art of music.

**The year 1837.**

the year of the Queen's jubilee, is to be signalized by the issue of the greatest illustrated paper ever issued in America—the Carnival number of the Montreal Star—a work of national importance. We are told by those who know that it will overshadow and outstrip all previous efforts in illustrated journalism. Those who cannot go to Montreal for the great Carnival will find all the events to the very life in the Carnival number of the Star. It is to be some forty odd mammoth pages with five plate supplements.

**Skating Rink.**

The Skating Rink at Lansing is now in full blast. The building is a credit to the committee who had the work in hand. It is 100 feet long by 30 wide and contains two neat Waiting Rooms which are kept comfortably warm. One very important feature in connection is its being so well lighted, no less than eight reflectors throwing their brilliant lights on the mazy Knights and Goddesses of the ice. The Rink is open on the evenings of Tuesday, Thursday and Saturday of each week, and one or two afternoons. A good place for an evening's enjoyment.

**Visit of D. D. G. M.**

Last Monday evening R. W. Bro. Ross Robertson D. D. G. M., of Toronto, paid an official visit and held a lodge of instruction in the Lodge Room of Richmond Lodge No. 23, G. R. C., A. F. & A. M. He was accompanied by a number of brethren from Toronto Brethren from Newmarket, Maple, Newton Brook and other places took advantage of the opportunity to pay a visit to the Lodge. All the work was exemplified in a very efficient manner by the brethren from Toronto. This makes the fifth lodge of instruction held throughout the district and it is the intention of the D. D. G. M. to hold four more. In a few weeks if all goes well, the D. D. G. M. will have visited every Lodge in his district, and all thirty-five. After the Lodge closed W. Bro. Crosby, W. M., invited the visitors on behalf of the Lodge, to repair with them to the Lorne Hall to partake of a banquet provided by mine host of the Palmer House. It is needless to say it was gotten up in first class style. After ample justice had been done at the festive board, the toast of the "Queen" "Craft" "Grand Lodge" "Visitors" and "Richmond Lodge" were proposed and responded to. After J. W. toast the company broke up in the small hours of the morning, each one thoroughly satisfied that he had spent a very enjoyable evening.

**Royal Templary.**

For the last week we have been honored with the pleasure of listening to the White Bros., who have been holding a series of Gospel Meetings under the auspices of the Royal Templars in this place. Royal Templarism is an association of total abstinence workers, which is widely increasing in the Dominion, a "Council" of which meets in the Temperance Hall every alternate Tuesday evening in the month. Their sessions consist of a "Royal" and a "Select" degree. The first is specially devoted to the Temperance work, and all may join, young or old, and enjoy the benefits derived as in any other societies from combination in the promotion of the Temperance cause, and in addition by paying into the treasury a small fee monthly, according to age, can draw a benefit weekly of from three to five dollars in case of sickness for a certain length of time. After passing through the Royal Degree, any member under fifty years who desires to secure to his family the benefit of Life Insurance to the amount of \$500, \$1600 or \$2000, at about one-half the usual rates charged by Insurance Companies, after satisfactory medical examination, may be raised to the Select or Beneficiary Degree. Whilst the Select degree is a valuable adjunct to the organization, the Royal Degree is the main feature to Royal Templary, and it is for the extension of this practical part of the Temperance work the White Bros. are at present engaged. Commencing last Friday, these Gospel Temperance Meetings have been increasingly interesting each subsequent evening. On Sunday a mass meeting of the young people was held in the Methodist Church in the afternoon, and in the evening there was a mass meeting of adults, for the large church was filled to the doors. One of the Bros. gave a sermon on the words "What is Man?" dividing his subject into three parts, "Where did man come from?" "What am I?" and "What it cost to save man." His exegesis was highly appreciated, rendered none the less so by his filling up pauses between the heads by singing appropriate hymns, the choruses being well sustained by the choir and congregation. The White Bros. are the most prominent features in these Gospel Temperance Meetings, but they are very successful in utilizing local talent in singing and speaking. Revs. Barker, Cameron and Leonard, of this place, and Rev. W. Wilson, of Davisville, have each delivered eloquent addresses, so much so that we think there must be something inspiring about the music of the White Bros., for these gentlemen have been so enthused that they have exceeded themselves. On Tuesday there was a ladies' meeting under the auspices of the W. C. T. U., and on Wednesday the boys and girls of the Band of Hope were addressed and sung to, and enjoyed the fun amazingly. To-night (Thursday) winds up the series of meetings. The White Bros. sing beautifully and talk eloquently, and there is about them the true ring of zealous christian temperance workers, and whilst much that is sound and practical emanates from them, there is a sufficiency of fun, wit and humor to keep up the interest of every meeting. Scores will remember much of the good advice given, many the beautiful hymns sung, and not a few will fail to recollect the laughable songs, "The Lone Ontario Girl," and "I rise to Move a Vote of Thanks."
