You can buy the following goods at the Concrete cheaper than anywhere else: Sugar, Tea, Raisins, Currants, Dates, Figs, Prunes, Syrups and all canned goods.

How Consoling!

Mr. A. Yule, Reeve of Aurora, was defeated for the Wardenship by three votes. The Herald throws up its hat in triumph, and thus remarks:—"Mr. Yule's supporters used it as one of their chief arguments for his election as Reeve, that, if successful, he would fill the Warden's chair this term." Shame! Teddy, this would be bad enough to say about Newmarket.

Another lot of those beautiful Dinner Sets in transit for The Concrete direct from the manufacturer. See the Sets on hand for \$8.00.

As of old.

An old time Tea Party and Concert will be held in the Willowdale church, on Wednesday evening, Feb. 9th. Supper served from 5 to 8 o'clock. Excellent talent has been secured. Admission 15c. Those taking part in the programme will appear in costume similar to those worn hundreds of years ago. Proceeds for church repair fund. The programme will be novel throughout, and no doubt the church will be crowded.

Nearly a burn out.

Last Monday night a fire broke out in the grocery store of the Pogue Bros., who formerly kept the Lorne store in this place, but who now have a business at the corner of Queen and Ontario streets, Toronto. It was discovered by one of the watchmen before it had made much headway. The woodwork of the ceiling and the windows were charred, and considerable damage was done to the stock.

Thornhill Methodist Church.

The Missionary meeting in connection with the Methodist church Thornhill, will be held on Monday evening, the 7th inst, commencing at 7.30 o'clock. Addresses will be given by Rev. John Potts, D. D., of Toronto, and Rev. John Mahan, of Newtonbrook. On the following Tuesday evening a Grand Literary Entertainment will be given in the Victoria Hall. Miss McGarry, of Montreal, one of Canada's distinguished Elocutionists, has been secured along with other excellent talent. Tickets to entertainment 25 cents. A cordial invitation is extended to all. Doors open at 7.30.

Sad Accident.

A very sad accident, and one which in all likelihood will prove fatal befell Mrs. W. E. Morse, sister of Messrs. T. H. and B. Redditt of this village, last Saturday evening. She and her sister were walking on one of the streets of Montreal where they reside, when a large piece of ice slid from one of the buildings striking her on the head, and leaving her unconscious. Miss Redditt was also struck but only slightly injured. On receiving the sad news Mr. T. H. Redditt started immediately and found his sister still living but very low. The deepest sympathy is felt for the family.

School Board Meeting.

The School Board met on Wednesday Feb 2nd. Members present, Messrs. Duncan, Lynett, Brown, Switzer, Glass, Trench, Savage, Naughton and McConaghy. After several motions, Mr. Brown was elected chairman. Mr. Switzer, Sec'y, and Dr. Wilson, Treasurer. Messrs. McConaghy, Lynett and Savage were elected a committee of management. The following communication was presented from Mr. M. H. Keefer; Gentlemen—I beg to ask for a fair share of the patronage of your Board both in printing and furnishing of school supplies, so far as you may have control over the payment of the same. The Board adjourned.

The Carnival Number.

Which is being issued this week by the Montreal Witness, will, we believe, command a most unprecedented sale, as it is published at the extremely low price of 15 cents, or two copies for 25 cents—all free by post. It is to contain 24 pages, literally crowded with excellent colored pictures and engravings of the principal scenes of the Carnival, correctly as well as beautifully executed. The idea of sending two copies at such a reduction is a capital one; everybody can afford to buy one copy to keep, and at least one other to send to friends at a distance.

Headford.

The Anniversary of the Dedication of the Methodist church at Headford last Sunday and Monday was a great success, physically, intellectually, and financially. The three services on Sunday were well attended. In the morning at 10 o'clock the Rev. S. G. Stone, D. D., Toronto, occupied the Pulpit, and in the evening Rev. T. Campbell, of Thornhill, preached. Three very eloquent and impressive sermons were delivered. On Monday there was another grand treat, for which Headford is noted. We refer to the Dinner and Entertainment. The dinner was all that could be desired, a physical treat. Next was the intellectual treat, which was given in the upper part of the church. It consisted of speeches by the Revs. T. Campbell, W. F. Wilson and Leonard, and singing by Messrs. Atkinson, Hume, Langstaff and Chisholm, of this village, Miss Ada Reid of Thornhill and the Headford choir. Rev. W. R. Barker occupied the chair, and added much to the interest of the meeting. The Posters announced that the Rev. S. G. Stone would be one of the speakers, but on account of sickness in the family it was impossible for him to be present. On the following Tuesday evening a social was held, as the immense crowd which sat down at the tables did not consume nearly all the provisions which had been so bountifully provided by the ladies of the congregation. A good time was the result. Many of our villagers attended the Tea meeting and all express themselves as having enjoyed the entertainment and hospitality of the Headford people. The total proceeds amount to about \$110.

York Township vigilance Association.

The annual meeting of the York Township Vigilance Association, held at Birrell's Hotel, York Mills, on Tuesday evening, was the largest and most enthusiastic since the association was organized. The association is in a very flourishing condition. There are at present 44 members on the roll, and a good large balance to its credit in the treasury. Its influence is having a very marked effect in the suppression of crime throughout the township. The following gentlemen were elected officers for the ensuing year:—President, Elijah Armstrong, Yorkville; Vice-President, John Heslop, Yorkville; Secretary, David G. Holmes, Willowdale; Treasurer, Alex. Gibb, Sr., Yorkville. The annual supper will take place at Mr. Birrell's, York Mills, Tuesday evening, February 8th. The public are cordially invited to attend.

See the nice colored 44 piece Tea Sets at The Concrete for \$2.00 and the China Sets for \$4.00, ordinary price 6.00.

Wedding Bells in Weston.

A very pleasant gathering took place on Wednesday evening at the residence of James Cruickshank, J. P., the occasion being the marriage of his daughter Isabella to Mr. Thos. McLellan, Etobicoke. The ceremony was performed by the Rev. Walter Reid in the presence of a numerous and fashionable company. The bride was dressed in ivory silk, ornamented with crystal beads and oriental lace. The bridesmaids were her sister, Miss Jenny, and Miss Torance, of Etobicoke, and Miss Muir, of Scarborough, nieces of the bridegroom, who were similarly attired. Mr. Samuel McLellan, brother of the groom, rendered him the necessary assistance. At the close of the ceremony the company to the number of 90 adjourned to the dining-room and partook of the wedding dinner. The happy couple left for their future home amidst a storm of rice and slips.

S. S. Convention.

Markham S. S. Convention was held in the Methodist Church, Victoria Square, last Thursday and Friday. The attendance was large, especially at the evening meetings, and the discussions were of a very interesting and profitable character. On Thursday evening eloquent addresses were delivered by Revs. P. McLeod, J. M. Long, and W. R. Barker. Mr. J. H. Clarke, Supt. of the Northern Congregational Church, gave an interesting address on "Things that ought to be avoided in the Sunday School." A mass meeting of children was held on Friday afternoon, when the church was crowded to its utmost capacity. Appropriate addresses were delivered by John Milne, of Agincourt, and Rev. L. W. Hill, of Stouffville. The evening meeting on Friday was addressed by Rev. G. J. Bishop, and Mr. W. Munns, of Toronto. Each service was enlivened by excellent music. The Convention was considered the best that has ever been held for years in Markham. It was decided to hold the next one in Stouffville.

"The Deserted Village."

We fancy that if a Goldsmith should pass this way after the lapse of a few years he could find ample material for the delineation of a second "Deserted Village." The little brown village of Patterson, with its modest mansions, its cosy church, its tall chimneys—the happy abode of its industrious and contented workmen—has long been looked upon and admired by travellers as was Auburn, in the days of her prosperity. But all this is rapidly passing away. The busy work-hands, the powerful trip hammer, the steady machinery, will soon be heard no more under the management of the present firm. Day by day the different pieces of mechanism are being removed to the new work shops in Woodstock, and soon nothing will remain but the empty buildings. Still, we cannot think that those works, with almost every convenience, in the midst of a thickly populated and rich farming country, will long be vacant. It is to be hoped that some capitalist will seize the opportunity of settling ere long in this most desirable location.

PERSONALS.

Dr. Lynd, the Mayor of Parkdale and Reform candidate for West York for the Dominion Election, was in the village on Friday last. He made a partial canvass of the electors, and felt well satisfied with the result of his labors.

Mr. W. H. Pugsley, Reeve of this village, has been appointed a County Commissioner by the County Council of York. He will act in conjunction with Mr. Ramsden, Reeve of East Gwillimbury, and the Warden, Mr. Saunders, Reeve of Stouffville.

Messrs. Page and Whittaker, who, for a long time, have acted in the capacity of stenographers for Messrs. Patterson & Bro. Patterson, left here last Monday morning. The former takes a similar position with the same firm in Woodstock, whilst the latter will follow his vocation in the city of Brantford. Both gentlemen leave behind them many warm friends.
