The catalogue has been carefully revised and has many new and selected varieties not found in last year's issue. In all, there are nearly two hundred illustrations. The firm has gone to great expense, but no doubt their increased orders will amply repay them for their additional outlay. Those interested should send for a catalogue which will be forwarded free.

Young Canadians Re-Organized.

A Lacrosse Meeting was held in the Lorne Hall last Friday evening, when the following were elected officers for the season of 1887:—President, W. H. Pugsley; Vice-President, H. A. Nicholls; Treasurer, W. H. Pugsley; Secretary, Alex. Coulier; Captain, A. E. Pugsley; Vice-Captain, J. McConaghy; Managing Committee, W. R. Proctor, P. G. Savage, F. McConaghy, Sr., J. Devlin, S. S. Searle, B. Brown, W. A. Sanderson, W. E. Wiley, and C. Skeele. A committee was also appointed to make arrangements for holding the annual Concert on the evening of Good Friday. Although some of last year's players will not be seen on the field, their places will be ably filled, and the Y. C.'s feel hopeful of retaining the laurels already won.

School Board Meeting

The School Board held a special meeting yesterday (Wednesday). Members present, Messrs. Brown (Chairman) Trench, McConaghy, Naughton, Lynet, Savage, Duncan, Glass, Switzer and Dr. Wilson. Accounts from A. J. Rupert and A. Moodie were read and ordered to be paid. The head master handed in a report respecting High School fees, which was read. Mr. Keefer sent in a communication asking the Board to erect a suitable fence between his premises and the school grounds. The question in reference to better terms for the outside parts of the section was then taken up. Mr. Brown asked if the outsiders felt inclined to accept the proposition recommended by the village, viz, that the village pay 2/3 of the taxes leaving 1/3 to be raised by the outsiders. On motion Mr. D. Boyle was heard on the subject. He thought the outsiders should not be asked to raise more than 2/3 of the taxes. Mr. Duncan was of the same opinion. The following motion was afterwards put and carried, That this Board request the assessors of the different municipalities to meet after they have completed their regular assessments, and effect an arbitration between the village and outside parts of the section, recommending that the taxes to be hereafter raised be 2/3 and 1/3 respectively. The meeting then adjourned.

The Bengough Concert.

Mr. J. W. Bengough and Company drew a good crowd to the Masonic Hall last Thursday evening. The programme, as previously announced, was given with very few variations. The entertainment for one of the description was all that could be desired. The appreciation with which the vocal solos of Mrs. Fox, accompanied by the guitar were received, was manifested by the applause of the audience. She sang the popular and difficult "Cuckoo Song," and though not given altogether in a Caldwell manner, it was very prettily executed and much admired. Mr. H. M. Blight appeared several times, and his selections, his voice and his general style gave unqualified satisfaction. He has a clear, strong baritone voice, which is capable of filling a much larger hall than that in which he sang. Mrs. Blight played the accompaniments, as well as an instrumental solo, and her contributions added much to the excellent programme. Mr. Bengough gave a song in which he mimicked to perfection the agony displayed by some of our modern vocalists. This drew forth an encore. His chalk talks giving some startling facts about Canada, as well as the Emigration Lecture, were very amusing. Several sketches of local individuals were very cleverly executed, considering the short time the cartoonist was in the village. Financially the affair was a success, and we believe, both the audience and the performers were well satisfied with the result.

PERSONALS.

Miss Pearce, of Markham, is visiting with Mrs. A. J. Hume.

Miss Pollock, of Adelaide St., Toronto, is visiting relatives and friends in the village.
