Kicked by a Horse.

Last Sunday Mr. Burkitt while currying one of Dr. Langstaff's horses, was kicked in the face by the animal, and received an ugly wound. Fortunately the horse had no shoes on, and consequently the wound is not deep but Mr. Burkitt is as much disfigured as if he had stood before John L. Sullivan for a few rounds.

Agricultural Meeting.

Next Saturday, July 2nd, at 2 p. m., the Directors of the Richmond Hill & Yonge St. Agricultural Society will meet in the Court Room here. As this will be the last meeting of the year, and as business of importance will be brought up, a full attendance is requested. Let every Director in the village, and as many from the outside as possible, make it a point to be present.

To Aurora.

Last Saturday afternoon the White Rose Lacrosse club hired Gaby's van, and went to Aurora to cross sticks with a junior team of that town. They were defeated after playing about 40 minutes. As the Roses are only kids done up by the dozen, they say they will protest in future playing against opponents who have long since got out of their teens.

Fork Accident.

Master Willie Clifford suffered an accident last Thursday evening. The little fellow was tramping hay in a mow as it was being thrown from a wagon. Getting too near the man who was pitching it back, one of the tines of the pitchfork ran into his head near the temple. The Dr. was called, who at once dressed the wound. Luckily the stab was not dangerous, but had the fork entered an inch or two from where it did it might have proved most serious. He is now running around, and apparently not much the worse for his accident.

Orillia Tournament.

The Aurora Firemen went to Orillia on Jubilee day and captured the Hose Reel Race from Bradford after a keen contest, beating the latter team by one fifth of a second. The distance was 220 yards, attach to hydrant, lay 250 ft of hose, attach first length to hydrant, uncouple fifth length, take out second length and put fifth length in second's place, attach branch to fourth length. The best time made was 1 min 21 1/5th seconds. The Rangers Band were beaten by Barrie by 3 points.

Not Guilty.

John Zegman was tried in the Criminal Assize Court on Tuesday, charged with feloniously wounding Wm. R. Horu, at Thornhill, on the 16th of last month. The judge strongly censured the prisoner for drawing a knife, saying it was done at great peril in this country where the law will defend the people. The evidence showed that Zegman was at the time of the stabbing under the influence of liquor. He was freed by the jury on the ground that he had previously borne a good character.

Officers Elected.

The election of officers in Richmond Hill Council, R. T. of T., which took place at their last meeting resulted as follows—Councilor, D. H. Lent; Vice-Councilor, M. Wiley; Chap., M. Atkinson; Sec., J. A. E. Switzer; Treas., W. Atkinson; Herald, T. Tyrrell; Guard, D. Lush; Sentinel, J. Lush. J. A. E. Switzer was appointed to represent the Council at the District Meeting, which will be held in Toronto on the 8th of July.

A brass band will be in attendance, and the grounds will be illuminated and amusements provided. Tea served from 6 o'clock. Admission to grounds and tea, 25 cents; children, 15 cents.

Richmond Hill Manfg Co.

The above-named company is now running in full blast, and will soon have the material finished for putting together 200 of their Wilson Farming Mills, which have always been the favorite among farmers in this community. The managers have secured the services of a first-class moulder, who is pushing his part of the work rapidly. The Company is now prepared to do all kinds of repairing, such as reapers, mowers, &c. In a short time farmers will be supplied with plow-points from the same place. We see no reason why this newly started establishment will not one day expand into a manufactory of large dimensions.

Midsummer Examinations.

The non-professional examination for second class certificates opens in the High Schools throughout the province next Monday, July 4th, commencing at 9 o'clock a. m. The examinations will be continued till the Saturday afternoon following. On Tuesday, July 12th, third class candidates will commence writing, and will continue during the remainder of the week. The examinations for entrance to the High Schools also start on Monday and will last for three days. After the next couple of weeks school matters will be quiet for some time.

Eversley Pic-Nic.

More than usual preparation is being made this year by the young men of Eversley and vicinity for their annual celebration which is to be held in Mr. John Ferguson's grove on Dominion Day. Many will be drawn there by the platform which is erected for dancing, while others are anxious to take part in the foot-races, vaulting, tug of war, football matches, &c. The sports will commence at 10 o'clock, and dinner will be served at 12 o'clock noon. A cordial invitation to all, and a first-class time guaranteed.

Please Don't

A grand Promenade Concert by Professor Masciano's Orchestra, of Toronto, and others. A great Balloon Ascension from the grounds during the evening. Ice Cream, Strawberries, Pine Apples, &c., will be dealt out liberally to all who wish to partake. A very large time is expected. Tickets, 25 cents; children 15 cents. Tea served from 5 o'clock. Extra brilliant illuminations may be looked for.

At Home.

To-morrow (Friday) promises to be a "big day" in Richmond Hill, as the Young Canadians purpose celebrating the 20th anniversary of this fair Dominion in a becoming manner. At 10 o'clock a. m., a football contest will take place for which a foot ball will be given to the winning team. At 1 o'clock, the Acme Lacrosse Club, of Toronto, will play the 2nd twelve of the Young Canadians for a valuable silver cup. But the chief attraction of the day will be the championship match between the Ontarios, of Toronto, and our first twelve. Admission to grounds, 25 cents; ladies, 15 cents; grand stand, 10 cents extra. Be on hand at 10 o'clock, and see all the matches.

Lecturer from the Holy Land.

The Rev. Ghosn Branch Howie, M. A., the blind evangelist from Lebanon, delivered a most interesting and instructive lecture on "Bethlehem," in the Presbyterian Church, last Tuesday evening. Mr. Howie appeared in his Oriental costume, which is believed to be a fac simile of the dress worn there in the time of Abraham. As the speaker had not always been blind, he was able to describe some of the many places of interest familiar to Bible students in and between Jerusalem and Bethlehem, and also the peculiar manners and customs of the people. His descriptions were graphic. The lecture was enlivened with flashes of humor, but the general tone was spiritual. It is almost needless to add that the lecture was listened to with rapt attention by a, though not large, yet highly appreciative audience. The smallness of the audience was no doubt due to the fact that it had not been widely advertised.

Jubilee Concert.

A Grand Jubilee Concert will be held in Victoria Hall, Thornhill, on Friday, July 1st, 1887. A most enjoyable programme will be given consisting of Jubilee Choruses, with suitable tableaux, by the children. Doors open at 7:30, Chair taken at 8 p. m., by T. H. Redditt, Esq. Tickets 25cts; Children 15cts.

Dominion Day.

The Ladies in connection with the Methodist Church, Maple, purpose holding a grand Strawberry Festival on the grounds of J. C. McQuarrie, Esq., on Dominion Day, July 1st, 1887. Tea will be served from 4 to 7 p. m. Addresses will be delivered by Revs. J. Paaren, C. Routhiff and Dr. Orr. Swings, Croquet, Football, Quoits and other amusements will be provided. Ice Cream, Lemonade and other Delicacies in Abundance. Music will be supplied by the Aurora Silver Cornet Band. Dr. Gilmour, M. P. West York, has kindly consented to occupy the chair. Mr. Barker's Farewell.

Rev. W. R. Barker preached his Farewell Sermon last Sunday evening. He took for his text 2nd Cor. 5th Chap, 1st & 2nd verses. "For we know that if our earthly house of this tabernacle were dissolved, we have a building of God, an house not made with hands, eternal in the heavens." At the close of an excellent sermon he briefly reviewed the work of the past three years, and spoke in the kindest and most feeling terms of the painful separation. The church was crowded, many having come from Aurora, Thornhill, Unionville and other places to listen to the parting words of one who has achieved such wide-spread popularity. Mr. Barker has not only been zealous in his pastoral duties while on this circuit, but has endeavored himself to the people as a brilliant orator, a good citizen, a wise counsellor and a sincere friend. Few ministers will quit their fields of labor and leave more personal friends and admirers behind them than does Mr. Barker in taking his departure from this place. His daily walk was an excellent example to follow and his sterling qualities both as a man and a christian will long leave their imprint on those with whom he has come in contact. He left yesterday, with his esteemed family, for Streetsville where he has been stationed for the next three years. The Methodist Church of that town are to be congratulated on having secured a minister so able and so enthusiastic in laboring for God's cause.

A Unique Work On Canadian Topics.

Mr. Erastus Wiman, President of the Canadian Club, writes to the editor of this paper as follows: "It is the intention of certain members of the Canadian Club, in New York, to issue, in the form of a beautiful book, the papers which have been delivered before the Club during the past winter by prominent parties, together with those which are to be delivered during the remainder of the season. "These papers will include a speech on 'Commercial Union,' by the Hon. Benjamin Butterworth, member of Congress, who is said to be one of the most eloquent men of that body. A remarkable production by Prof. Goldwin Smith on 'The Schism in the Anglo-Saxon Race.' A paper by Dr. Grant of the Queen's University on 'Canada First.' One by J. W. Bengough, Editor of Toronto Grip. By Mr. Le Moine, of Quebec, on 'The Heroines of New France.' By J. A. Fraser, 'An Artist's Experience in the Canadian Rockies.' By Edmund Collins, on 'The Future of Canada.' By Professor G. D. Roberts, of Kings College. By Geo. Stewart, jr., of Quebec. By the Rev. Dr. Eccleston, on 'The Canadian North West.' By John McDougall, on 'The Minerals of Canada.' And by the Editor, G. M. Fairchild, jr., on 'The History of the Canadian Club.' The work will also include extracts from the speeches and letters of the President. The book is to be issued in beautiful style, at \$1 per copy. "A great many Canadians will doubtless desire to possess themselves of this rare compilation, and, by purchasing copies, indicate the interest which is manifested throughout Canada in the attempt of the Canadian Club to lay before Americans the resources, advantages, and attractions of their native country. "Parties desirous of obtaining copies can do so by enclosing the price of the book to James Ross, Canadian Club, 12 East 29th St., New York."

35,000 BOYS

—IN— TORONTO, and more to follow—what an undertaking to supply them with CLOTHING. We don't do it all, but we sell our share. Our sales in this department double every year, till now, at the smallest calculation, we sell 10,000 Boys' Suits a year, and we fully expect that our sales this year will not fall short of 20,000 Suits. This seems a great deal, and some of you may reasonably doubt it—nevertheless we are prepared to prove our statements and show to the satisfaction of everyone that we do the largest trade in Boys' Clothing in Canada. Where do they all come from? We'll try and tell you:—

Those little Sailor Suits at \$1.50, that we never have enough of, come from over the sea—they could not be produced in this country for less than \$3.50; then the little Halifax Tweed Suits at \$1.50 come from the same quarter, and those parents who have bought this line from us say that it is a real pleasure to have boys when they can be clothed so neatly and at such little cost. Again, England supplies those Corduroy Suits that never wear out, and remind old country people of their childhood, playing about the green lanes of their native village.

GERMANY is away ahead in plaited and fancy suits, and though their goods are not quite as substantial as those of English or Canadian manufacture, they excel in design and nobby styles. It is an extraordinary fact that amid the keenest competition English manufacturers have ever maintained the highest standard of durability in their fabrics—very often sacrificing style of quality—while the Germans seem to put their entire energy into design and style, forgetting that people require a durable as well as a stylish garment.

FRANCE sends us some of the finest and prettiest suits, but the difficulty with French Clothing is its enormous cost and unsuitable styles for Canadian trade.

CANADA. Last, but not least, comes our own country, and let it be said to her credit that like the mother country, England, the standard of quality is maintained in her cloth manufacturers.

We make up thousands of suits ourselves, employing hundreds of hands—men and women throughout the surrounding country—paying out in wages from \$40,000 to \$50,000, and many a little cottage in the suburbs has been paid for out of the savings of our employees,—and now a word about prices.

- Boys' Blue Serge Suits, only 98c.
- Boys' Brown Serge Suits, only 98c.
- Boys' Halifax Tread Suits, only \$1.50.
