REPORTS OF GOVERNMENT CHEMISTS

As to Purity and Wholesomeness of the Royal Baking Powder.

"I have tested a package of Royal Baking Powder, which I purchased in the open market, and find it composed of pure and wholesome ingredients. It is a cream of tartar powder of a high degree of merit, and does not contain either alum or phosphates, or other injurious substances."
E. G. LOVE, Ph.D."

"It is a scientific fact that the Royal Baking Powder is absolutely pure."
H. A. MORT, Ph.D."

"I have examined a package of Royal Baking Powder, purchased by myself in the market. I find it entirely free from alum, terra alba, or any other injurious substance."
HENRY MORTON, Ph.D., President of Stevens Institute of Technology."

"I have analyzed a package of Royal Baking Powder. The materials of which it is composed are pure and wholesome."
S. DANA HAYES, State Assayer, Mass."

The Royal Baking Powder received the highest award over all competitors at the Vienna World's Exposition, 1873; at the Centennial, Philadelphia, 1876; at the American Institute, New York, and at State Fairs throughout the country.
No other article of human food has ever received such high, emphatic, and universal endorsement from eminent chemists, physicians, scientists, and Boards of Health all over the world.

NOTE—The above DIAGRAM illustrates the comparative worth of various Baking Powders, as shown by Chemical Analysis and experiments made by Prof. Schedler. A pound can of each powder was taken, the total leavening power or volume in each can calculated, the result being as indicated. This practical test for worth by Prof. Schedler only proves what every observant consumer of the Royal Baking Powder knows by practical experience, that, while it costs a few cents per pound more than ordinary kinds, it is far more economical, and, besides, affords the advantage of better work. A single trial of the Royal Baking Powder will convince any fair minded person of these facts.

* While the diagram shows some of the alum powders to be of a higher degree of strength than other powders ranked below them, it is not to be taken as indicating that they have any value. All alum powders, no matter how high their strength, are to be avoided as dangerous.

LACROSSE MATCH.

STOUFFVILLE VS. RICHMOND HILL.

From our own Correspondent.

The Lacrosse match between the second twelve of the Young Canadians and the Stouffville club was played last Saturday on the grounds of the latter. There was considerable difficulty experienced in getting a Richmond Hill team together, however, the following men were finally secured and steamed away in Mr. Gaby's van at half past twelve noon. The team was composed of H. McConaghy, Goal, R. McDonald, Point, F. McConaghy, cover point, J. Haffey, W. Munshaw, A. Powell, Defence Field, T. Padget, Centre; C. McConaghy, T. Trench, G. Padget, Home Field; J. Sanderson, Outside Home; J. Piper, Inside Home.

The game was started at 4 15, and lasted two hours. The first and third games were taken by the Young Canadians, each in about a quarter of an hour. The 2nd game was secured by Stouffville after a fight of more than three quarters of an hour. The wind was blowing from the south, but all the games were taken at the south goal against the field. The Stouffville men were heavier than their opponents. They played a good game, their defence being very strong. They could not have had better men than their goal, point and cover point. The Richmond Hill goal was well protected by McConaghy, who did some excellent play. Our team all played well with the exception of a little roughness in a couple of cases. Some of the Stouffville men played more roughly than necessary. The proceedings were varied by a couple of scraps. Piper accidentally got his 'crosses between the legs of the opposing goalkeeper, who claimed a foul. This, Piper resented, whereon the crowd rushed in, and the excitement the two field captains grabbed one another by the throat, bestowed opprobrious epithets on one another and shook their fists in one another's faces. On another occasion a Markham gentleman called Mr. Manning of the Stouffville team, a perverter of the truth. Blows were immediately exchanged and a general melee ensued. There was a large number of Markham men present to witness and applaud the defeat of the Stouffville team. We hope to see the return match soon. The positions of Field Captain and Umpire were filled satisfactorily by Messrs. Atkinson and Langstaff.

The visiting club were very hospitably entertained by their hosts. The Umpire for the Stouffville team gave every satisfaction. The Referee, Mr. Reaman, was not called upon to do much work.
