Fire Insurance.

Farmers protect your buildings from fire and lightning by insuring in the GORE DISTRICT MUTUAL FIRE INSURANCE CO., Head Office Galt, County of Waterloo; Established 1836.

The number of policies issued in the year 1886 was 2,616, and the number in force at the end of the year 6,273, insuring \$6,867,679.31, showing an increase of nearly \$400,000.00 over the amount at risk at end of 1885. The income for the year was \$87,078.92.

Total assets available to meet losses has increased from \$218,986 00 to \$238,264 00 in the year 1886, the increase being within a trifle of \$20,000.

The number of losses for the past year was 108, and the amount of loss \$57,887.27, of which \$4,315.28 was reinsured, making the net loss \$53,573.99.

This Company has deposited \$20,000 with the Ontario Government, being more than double what the law requires, but it gives the GORE a still stronger hold upon public confidence.

Damage by lightning to stock while in field, is promptly paid by the Gore, (the actual payment being two-thirds of the value of animal).

Parties whose barns are wrecked by lightning are indemnified to full extent of wreckage. Farmers can save money by insuring in the Gore. This Company has been established fifty-one years. The Gore is one of the oldest and most reliable Mutuals in Canada. All communications promptly attended to.
