Run-Away.

Yesterday afternoon about 2 o'clock a span of horses owned by Mr. Richard Thomas, of the 2nd Concession of King, near Temperanceville, created quite a stir in the village. Something about the harness having gone wrong, Mr. Thomas got out to fix it coming up Palmer's hill, and just as he was returning to the wagon the horses, started by a buggy, coming up behind, gave their driver the slip and ran through the village at a lively pace. They were stopped opposite Wright's shop at the north end. No damage.

A Grand Success.

As intimated in last week's LIBERAL the Social at the Zion Evangelical Lutheran Church came off on Friday evening last. A football match between the single and married men of the community was an exciting affair. The play was pretty even, but the single men were winners by 1 goal to 0. Then all repaired to the basement of the church where supper was partaken of, a supper equally as nice as that given at the same place on Wednesday evening previous. After all had satisfied the cravings of the inner man, the most beautiful of the fine storey cakes was presented, after a very neat speech by the pastor, to Mr. John Shunk and wife. An election cake was then next on the programme. Miss Bertie Keffer and Miss Lizzie McLaughlin were the candidates. Excitement was high for a time and when the polls were closed Miss McLaughlin was ahead four votes. Choice music by members of the choir also formed part of the programme. The people generally feel the Harvest Home Jubilee to be a success financially, socially and spiritually. The net proceeds amounted to \$123.—Com

Sugar at The Concrete 20, 18, 17 and 15 lbs for one dollar.

Marriage at Thornhill.

On Wednesday, the 7th inst., Miss Ada Reid, of Thornhill, and Mr. James Knox, of Toronto, were joined together in the holy bonds of wedlock. The ceremony, which was performed by the Rev. Mr. Campbell, of Thornhill, took place at the residence of the bride's mother. Miss Ada was dressed in a handsome and very becoming travelling suit, and looked simply charming. Her bridesmaids were Miss Bradley, of Port Huron, and two pretty little girls, the Misses Wilson, of Thornhill. Mr. Knox was attended by Mr. South, of Toronto. After the marriage service, about forty invited guests sat down to a splendid breakfast. The bride's health was proposed by the Rev. Father Egan in a speech replete with wit and kindness. He ended by significantly and humorously remarking that 'many as were the triumphs scored by Mr. Knox as an oarsman, this day had gained the greatest by far of all his prizes in the handsome and accomplished bride he was carrying off.' Mr. Knox made a suitable reply. Then followed other speeches. The young couple finally started on their bridal tour amid a shower of good wishes, old slippers and rice. They intend to visit the chief cities of the United States. The presents were very numerous, very beautiful and extremely useful.

School Board Meeting.

The monthly meeting of the Richmond Hill School Board was held on Monday, the 5th inst. Members present, Messrs. Brown (Chairman), Duncan, Naughton, Glass, Marsh, Switzer, McConaghy, Lynet and Dr. Wilson. The minutes of last meeting were read and adopted. A communication from Miss Sprague, Principal of the Public School, was read, asking permission to close the Public Schools to-morrow (Friday) to give the pupils an opportunity to attend the Industrial Exhibition. On motion of Mr. Switzer, seconded by Mr. Lynet, the request was granted. A bill from Mr. Redditt, amounting to 95 cents for stationery, &c., for the High School, also one of \$2 20 for chairs, were read and ordered to be paid. On motion of Mr. Marsh, seconded by Dr. Wilson, the Board decided to hold the election for trustees on the same day and in the same manner as that for municipal councillors. In reference to the report of the committee appointed at the last meeting to examine the High School Register and ascertain if the number of pupils sent in to the County Council for 1886, corresponded with the number on the register, &c., Dr. Wilson stated that as Messrs. Savage and Treuch, the other members of the committee were absent, and as Mr. French was chairman, there would be no report for this meeting. Mr. Duncan drew the attention of the Board to the fact that the waste water from the school pump ran back into the well, and was therefore not suitable for drinking. He requested that it be looked after. The Board then adjourned.

Vaughan Council.

The next meeting of the Vaughan Township Council will be held at the Town Hall, Velore, on Tuesday the 13th of Sept. commencing at 10 a. m.

Division Court.

Division Court was held here last Saturday, His Honor, Judge Morgan, presiding. The following are the more important cases. I. Crosby vs. J. K. Devlin. This suit which was for payment of \$7.90 for a pair of pants and interest, purchased by defendant from plaintiff, occupied a considerable portion of the time of the court in consequence of certain misapprehensions by the parties. Plaintiff stated that Mr. Devlin had called in his store and ordered a pair of pants from him and that he desired them made by Mr. Treveltham. He further stated that he had settled with Mr. T. for making the pants a few months after the work had been done, but denied having charged Mr. T. with the cloth or trimmings. Defendant disputed liability and alleged that he had ordered the pants from Mr. Treveltham, who made them, and had paid him for them. He had merely gone to Mr. Crosby's to choose the cloth. In answer to His Honor, Mr. Devlin stated that when in Mr. Crosby's store he did not tell Mr. C. that Mr. Treveltham or any other one would pay for the cloth. His Honor then sent for Mr. Treveltham, who, on being examined, deposed that he had made the pants sued on for Mr. Crosby, and had, with Mr. Crosby's consent, delivered them when finished to Mr. Devlin. The pants had not been ordered by Mr. Devlin from him, and he had not been paid for them by Mr. D. About the time the pants were made Mr. D. paid him \$7 on an account due by Mr. D. to him for certain coloring work done. The only payment he had received on these pants was for making them, from Mr. Crosby, a few months after the work had been done. Two or three witnesses who had heard parts of conversations between the parties were examined, but no further light was thrown on the case. Judgment was given for plaintiff for the amount sued with costs. A. G. F. Lawrence for plaintiff; Wm. Cook for defendant. . . . Alice J. Atkinson vs. J. Davidson for \$163. This suit was for payment of amount of promissory note and interest. The defence consisted partly of matters beyond the jurisdiction of the Division Court, and which, therefore, was not gone into, and also for certain work, &c., done by defendant for plaintiff. Part of this was admitted by the plaintiff, and evidence was given at length by both parties on same. Judgment was given for plaintiff for \$143 and costs. A. M. Taylor for plaintiff; A. G. F. Lawrence for defendant. . . . W. H. Stewart vs. F. Whitlock and F. Keech for \$29 50 being amount of promissory note and interest. Judgment for plaintiff with costs. A. G. F. Lawrence for plaintiff. Next sitting on Saturday, Nov. 19th next.

35,000 BOYS

—IN—

TORONTO, and more to follow—what an undertaking to supply them with CLOTHING. We don't do it all, but we sell our share. Our sales in this department double every year, till now, at the smallest calculation, we sell 10,000 Boys' Suits a year, and we fully expect that our sales this year will not fall short of 20,000 Suits. This seems a great deal, and some of you may reasonably doubt it—nevertheless we are prepared to prove our statements and show to the satisfaction of everyone that we do the largest trade in Boys' Clothing in Canada. Where do they all come from? We'll try and tell you:—

Those little Sailor Suits at \$1.50, that we never have enough of, come from over the sea—they could not be produced in this country for less than \$3.50; then the little Halifax Tweed Suits at \$1.50 come from the same quarter, and those parents who have bought this line from us say that it is a real pleasure to have boys when they can be clothed so neatly and at such little cost. Again, England supplies those Corduroy Suits that never wear out, and remind old country people of their childhood, playing about the green lanes of their native village.

GERMANY is away ahead in plaited and fancy suits, and though their goods are not quite as substantial as those of English or Canadian manufacture, they excel in design and nobby styles. It is an extraordinary fact that amid the keenest competition English manufacturers have ever maintained the highest standard of durability in their fabrics—very often sacrificing style of quality—while the Germans seem to plit their entire energy into design and style, forgetting that people require a durable as well as a stylish garment.

FRANCE sends us some of the finest and prettiest suits, but the difficulty with French Clothing is its enormous cost and unsuitable styles for Canadian trade.

CANADA. Last, but not least, comes our own country, and let it be said to her credit that like the mother country, England, the standard of quality is maintained in her cloth manufacturers.

We make up thousands of suits ourselves, employing hundreds of hands—men and women throughout the surrounding country—paying out in wages from \$10,000 to \$50,000, and many a little cottage in the suburbs has been paid for out of the savings of our employees,—and now a word about prices.
