**Fire Brigade Meeting.**  
 The regular monthly meeting of the Richmond Hill Fire Brigade will be held to-morrow (Friday) evening at 8 o'clock. Members should bear in mind that this will be the last practice of the season, and should therefore be in their places in good time.

**Langing Fair.**  
 Quite a number of people visited the Fall Fair held at Langing last Thursday. The number of entries, the show of stock, and in fact all the departments were remarkably good for a local Fair. The attendance was also large. The Richmond Hill Band furnished the music.

**Gospel Song Service.**  
 Next Sunday ev'g instead of the regular service in the Methodist Church, there will be a Gospel Song Service, conducted by Rev. Mr. Simpson. The choir will introduce several new pieces and an interesting programme may be looked for.

**Fall Fairs.**  
 Markham Fair is being held to-day, and will be continued to-morrow. Newmarket Fair will be held next Tuesday and Wednesday, the 11th and 12th of October, and West York & Vaughan Fair will take place on the two following days, the 13th and 14th of October, at Woodruid.

**Saturday's Globe.**  
 We are receiving many orders for Saturday's Globe. This is not to be wondered at as the proprietors are making a special feature of this number. It will always be a sixteen or twenty page sheet, full of original and interesting matter from the pens of the best writers and will be a most spicy and readable sheet. Leave your orders at THE LIBERAL Store.

**Annual Meeting.**  
 Notice is given on another page of the Annual Meeting of the East York Reform Association, to be held at Unionville on Saturday, the 15th inst. The representatives of the Riding for both Local and Dominion Legislatures are expected to be present. A full attendance is requested from every subdivision.

**Mail Bags Changed.**  
 Owing to a mistake made by the mail clerks on the train from Toronto last Saturday morning, Richmond Hill people had no dailies on that day until the afternoon. The mistake was in tying the tags on the wrong mail bags, we receiving Maple, and vice versa. The only consolation was in knowing that Maple would suffer the same inconvenience as ourselves. Mr. Proctor made matters right at noon.

**Return of Convictions.**  
 The Return of Convictions for York County for the past quarter was given in the Aurora Banner last week. The schedule is a long one and some of the offences are of more than a minor nature. No less than 50 convictions were made by J. M. Wingfield, Esq., Parkdale. Sad to say the longest punishment was inflicted on two females, by J. P's Yule and Luudy, of Aurora, the sentence being six months in gaol. The only offender sentenced in this village was one for contravening the sanitary laws.

**Change of Business.**  
 On another page will be found Mr. B. Grennan's Card of Thanks to his numerous friends and patrons previous to his removing to Aurora, and introduction of Mr. Neville, who has purchased the business and good will. The latter gentleman who, until recently, had been in business in the same line in the village of Warkworth, comes highly recommended, and we trust he will prove a worthy successor to Mr. Grennan. We bespeak for him a fair share of the public patronage.

**A \$65 Prize.**  
 At the four days' Fair held in Port Perry last week, Miss L. Wright, of this place, succeeded in carrying off the palm as an equestrienne, winning a \$65 prize. She rode the noted "Sally Snobbs," a thorough-bred blood mare, owned by Mr. A. E. Cloughton. Miss Wright's fame in horsemanship is now fully established, and we believe it is her intention to withdraw from contests at public Exhibitions, after this season.

**No Quorum.**  
 Reeve Pugsley and Councillor Sanderson were in their places at the Council board last Monday evening, but as none of their colleagues put in an appearance they were obliged to adjourn for want of a quorum. Some of the councillors apparently believe in the adage, "Business before Pleasure." It would have been better for the village had they come to this conclusion before they subscribed their oath of office last January.

**Fresh Cider.**  
 Mr. W. Mager has posters out announcing that he is prepared to make cider for the public at one cent a gallon. His press is in connection with Boyle's mill, on Patterson side line, half a mile west of this village. Cider made by the latest improved process. Mr. Mager is also prepared to do grain churning for the farmers in the surrounding neighborhood. He solicits patronage and guarantees satisfaction.

**Painful Accident.**  
 Mrs. Andrews, of Springhill, mother of Mr. B. Andrews and Mrs. A. J. Rupert, of this village, suffered a painful accident last Saturday. She was visiting with her daughter, Mrs. Donogh, in Toronto, and while coming down stairs she fell when near the bottom and broke a small bone in her left shoulder. It is to be hoped it will not prove serious, but the Dr. says it will be five or six weeks before the bandages can be removed. Mrs. Andrews has been very unfortunate, as it is only a few years since she had her hip broken in alighting from a buggy, the horse having become frightened at a passing train.

**No Meeting.**  
 The regular monthly meeting of Richmond Hill School Board was called for last Monday, but no quorum could be raised. The following members were present—Messrs. Brown, Lynet, Naughton, McCaughey, Glass and Dr. Wilson. By this it seems that the re-engaging of teachers will be left till the November meeting. To us this appears unjust, as every teacher should know for a certainty before November where he or she is to be stationed for the ensuing year. It would be only fair to all parties to call a special meeting at once.

**Football Club.**  
 A football club was organized last (Wednesday) evening in Richmond Hill. The following were elected officers—Honorary President, T. H. Redditt, B. A.; President, T. F. McMahon; Vice-President, F. McCaughey, sr.; Captain, Dr. J. A. Palmer; Secretary, W. D. Atkinson; Treasurer, J. McCaughey. Managing Committee, W. Wiley, A. Mager, C. Soules, J. Haffey, S. Searie, C. Trevethan and W. Munshaw. As Richmond Hill is surrounded by many superior teams, the newly formed club expects, and is prepared, to accept challenges at once.

**Edward O. Graham.**  
 The popular and well known Nurseryman of Rochester, N. Y., desires to make arrangements with one or two live, energetic men to take orders for his Nursery stock. He has a choice stock, including fine socialities. His inducements to beginners are particularly advantageous. He fulfills all his promises, and guarantees to furnish strictly first-class stock. He can give active, square, upright men good positions, and desires to communicate with a few such men, with a view of securing their services. Write to him as soon as you have read this for terms and particulars. Remember, only square dealing men need apply. Address, EDW. O. GRAHAM, Nurseryman, Rochester, N. Y. 8-9

**Football Match.**  
 A friendly game of Football took place on the Park here last Saturday between an English team hailing from Thornhill and vicinity, and eleven players from Richmond Hill. The home team won by three goals to none, after a hot contest. The following are the names of the respective teams: English Eleven—D. Hastings Porter (Captain), Chas. Porter, Edwin Langstaff, Harry Sylvester, Lee McAllam, Hugh Rose, Richard Isaacson, Wm. Barry, Francis Irdell, Mark Wilson and Charles McCaughey. Richmond Hill—J. A. Palmer (Captain), J. McCaughey, R. Langstaff, B. Haffey, F. McCaughey, T. F. McMahon, J. Haffey, H. McCaughey, J. Piper, C. Soules and Wm. Munshaw. Mr. E. F. Langstaff acted as referee and director of ceremonies. The agreement was to play 1 hour and 30 minutes. The English team won the toss and chose to play the first half time up grade, preferring to leave the easiest work for the last 45 minutes. This proved disastrous to them, as during the first half time the home team scored three goals, having the advantage of playing down the slope, and likewise with a strong wind. The visitors are a heavy, well-built set of young men, but are more adapted for Rugby Football than the game as played under the Association rules. During the last half time they played a strong defence game, and warded off many kicks when the ball would have gone under the tape. The home team worked better together, and what they lacked in weight they more than made up in agility. But the visitors made some magnificent kicks, and many times were loudly applauded. It is only just to say that two of their best players were absent, and they were therefore compelled to select two others after they had taken their places on the field. The game from start to finish seemed to be thoroughly enjoyed by the spectators, who cheered lustily whenever a clever kick was made, or more particularly when a player accidentally measured his length on the grass. Many sharp scrimmages took place, but no dispute arose which was not, in a few seconds, amicably settled by the referee. We would give a fuller account and speak of individual play on each side, but the clubs intend meeting on the same ground in a week or two, when the Englishmen propose bringing a full eleven who will prove themselves worthy of the country which they represent.

**At Carrville Methodist Church.**  
 On Sunday last Carrville Methodist church was re-opened by sermons appropriate to the occasion. The building was well filled in the forenoon, afternoon, and evening, and good collections were realized. Although the weather was disagreeable on Monday, a large crowd gathered for the Harvest Home Festival in the evening, and a very pleasant time was the result. The dinner was served in the shed, which had been fitted up into a comfortable dining room, and was far above the standard. The waiters were obliging and attentive and everything was done to make the large crowd enjoy a hearty meal. Immediately after dinner the friends repaired to the church, where the intellectual feast commenced at 8 o'clock p. m. The pastor, Rev. Mr. Pearen after explaining, with regret, that Rev. Mr. Joffile and Dr. Gilmour would be unavoidably absent on account of sickness in their respective households, read a financial statement of the trustees of the church showing that over \$500 had been recently expended on repairs, and that this amount had been realized with the exception of \$80. Rev. Mr. Simpson was asked to solicit subscriptions in order to free the church from the debt, and so pleasantly and unobtrusively did he manage the task that the deficiency was made up in a few minutes. The choir was ably filled by P. Patterson, Esq. He congratulated the people of Carrville on the neatness of their church, which had undergone a complete renovation, and spoke in feeling terms of the warmth of feeling which had always existed between that place and Patterson. Rev. Mr. Camelon gave a suitable Harvest Home address bearing on that festival principally as it was observed in former days. The church choir, assisted by Miss Eastwood, of Toronto, Mrs. G. Cook, of Hope, and Messrs. Atkinson and Hume, of Richmond Hill, rendered the musical part of the entertainment in a manner which could not fail to be appreciated by the intelligent audience. Mrs. A. J. Hume acted as organist. The windows of the church, the door, lamps, clock, &c., were neatly and tastefully decorated with rich fruits of all kinds, and the products of the field, and looked extremely beautiful. At the close of the evening's programme, an autograph quilt, on which more than \$100 had been already realized, was purchased by Mrs. J. Coombs,

# 35,000 BOYS

TORONTO, and more to follow—what an undertaking to supply them with CLOTHING. We don't do it all, but we sell our share. Our sales in this department double every year, till now, at the smallest calculation, we sell 10,000 Boys' Suits a year, and we fully expect that our sales this year will not fall short of 20,000 Suits. This seems a great deal, and some of you may reasonably doubt it—nevertheless we are prepared to prove our statements and show to the satisfaction of everyone that we do the largest trade in Boys' Clothing in Canada. Where do they all come from? We'll try and tell you:—

Those little Sailor Suits at \$1.50, that we never have enough of, come from over the sea—they could not be produced in this country for less than \$3.50; then the little Halifax Tweed Suits at \$1.50 come from the same quarter, and those parents who have bought this line from us say that it is a real pleasure to have boys when they can be clothed so neatly and at such little cost. Again, England supplies those Corduroy Suits that never wear out, and remind old country people of their childhood, playing about the green lanes of their native village. GERMANY is away ahead in plaited and fancy suits, and though their goods are not quite as substantial as those of English or Canadian manufacture, they excel in design and nobby styles. It is an extraordinary fact that amid the keenest competition English manufacturers have ever maintained the highest standard of durability in their fabrics—very often sacrificing style of quality—while the Germans seem to put their entire energy into design and style, forgetting that people require a durable as well as a stylish garment.

FRANCE sends us some of the finest and prettiest suits, but the difficulty with French Clothing is its enormous cost and unsuitable styles for Canadian trade. CANADA. Last, but not least, comes our own country, and let it be said to her credit that like the mother country, England, the standard of quality is maintained in her cloth manufacturers.

We make up thousands of suits ourselves, employing hundreds of hands—men and women throughout the surrounding country—paying out in wages from \$40,000 to \$50,000, and many a little cottage in the suburbs has been paid for out of the savings of our employees,—and now a word about prices.

- Boys' Blue Serge Suits, only 98c.
- Boys' Brown Serge Suits, only 98c.
- Boys' Halifax Tread Suits, only \$1.50.
- Boys' Sailor suits, only \$1.50.
- Boys' Corduroy suits, only \$2.50.
- Boys' Fancy Plaited suits.
