would encourage loafers.

An attempt was made on Wednesday afternoon in London to blow up the Carlton Club. The explosion took place in the basement, and blew out all the first floor windows and injured four persons.

Sir Charles Dilke's first of a series of articles in the Fortnightly Review on the British army, renews the alarmist views that Great Britain is unprepared to cope with any of the great European powers.

It has been discovered that a ferryman on the Lower Danube was in the habit of frequently killing his passengers, who were mostly workmen, robbing them and concealing his crime by burning their bodies.

It is understood that the Czar will return to Moscow via Germany and will have an interview with Emperor William, but the meeting will be shorn of all political significance by the intentional absence of M. de Giers and Prince Bismarck.

Ontario Farm Statistics.

According to the annual report of the Bureau of Industries of the Province of Ontario, just published, the number of acres of land cleared in this Province were in :-

1883..... 10,539,557 1884..... 10,736,086 1885..... 10,856,283 The number of acres cleared was :-In 1884.......... 196,527 acres. 1885......120,197 " 1886..... 82,188 "

The quantity of land taken up from 1883 to 1886 was very small. In 1883 the total number of acres assessed, cleared, woodland only 21,758,795. The increase in those years was somewhat less than 300,000 acres. nearly 400,000 acres.

greater in 1883 than it has been since, as the successfully treated by physicians. following figures show :-

1885......,7,350,443 " 1886.....7,403,281 "

The number of acres under fall wheat was 1,097,210 in 1883 and only 886,402 in 1886. The area under spring wheat increased from 586,410 in 1883 to 799,463 in 1885, but in 1886 it was only 577,465 acres. taking charge of the northern and the other It was promised that the production of corn would be especially stimulated. But in 1883 there were 214,237 ernment break water a: Port Arthur now acres under that crop, and in 1886 remains to be completed. The total length only 156,494 acres. The area under poof the work is 3,600 feet, and will cost when tatoes was very small, having been only always young" would find more readers. finished \$350,000. It will give Port Arthur | 140,143 acres, a falling off of more than 20,000 acres; 735,778 acres was sown in barley, a considerable increase over the acreage of 1885, but a falling off of over 21,000 acres as compared with 1883. In oats there was an increase of over 200,000 acres, the total area being 1,621,901 acres. Next to wheat, oats is the most important of our grain crops. In the acreage of pea crops there was an increase, the total being 703,936 acres. Only 98,931 acres were given to turnips. Hay and clover covered 2,295,151 acres. This was a slight increase.

> 68.8 per cent of the cleared land has been kept under crops on the average of five years, and last year 3,026,321 acres were devoted to pasturage, a slight increase in the acreage of the year previous.

Jenny Lind.

P. T. Barnum gives some interesting re-There have been 5,432 cases of smallpox in miniscences of Jenny Lind. "My autobiography," said the veteran showman, "gives nearly all I can say about Jenny Lind. Her natural impulses were most noble and good; I never met a person so susceptible to the wants, needs or sufferings of others. I could at any time make her tears flow by relating some case of want, and her dollars would flow freely with her tears. by on the other side" when she could relieve the sorrow of any being, however humble."

singing in Boston. "A poor working girl," he said, "thrust three dollars into the hands of the ticket seller at the Boston The Pope is said to be displeased at the Temple for a back seat at Jenny's concert. On receiving the ticket she said: 'There goes my wages for one week, but I must tary, her cousin, Max Hjortzberg, heard the remark and immediately went to the green room, and laughingly told it to Jenny. I shall never forget how she jumped to her feet and exclaimed: Oh, this must not be ! Poor girl, she shall not lose her money '-It is wicked! Max, take this money'handing him a twenty-dollar gold piece-'search out that dear creature and put it in her hands with my love. God bless her ! Cousin Max found the girl, gave her the money and message, and witnessed a flood of grateful tears from the working girl's eyes. If she is alive to-day she will remember it.

"When I was struggling against the Jerome clock debts, in 1858, Mr. Barnum went on, "I took my wife and children to London. One day Jenny's husband, Otto Goldsmith, called on me and said, 'Mrs. Lind, hearing of your financial unisfortune, desired me to call on you and say if a few hundred pounds, or a thousand, will serve to relieve your present wants, I am to hand will take your family there she will gladly find you apartments at a low rent, and we shall both be glad to render you any service we can." The kind offer was declined with thanks, but it shows the charitable character of this almost angelic woman.

The Great Eastern.

The steamer Great Eastern, which originally cost £732,000, and was sold to Mr. The French demand from the Sultan of Worsley a year ago for £26,000, was again for the late owner.

Do Not Forget It.
