

**DISASTROUS.**—The most intense excitement is felt in the flourishing village of Richmond Hill and its surroundings, as facts are revealed, of numerous families who are dyeing, in the most beautiful colors; in fact all the colors of the rainbow, by using the popular Sun Set Dyes, only five cents a package. Sold in the city only by Joseph Dilworth, the Druggist, 170 King St. East, between the Clyde and Nipissing Hotels, Toronto.

**Carrville**

From our own Correspondent

The town of Carrville has been flourishing, although your correspondent has apparently been asleep. The farmers are nearly through fall plowing and the root and the fruit crops have been gathered in. Some of our young men were successful in taking prizes at the plowing matches, John Prentice taking 2nd, in third class at Vaughan match and 4th, in the same class at the one in King. Robert Walkington also took 2nd in the boys' class at the Vaughan match. The awards were said to be very fair but we do not see what those three young ladies were doing that John is not able to treat his friends to a cigar.

Mr. Davidson has paid our school a visit since our town was last heard from and reported the school in a satisfactory condition.

The Uniform Promotion Examinations were held in our school on Friday last, and no doubt some of the pupils will be made happy by being put forward.

The trustees of our school have engaged Miss Bertie Page, of Concord, our present teacher. Mr. J. E. Tyndall having resigned on account of having to attend Normal School in Toronto next session.

The Methodists of this place have been holding revival services in the church for the past two weeks; they have been fairly successful.

Diphtheria is reported to be prevalent in some parts of the section, and we are sorry to report the deaths of two of Mr. Keffer's children from this disease.

**GOOD NEWS.**—It isn't generally understood that the electric light may some day or other line the farmers' path-way up Yonge Street to Richmond Hill. Won't that be grand? In the meantime, I would advise every farmer along the route and every concession to use the great Rock Spring Coal Oil. The price is so low that you will hold your breath when you hear it pronounced by Dilworth The Druggist, between the Clyde and Nipissing Hotel, Toronto.
