42 YEARS

Sincerely for forty-two years the Weekly Witness has held to principles which have stood the test of time, ridicule and of opposition, fair and unfair, and the Witness to-day speaks to sixty where in 1846 it spoke to one. Its growth has been both rapid and steady. Its publishers, desirous of still further increasing its circulation, have this year gone to large expense to secure a reproduction of the The Latest Masterpiece of Davidson Knowles (who was selected by Queen Victoria to paint the scenes at Princess Beatrice's wedding) entitled

Suffer the Little Children to Come Unto Me.

It depicts the memorable scene with startling realism, reproducing in oils all the richness of Oriental Coloring. The picture, executed by the greatest art firm in England, would bring 150 if sold, but is reserved exclusively for subscribers to the Witness.

The price of the Weekly Witness and picture is 125 the paper alone, 100.

In 1860 the Daily Witness was launched, and, like the Weekly, to advocate the same principles regardless of cost. The picture, "Suffer the little children to come unto me" and the Daily Witness, 3.25 a year; the paper alone, 2.00.

The Northern Messenger still continues to be the favorite in the home circle and in the Sabbath school, and commencing with January first with new type, finer paper, and other improvements, will be more attractive than ever. Prizes of books are given to friends who canvass for it. Annual subscription 30c., with red clon to clubs. Sample copies of the different publications mailed on application. Agents wanted in every town and village.

J. H. DOUGALL & SON, Publishers, Montreal.

Fire Insurance.

Farmers protect your buildings from fire and lightning by insuring in the **GORE DISTRICT MUTUAL FIRE INSURANCE CO.,** Head Office Galt, County of Waterloo; Established 1836.

The number of policies issued in the year 1886 was 2,616, and the number in force at the end of the year 6,273, insuring \$6,867,679.31, showing an increase of nearly \$400,000.00 over the amount at risk at end of 1885. The income for the year was \$87,078.92.

Total assets available to meet losses has increased from \$218,986.00 to \$238,264.00 in the year 1886, the increase being within a trifle of \$20,000.

The number of losses for the past year was 108, and the amount of loss \$57,887.27, of which \$4,315.28 was reinsured, making the net loss \$53,573.99.

This Company has deposited \$20,000 with the Ontario Government, being more than double what the law requires, but it gives the GORE a still stronger hold upon public confidence.

Damage by lightning to stock while in field, is promptly paid by the Gore, (the actual payment being two-thirds of the value of animal).

Parties whose barns are wrecked by lightning are indemnified to full extent of wreckage. Farmers can save money by insuring in the Gore. This Company has been established fifty-one years. The Gore is one of the oldest and most reliable Mutuals in Canada. All communications promptly attended to.
