In addition to choice music and singing specially prepared the Rev. J. W. Totten, of Markham, and the Rev. C. A. Simpson, of Willowdale, have promised to be present and deliver addresses. Tea served from 6 to 7.30 p. m. All are cordially invited. Tickets 25 Cents; Children 15 Cents.

Public Notice.
 By order of the Council of the Township of Vaughan, Mr. J. M. Lawrence, Clerk, has posters out giving notice that the Council purpose passing a by-law at the next meeting to stop up what is known as the Shaver Road, through the east halves of Lots 11, 12 and 13 in the 8th Concession. This step is taken in accordance with a petition signed by Mr. Geo. Elliott and seventy-eight others. All parties interested in said road are notified to govern themselves accordingly.

Easily Settled.
 A couple of "Toughs" were brought before James M. Lawrence, Esq. J. P. on Wednesday, charged by Constable Brownlee with being "drunk and disorderly." There is, however, no evidence to report, as the visitors were allowed to settle by each paying \$5 and costs. Any person hearing the language used on the public street last Friday evening would have said the culprits should get at least three months hard labor.

Bought for \$200.
 Mr. W. Atkinson has bought the frame cottage recently owned and occupied by Captain James McConnell and family. The house is nicely located, and is a desirable residence for a small family. The price paid was \$200. This however, does not include the land, which is the property of the Presbyterian church.

A Prominent Citizen Dead.
 On Friday Feb. 10th were interred in the Aurora cemetery the remains of Jared Lloyd, one of the most prominent citizens of Whitechurch Township. Mr. Lloyd visited Aurora on Saturday last and transacted some business, shortly after which he was stricken down and died Wednesday evening. He was a life-long Reformer, and has always taken a forward place in Temperance, Church and Sabbath school work, and as a magistrate his course has been characterized as strictly upright. He leaves a wife, two sons and one daughter. The vacancy caused by his death will be seriously felt, both as a citizen and a Christian worker. - *Stouffville Advance.*

Large consignments of Spring Goods - Ex. S. S. State of Nebraska and Anchoria, from Glasgow, now passing through the custom house for the Concrete. Prints, Cretonnes, Dress Goods, Ribbons, Laces, Embroideries, Oxtord Shirts, Crankie Shirts, Scotch Tweeds, Worsted and Pantings, &c., will be offered at figures lower than ever touched before in the County of York.

Women Voters.
 Last week some of the ladies of the W. C. T. Union were around the village getting signatures to a petition asking the Ontario Legislature, now in session, to pass an act giving the franchise to widows and unmarried women possessing the necessary property qualification, as well as men. Last session an attempt was made to confer the right to vote on all women having the necessary qualifications, whether married or single. In our opinion the Legislature were wise in voting down such a proposal. But the last move is altogether different. The ground taken is that all property should be represented. At present widows and spinsters are allowed to vote at Municipal elections, and we see no reason why the same privilege should not be extended in the case of members to the Legislative Assembly.

Wedding Bells.
 On Wednesday evening, the 22nd inst., a very pleasant assembly met at the residence of S. T. Humberstone, Esq., Newton Brook, to witness the marriage of Oscar J. Brown, of Richmond Hill, to Miss Mina Speight, sister of Mrs. S. T. Humberstone, and youngest daughter of the late Samuel Speight, Esq., of Acton West. The ceremony was performed by the Rev. Canon Osler, Rector of St. John's Church, York Mills. The bride, resplendent in her well-chosen costume, quite surpassed her usual loveliness. The bridesmaid, Miss Gussie Speight, of Markham, was really charming. The groom was attended by his brother, Mr. Benjamin Brown. The numerous presents were valuable and useful. Two very handsome Family Bibles appeared among the collection, one being the gift of Mr. and Mrs. J. Brown, of Richmond Hill. After partaking of a sumptuous repast and enduring a small boy serenade, the party dispersed, the bride and groom leaving on their tour, taking with them the best wishes of their many friends. - *Com.*

"The Wrongs of Humanity"
 Last Sabbath evening the Rev. Mr. Percival preached an eloquent sermon to a large congregation in the Presbyterian church, on "the wrongs of humanity" taking as his text Lamentations 3rd Chap. Verses 35 and 36 "To turn aside the right of a man before the face of the most high. To subvert a man in his cause the Lord approveth not." The wrongs of humanity he divided into two great classes, the external and the internal. Under the former he dwelt at length on the wrongs man suffered under, the existing land laws particularly those of the old land. There the ownership of the soil was vested in the hands of a comparative few and it was practically impossible the poor, horny handed sons of toil to ever hold a foot of it. Under the wrongs of government he laid down the principle that those to whom the affairs of the state were entrusted should conduct them in as judicious and economical a manner as they do their own private affairs. In his judgment it was wrong to shelve and superannuate a servant of the state who is but in the prime of life to make room for some political friend and thereby increase the taxation of the country. Amongst other points reviewed were labour laws, socialism, servility, commercial dishonesty and intemperance. He urged the claims of temperance not only in regard to intoxicating liquors but in its broader sense to be "temperate in all things." Some there are who in regard to intoxicating liquors would neither touch, taste nor handle, but who are intemperate in words and deeds. This should not be. In concluding he stated that the righting of man's rights and the remedy for his wrongs were not to be had by loud declamations and in urging the people against constituted authority but in educating the people with sound knowledge viz:- the Ethics of Christianity. To realize that we are a common brotherhood and to act out the principles of the golden rule "whatever ye would that men should do to you, do ye even so to them." The sermon was an able effort to deal from a scriptural standpoint with those great and difficult social problems which are day by day demanding solution.

Hose Practice.
 The first of a series of practices for a Hose contest which will take place on the Park on the first Friday in May, was held in the Council chamber last Monday night. Any member of the Brigade, in good standing, is eligible to become a competitor. Each coupler draws his mate by lot. The contest consists of making four couplings; two loose couplings to be made and two tight ones to be broken. At the first practice six pairs of couplers started as follows:- No. 1, Innes & Wright; 2, Trevethan & Atkinson; 3, Donnelly & French; 4, Nicholls & Morrison; 5, Savage & Sanderson; 6, McLean & Ashton. After three trials for each team it was found that No. 6 stood ahead by 9 seconds. No doubt the average will be brought down each night till the final. The prizes will be the same as last year, but a sweepstakes will afterwards be given to the fastest pair who may have the privilege of selecting their own mate

Bond's Lake Races.
 The matinee held on the ice, Bond's Lake, on Friday, was scarcely up to that of last year. The committee could not have asked for a more delightful day. The attendance was large and the track was in admirable condition. From the "horse talk" indulged in previous to the day it was expected that many entries would be made in each race, but when time was called it was found that several of the owners of the fast horses in the surrounding parts had changed their minds. In the Gentlemen's Road Race, W. R. Proctor's Lady Banker had it all her own way, and the same might be said of Walter Palmer's C. P. R. in the Green Race. The judges were Messrs. F. Percy, Markham Village, R. Hewitt, Newmarket and W. Meek, Victoria Square. Messrs. A. J. Rupert and J. Sutherland acted as patrol judges. The only dispute was in the first heat of the Green Race when it was claimed by the driver of "Black George" that "Hopeful's" jockey performed some Handy Andy tricks behind the bush. The protest however, being referred to the patrol judges, was disallowed. The following are the names and positions at the close.

 Walter Palmer's, C. P. R. 1 1 1

MARRIAGES
 BROWN-SPEIGHT-On Wednesday, the 22nd of February, at the residence of the bride's brother-in-law, S. T. Humberstone, Esq., by the Rev. Canon Osler, of York Mills, Oscar Jerrard, youngest son of John Brown, Esq., of Richmond Hill, to Willalmina Adaboul, youngest daughter of the late Samuel Speight of Acton West.

DISASTROUS.-The most intense excitement is felt in the flourishing village of Richmond Hill and its surroundings, as facts are revealed, of numerous families who are dyeing, in the most beautiful colors; in fact all the colors of the rainbow, by using the popular Sun Set Dyes, only five cents a package. Maple

From our own Correspondent.
 A large audience attended the concert given by the Choir of St. Andrew's church, Toronto, last Friday evening, in the Presbyterian church, in behalf of the organ fund. The choir consisted of about 30 voices, led by Mr. Grant, and gave a most pleasing and acceptable entertainment. It would be invidious to make comparisons when every part was so well sustained. suffice it to say that it was a rich intellectual treat. After the concert the choir were entertained at the residence of Mrs. Noble, and were then driven to the city.

Mr. Ephraim Line sold a valuable team of horses to the American buyers last week, realizing somewhere in the neighborhood of \$500

Rev. Michael Fawcett, who has been visiting in this village, preached twice last Sabbath at Hope, where revival services are being held.

A fire broke out in a frame house at Cranberry Marshville, occupied by a family named McGrady, caused by a defective stove-pipe, and consumed the building, the family barely escaping. We understand some of the neighbors went around and collected a considerable amount for them the next day, as they are very destitute.

Another shoemaker has struck our town and may be found at Rumble's shop, where he will attend to customers on the shortest notice.

Great excitement throughout the neighborhood of Richmond Hill over a very startling letter received from Wm. Turner, of Whitechurch, speaking in the highest terms of "Japanese Catarrh Cure." He says, "I have used one box, and I think one more will cure me. Mine was a very bad case of catarrh." Cures stuffing of the nose so troublesome to children, cold in the head, nose or throat. Sample box, 25 cents; large size, 50 cents. Joseph Dilworth, Chemist, 170 King St. East, next door to Nipissing Hotel, Toronto.

MANUFACTURERS' FORCED SALE!

Owing to the heavy bank failures and the great stringency in the money market we have had offered to us and have completed arrangements for the purchase of some enormous lots of goods-for cash-at prices never before thought of even by the most idle dreamer. Everywhere throughout the Dominion the increased rate of discount and the scarcity of money are causing the over-gorged and plethoric manufacturers to "clamor aloud for clemency." Great firms are today almost tottering into bankruptcy. Wealthy mill-owners and manufacturers are now, for the first time since 1857, "on their knees," and unless confidence can be restored to the business community and the present apprehension of danger averted, who can tell what dire calamity may befall the country? While this state of things continues the tremendous efficacy of "hard cash," like the philosopher's stone of old, is working marvels and prodigies indeed. For the next thirty days, or while the goods last, or the manufacturers will supply goods at similar prices, we offer:
