**Temperance & General Life Assurance Co.**

HON. G. W. ROSS, Minister of Education, PRESIDENT;

HON. S. H. BLAKE, } VICE PRESIDENTS  
ROBT. MCLEAN, ESQ., }

HEAD OFFICE—MANNING ARCADE, TORONTO.

Purely a Canadian Company

The following is a statement of the business for the year ending 31st of Dec. 1887:—The number of applications for assurance was 1050 for \$1,770,109; declined, held in abeyance and not taken up, \$3 for \$164,500; leaving 967 for \$1,605,600, with an annual premium income of \$83,289 96.

Our business for the second year has never before been reached by any other Canadian Company in its second year, and with only one death claim for \$1,000, and that caused by accident.

To enable the people of King and Vaughan Townships more fully to understand our success, we take from the returns of the leading Canadian Companies to the Superintendent of Insurance, the following facts concerning their new business:—The Canada Life for its 22nd year issued 881 policies for \$1,156,855, the Confederation for its 5th year issued 1005 for \$1,383,000, the Sun Life for its 5th year issued 324 policies for \$465,119, and for its 10th year 573 policies for \$926,370. The Ontario Mutual for its 10th year issued 427 policies for \$490,000; The North American Life Assurance Co. for its 3rd year issued \$27 policies for \$1,347,088.

On making comparison with British Companies established on principles similar to our own, we find the business of the United Kingdom Temperance and General Provident Institution for its 15th year was \$1,330,250; The Scottish Temperance Life Assurance Co., recently established, in its 3rd year wrote \$732,228.

This Company has been organized by prominent men on the basis of the United Kingdom Temperance and General Provident Institution of Britain, one of the most successful of British Companies, whose experience for the last 20 years was nearly 20 per cent. in favor of total abstainers over their general class.
