Temperance & General Life Assurance Co.

HON. G. W. ROSS, Minister of Education, PRESIDENT;

HON. S. H. BLAKE, } VICE-PRESIDENTS
ROBT. McLEAN, Esq., }

HEAD OFFICE—MANNING ARCADE, TORONTO.

Purely a Canadian Company

The following is a statement of the business for the year ending 31st Dec. 1887.—The number of applications for assurance was 1050 for \$1,770,109; declined, held in abeyance and not taken up, 83 for \$164,500; leaving 967 for \$1,605,600, with an annual premium income of \$83,289 96

Our business for the second year has never before been reached by any other Canadian Company in its second year, and with only one death claim for \$1,000, and that caused by an accident.

To enable the people of King and Vaughan Townships more fully to understand our success, we take from the returns of the leading Canadian Companies to the Superintendent of Insurance, the following facts concerning their new business:—The Canada Life for its 22nd year issued 881 policies for \$1,156,855, the Confederation for its 5th year issued 1005 for \$1,383,600, the Sun Life for its 5th year issued 324 policies for \$465,119, and for its 10th year 573 policies for \$926,370. The Ontario Mutual for its 10th year issued 427 policies for \$490,000; The North American Life Assurance Co. for its 3rd year issued 827 policies for \$1,347,088.

On making comparison with British Companies established on principles similar to our own, we find the business of the United Kingdom Temperance and General Provident Institution for its 15th year was \$1,339,250; The Scottish Temperance Life Assurance Co., recently established, in its 3rd year wrote \$732,228.

This Company has been organized by prominent men on the basis of the United Kingdom Temperance and General Provident Institution of Britain, one of the most successful of British Companies, whose experience for the last 20 years was nearly 20 per cent. in favor of total abstainers over their general class.

The symptoms of which are "Faint spells, purple lips, numbness, palpitation, skip beats, hot flashes, rush of blood to the head, dull pain in the heart with beats, strong, rapid and irregular, the second heart beat quicker than the first, pain about the breast bone, etc." can be cured. A Positive Cure. * A Painless Cure.

FACTS FOR MEN OF ALL AGES.

DISEASES OF MAN. M. V. LUBON'S SPECIFIC NO. 8, THE GREAT HEALTH RENEWER, Marvel of Healing, and Kibinor of Medicines, Cures the terrible consequences of Indiscretion, Exposure and Overwork.

YOUNG, MIDDLE-AGED AND OLD MEN

Who are broken down from the effects of abuse will find in No. 8 a radical cure for nervous debility, organic weakness, involuntary vital losses, etc.

SYMPTOMS FOR WHICH NO. 8 SHOULD BE USED.—Want of energy, vertigo, want of purpose, dimness of sight, aversion to society, want of confidence, avoidance of conversation, desire for solitude, listlessness and inability to fix the attention on a particular subject, cowardice, depression of spirits, dizziness, loss of memory, excitability of temper, spermatorrhea, or loss of the seminal fluid—the result of self-abuse or marital excess—impotency, inunction, emaciation, barrenness, palpitation of the heart, hysteric feelings in females, trembling, melancholy, disturbing dreams, etc., are all symptoms of this terrible habit, oftentimes innocently acquired. In short, the spring of vital force having lost its tension, every function wanes in consequence. Scientific writers and the superintendents of insane asylums unite in ascribing to the effects of self-abuse the great majority of wasted lives which come under their notice. If you are incompetent for the arduous duties of business, incapacitated for the enjoyment of life, No. 8 offers an escape from the effects of early vice. If you are advanced in years, No. 8 will give you full vigor and strength. If you are broken down, physically and morally, from early indiscretion, the result of ignorance and folly, send your address and 10 cents in stamps for M. V. LUBON'S Treatise in Book Form on Diseases of Man. Sealed and secure from observation. Address all communications to **M. V. LUBON, 47 Wellington St. E., Toronto.** A Man without wisdom lives in a fool's paradise. **CURES GUARANTEED. HEAL THE SICK.**

A Permanent Cure. * A Pleasant Cure.

RUPTURE

M. V. LUBON'S RUPTURE REMEDY

For the Speedy Relief and Permanent Cure of Hernia or Rupture.

Lubon's Rupture Remedy was applied exactly in accordance with the directions accompanying each package. The Remedy allays inflammation, separates adhesions, softens indurations, and gradually restores the abdominal wall so that in a few weeks or a few months, depending upon the age of the patient and the length of time he has been ruptured, the use of the truss may be entirely discontinued. A box of the Remedy for a single rupture costs 25 cents, and in recent cases is quite sufficient to effect a permanent cure; a rupture of several years standing naturally requires a larger quantity. Young children are especially cured rapidly; the aid of a truss is simply applying the Remedy evening after evening, rubbing it all in with the hand while the child is lying down. If, however, the rupture is of the inguinal or femoral variety, after several days use, I would recommend that a truss be obtained. These trusses fail to cure; but Lubon's Remedy, with the aid of a truss, never fails.
