Temperance & General Life Assurance Co.

HON. G. W. ROSS, Minister of Education, PRESIDENT;

HON. S. H. BLAKE, } VICE PRESIDENTS
ROBT. McLEAN, ESQ., }

HEAD OFFICE—MANNING ARCADE, TORONTO.

Purely a Canadian Company

The following is a statement of the business for the year ending 31st of Dec. 1887:—The number of applications for assurance was 1050 for \$1,770,109; declined, held in abeyance and not taken up, \$3 for \$164,500; leaving 967 for \$1,605,600, with an annual premium income of \$83,289.96.

Our business for the second year has never before been reached by any other Canadian Company in its second year, and with only one death claim for \$1,000, and that caused by and accident.

To enable the people of King and Vaughan Townships more fully to understand our success, we take from the returns of the leading Canadian Companies to the Superintendent of Insurance, the following facts concerning their new business:—The Canada Life for its 22nd year issued 881 policies for \$1,156,855, the Confederation for its 5th year issued 1005 for \$1,383,600, the Sun Life for its 5th year issued 324 policies for \$465,119, and for its 10th year 573 policies for \$926,370. The Ontario Mutual for its 10th year issued 427 policies for \$490,000; The North American Life Assurance Co. for its 3rd year issued 827 policies for \$1,347,088.

On making comparison with British Companies established on principles similar to our own, we find the business of the United Kingdom Temperance and General Provident Institution for its 15th year was \$1,339,250; The Scottish Temperance Life Assurance Co., recently established, in its 3rd year wrote \$732,228.

This Company has been organized by prominent men on the basis of the United Kingdom Temperance and General Provident Institution of Britain, one of the most successful of British Companies, whose experience for the last 20 years was nearly 20 per cent. in favor of total abstainers over their general class.

J. T. SAIGEON, Agent, Springhill.

S. HOLLAND, Local Agent, Bradford.

THE Scientific American,

The Most Popular Scientific Paper in the World.

ESTABLISHED 1845.

Weekly, \$3.00 a Year.

\$1.50 for Six Months

This unrivaled periodical, which has been published by Munn & Co. for more than forty years, continues to maintain its high reputation for excellence, and enjoys the largest circulation ever attained by any scientific publication. Every number contains sixteen pages, beautifully printed, elegantly illustrated; it presents in popular style a descriptive record of the most novel, interesting and important advances in Science, Art, and Manufactures. It shows the progress of the world in respect to New Discoveries and improvements, embracing Machinery, Mechanical Works, Engineering in all branches, Chemistry, Metallurgy, Electricity, Light, Heat, Architecture, Domestic Economy, Agriculture, Natural History, &c.

The Scientific American should have a place in every dwelling, shop office, school or library. Workmen, Foremen, Engineers, Superintendents, Directors, Presidents, Owners, Merchants, Farmers, Teachers, Lawyers, Physicians, Clergymen—People in every walk and profession in life, will derive satisfaction and benefit from a regular reading of the SCIENTIFIC AMERICAN. TRY IT.—It will bring you valuable ideas; subscribe for your sons—it will make them mainly self-reliant;—subscribe for your workmen—it will please and assist their labor;—subscribe for your friends—it will be likely to give them a practical life in life. Terms, \$3.00 a year; \$1.50 six months. Remit by Postal Order or Check.

HEART DISEASE

The symptoms of which are: faint spells, purple lips, numbness, palpitation, skip beats, hot flashes, rush of blood to the head, dull pain in the heart with beats, strong, rapid and irregular, the first, pain about the breast bone, etc., can be cured, "in many of the first stages." Send 10c. in stamps for pamphlet and full particulars. Address: **M. V. LUBON, 47 Wellington St. E., Toronto, Ont.**

A Positive Cure. * A Painless Cure.

FACTS FOR MEN OF ALL AGES.

DISEASES OF MAN.
M. V. LUBON'S SPECIFIC NO. 8,
THE GREAT HEALTH RENEWER,
Marvel of Healing, and Kibinoo of Medicines.
Cures the terrible consequences of Indiscretion, Exposure and Overwork.

YOUNG, MIDDLE-AGED AND OLD MEN Who are broken down from the effects of abuse will find in No. 8 a radical cure for nervous debility, organic weakness, involuntary vital losses, etc.

SYMPTOMS FOR WHICH NO. 8 SHOULD BE USED.—Want of energy, vertigo, want of purpose, dimness of sight, aversion to society, want of confidence, avoidance of conversation, desire for solitude, listlessness and inability to fix the attention on a particular subject, cowardice, depression of spirits, giddiness, loss of memory, excitability of temper, spermatorrhoea, or loss of the seminal fluid—the result of self-abuse or marital excess—impotency, inunction, emaciation, barrenness, palpitation of the heart, hysterical feelings in females, trembling, melancholy, disturbing dreams, etc., are all symptoms of this terrible tension, every function wastes in consequence. Scientific writers and the superintendents of insane asylums unite in ascribing to the effects of self-abuse the great majority of wasted lives which come under their notice. If you are incompetent for the arduous duties of business, incapacitated for the enjoyments of life, No. 8 offers an escape from the effects of early vice. If you are advanced in years, No. 8 will give you full vigor and strength. If you are broken down, physically and morally, from early indiscretion, the result of ignorance and folly, send your address and 10c. in stamps for M. V. LUBON'S Treatise in Book Form on Diseases of Man. Sealed and secure from observation. Address all communications to **M. V. LUBON, 47 Wellington St. E., Toronto.** A Man without wisdom lives in a fool's paradise. **CURES GUARANTEED. HEAL THE SICK.**

A Permanent Cure. * A Pleasant Cure.

RUPTURE

M. V. LUBON'S RUPTURE REMEDY

For the Speedy Relief and Permanent Cure of Hernia or Rupture.

Lubon's Rupture Remedy must be applied exactly in accordance with the directions accompanying each package. The Remedy allays inflammation, separates adhesions, softens indurations, and strengthens the abdominal wall, so that in a few weeks or a few months, depending of course upon the age of the patient and the length of time he has been ruptured, the use of the Remedy will be entirely discontinued. A box of the Remedy for a single rupture usually lasts six or eight weeks, and in recent cases is quite sufficient to effect a permanent cure; double rupture and cases of long standing naturally require a larger quantity. Young children are often quickly cured without the aid of a truss by simply applying the Remedy morning and evening, rubbing it well in with the hand while the child is lying down. It, however, the good effects of the Remedy are not apparent after several days' use, I would recommend that a truss be obtained. Trusses always fail to cure; but Lubon's Remedy, with the aid of any good truss, never fails.

Address: **M. V. LUBON, Toronto, Canada.**
