The Largest Book Published. The latest edition of Webster's Unabridged, in the quantity of matter it contains, is believed to be the largest volume published. It will surprise many to know that by printers' careful reckoning it contains eight times the amount of matter that is in the Bible, being sufficient to make 75 12mo. volumes such as usually sell for \$1.25 each.

A Good Idea. The water from the melting snow has been running freely during the week so that Mr. Wm. Trench availed himself of the opportunity of getting a supply in his well at the carriage works. The running water was directed into the tank at the corner of Yonge St. and Lorne Avenue, and from this place it was pumped into his well by means of the fire engine. Engineer Brownlee was Master of Ceremonies.

Mill Accident. An accident which might have been more serious happened at Marsh's mill, at Concord, last Friday morning. This time Mr. Arthur Bateman of Maple, was the victim. He was engaged in scraping up saw dust in the mill when the handle of his shovel was caught by the shaft of the engine and thrown with force out of his grasp. The shovel struck his face making a deep gash over his eye and loosening several of his teeth. It was at first feared his jaw was broken. It seems that to work in a saw mill is to live in the midst of accidents and mishaps.

Collapsed. The Thornhill sensation which, for several weeks last summer kept the residents of the surrounding neighborhoods in more or less excitement over the alleged kidnapping of the English youth, Harry Sylvester, and which boomed the city dailies by affording a small share of gossip, has at last ended in smoke. On Thursday of last week, the defendants, Hastings Porter, Edwin Langstaff and Charles Porter, who were indicted last summer, were discharged, as Mr. Badgrow, the Crown Attorney, had no evidence to offer against them. It appears that Mr. Hiberson, who styled himself Lord Salisbury's deputy, has considerably weakened in the back since he first made his charges.

Leap Year. A leap year load made up of the youth and beauty of the village wended their way southward last evening having for their destination "Fairview" the residence of Mr. J. Morgan, Willowdale. They were hospitably received and agreeably entertained by Mr. & Mrs. Morgan who had invited a number of the fair and stalwart of Willowdale and Lansing to meet the friends from the Hill. Games and amusements were indulged in till an early hour in the morning when all departed for home unanimously agreeing that they had spent a most pleasant evening. The ladies by this time becoming accustomed to acting the role of gentlemen acquitted themselves creditably and if they continue to improve will at the end of leap year put the gentlemen to shame. Come again ladies.

New Books. The officers of the Methodist S. School are increasing their library with about 200 volumes. Their committee have made an excellent selection from the most recently published volumes of Sabbath School literature by the best authors, such as Dr. Withrow, Amelia Barr, Pansy, Rev. E. P. Roe, Jackson Wray and W. Haslam, M. A. Not confining themselves to Sabbath School literature exclusively, they have selected other works of a religious tendency or a high moral tone, books on history, temperance, travel and even remarkable adventures within the bounds of probability. While looking over these splendid volumes we felt like joining the Sabbath School ourselves for the sake of the privilege of having these popular authors introduced to us, and wading into the sea of knowledge spread out before us.

Temperance. We are about to be favored for a week with a visit by the "Rescue Due," under the auspices of the Royal Templars. Messrs. Dunnet & Stafford are a team of temperance workers very highly spoken of, and have been wonderfully successful in Bradford, Newmarket, Aurora, Queensville and many other towns and villages. They are superior singers, and Mr. Dunnett is an able and convincing speaker. Their revival work is in the interest of the churches as well as in the temperance cause, and they are instrumental in awakening both. The meetings will be held in the Temperance Hall, commencing March 31st and continuing till April 31st. All the resident ministers, temperance workers and singers are cordially invited to attend those meetings.

Called Home. It is just one year since THE LIBERAL contained a notice of the marriage of Mr. W. A. McLean, son of Mr. Duncan McLean, of this village, to Miss Eliza Clement, of Maple. The hand of death did not allow the contracting parties to enjoy life long together, as the following item clipped from the Park Hill Review shows:—"On the 28th of Feb., the grim messenger of death visited the village once more, and took from its midst one of its most respected and christian citizens, in the person of Mrs. W. A. McLean. On the 24th ult., Mrs. McLean was confined and was delivered of twin baby boys, and in four days afterwards death put an end to all Mrs. McLean's earthly sufferings, and in about 24 hours after the mother's death one of the twins died, and was placed in its mother's arms in the coffin, and was taken to Richmond Hill, north of Toronto, for burial. The other twin is still in Nairn under the tender care of Mrs. James Boswell. The little fellow, so far, is doing as well as could be expected. Mrs. McLean was a good neighbor and a christian woman, and was universally respected, and all that kind friends could do for Mrs. McLean in her hour of distress was willingly done, but she cold hand of death claimed her and she had to submit to his call. The husband and friends have the sympathy of the community in their sad bereavement." The bereaved father has since brought the surviving infant to live at his residence here.

1st Review 1888. The first quarter's review of the International Lesson will be held in the Methodist Sabbath School next Sunday. Subject: "Temperance." Addresses by the officers and teachers. The Infant Class lesson for the past quarter will be reviewed by their teacher, Mrs. G. Wiley, from the Leaf Cluster. The hymns to be sung will be the choice of the different classes, led by the Secretary, Mr. J. H. Sanderson. The programme will be interesting as well as instructive. We think that it would tend very much to the encouragement of the teachers of the Sabbath School, who devote a large portion of their Sabbaths to the instruction of their neighbor's children, if the parents and friends of those children would show appreciation of their kind intentions by visiting the school occasionally and reward them with a kind word or an approving smile. The Review commences at 2 o'clock. All are welcome.

Stallion Show. There was a magnificent exhibition of Clydesdales at the stallion show held in the Drill Shed, Toronto, on Thursday last. Altogether there were thirty-six entries in the three classes and many prominent exhibitors were prevented taking part in the competition, owing to the heavy snow storm. The horses were all imported, not a single Canadian-bred animal being in the show. In the first class Robert Beith & Co., of Bowmanville, secured the gold watch with "Abbot of Berwick." J. Porter, of Oshawa, got second with "Gold Finder," and John Palmer, Richmond Hill, obtained third with "Richmond." The judges had much difficulty in making the award for second money. In reference to the above the Toronto Mail said:—"Gold Finder and Richmond had a close tussle for second honors, and it looked to be a toss-up which would have won in the estimation of the best horse-men outside the ropes." The Gold Medal and Diploma was won by Beith & Co's "Granite City," which promises to be one of the finest Clydesdales ever brought to Canada. Mr. Andrew Russell, Carville secured two prizes in class III.

W. C. T. U. Convention. The semi-annual meeting of the County of York W. C. T. U. was held in the Methodist Church, Aurora, on Thursday and Friday, March 15th and 16th. The President and County Superintendent, Mrs. Fawcett, called the Convention to order on Thursday afternoon. The business sessions were taken up by the President's Address, Reports of the Treasurer, Corresponding Secretary, and Reports from Local Unions, discussion regarding the establishment of W. C. T. U. headquarters in Toronto, appointing of delegates for attendance at the meeting of the Dominion Alliance, &c. Friday afternoon, Miss Tilley, President of the Y. W. C. T. U., Toronto, gave a very earnest, instructive Bible reading on Guidance. Mrs. Berkinshaw, formerly President of the Y's in Cleveland, Ohio, and Miss Skinner gave short talks on the work. Miss Oxford, Toronto, gave a Temperance lesson to the Aurora Band of Hope by means of charts. Two public meetings were held. The Address of Welcome was given by Mrs. Johnson, of Aurora, and ably responded to by Mrs. Wiley, of Richmond Hill. Mrs. Jarmin and Mrs. Keefe, Toronto, and the resident ministers delivered addresses.

Bible Society Meeting. The Richmond Hill Branch of the British and Foreign Bible Society held its annual meeting in the Lecture Room of the Methodist Church on Monday evening. The attendance was not large, the ladies of the village predominating. The agent of the Society, Rev. Mr. McLaren, was present to advocate its claims. On motion of Rev. Mr. Simpson, the Rev. Mr. Percival was nominated to the chair. Mrs. J. A. E. Switzer presided at the organ, and was assisted by members of the choir. The business part of the programme resulted in the election of the following officers, committees and collectors for the present year:—President, Rev. J. M. Simpson; 1st Vice-Pres., Rev. W. W. Percival; 2nd Vice-Pres., Rev. G. N. Kettle; 3rd Vice-Pres., Mr. A. Wright; Sec'y and Treas., Mr. G. Trench; Depository, M. H. Keefe; Committee of Management, Messrs. Atkinson, Linklater, McMahon, A. Marsh, J. Brown, B. Marsh, J. H. Sanderson, Dr. Wilson and Dr. Palmer; Collectors in Richmond Hill, Miss Nellie Langstaff, Miss Sadie Morgan, Miss Ida Simpson and Miss Coulter; Headford, Miss A. Comisky; Victoria Square, Miss M. Fradgon. The report for the past year was not a very encouraging one, owing to the want of activity on the part of the local officers, and it was hoped that a new set of officers would infuse new life into the auxiliary. A grim joke was perpetrated by the chairman to the effect that if the demise of the auxiliary should take place this year, they were prudent in electing a minister as President, so that he could attend to its obsequies. The agent in his able address lamented the unsatisfactory condition of the Richmond Hill Branch, but hoped for a more favorable report at the next meeting. Mr. McLaren spoke of the origin of the society, its world-wide progress, its great aim and christian sympathy to enable it to succeed in placing a copy of the Word of God without note or comment within the reach of every man on the face of the earth.

MANUFACTURERS' FORCED SALE

Owing to the heavy bank failures and the great stringency in the money market we have had offered to us and have completed arrangements for the purchase of some enormous lots of goods—for cash—at prices never before thought of even by the most idle dreamer. Everywhere throughout the Dominion the increased rate of discount and the scarcity of money are causing the over-gorged and plethoric manufacturers to "clamor aloud for clemency." Great firms are today almost tottering into bankruptcy. Wealthy mill-owners and manufacturers are now, for the first time since 1857, "on their knees," and unless confidence can be restored to the business community and the present apprehension of danger averted, who can tell what dire calamity may befall the country? While this state of things continues the tremendous efficacy of "hard cash," like the philosopher's stone of old, is working marvels and prodigies indeed. For the next thirty days, or while the goods last, or the manufacturers will supply goods at similar prices, we offer:
