FIRE! FIRE! FIRE! 1836! 1836! 1836!

Purely a Home Company.

Farmers, protect your buildings from fire and lightning by insuring in the Gore Cash and Mutual Fire Insurance Company (the oldest and strongest Cash and Mutual in Canada). This company was established in the year 1836. Having done business in Ontario for over half a century. During this time numbers of Stock and Mutuals have failed, but to day the Gore has at its back assets amounting to \$256,280.07, wherewith to meet any losses that may occur. The Gore is noted for its equity in adjustment of its losses. It is the cheapest Cash and Mutual Fire Insurance Company doing business in Ontario for non hazardous farm property. Send for the 49th Annual Report of this Company before insuring elsewhere. Farmers be alive to your interests. Why pay such exorbitant rates, when the Gore will insure third class farm property for 1/2 per cent., and first class for 1/3 per cent. In case of contents being destroyed by fire the Gore pays full value, the London agent to the contrary notwithstanding. Total assets to pay losses, \$256,280.07, and carries an insurance of only \$7,245,377.01. Compare this with any Mutual or Stock Company and see where the Gore stands. All calls promptly attended to by mail or telephone. Head Office, Galt, Ontario. J. T. SAIGEON, Agent. King P. O., residence Spring Hill, Ont.

HEART DISEASE

The symptoms of which are "Faint spells, purple lips, numbness, palpitation, skip beats, hot flashes, rush of blood to the head, dull pain in the heart with beats, strong rapid and irregular, the second heart beat quicker than the first, pain about the breast bone, etc." can be cured, "in many of the first stages." Send 10c. in stamps for pamphlet and full particulars. Address: M. V. LUBON, 47 Wellington St. E., Toronto, Ont.

A Positive Cure. A Painless Cure.

FACTS FOR MEN OF ALL AGES.

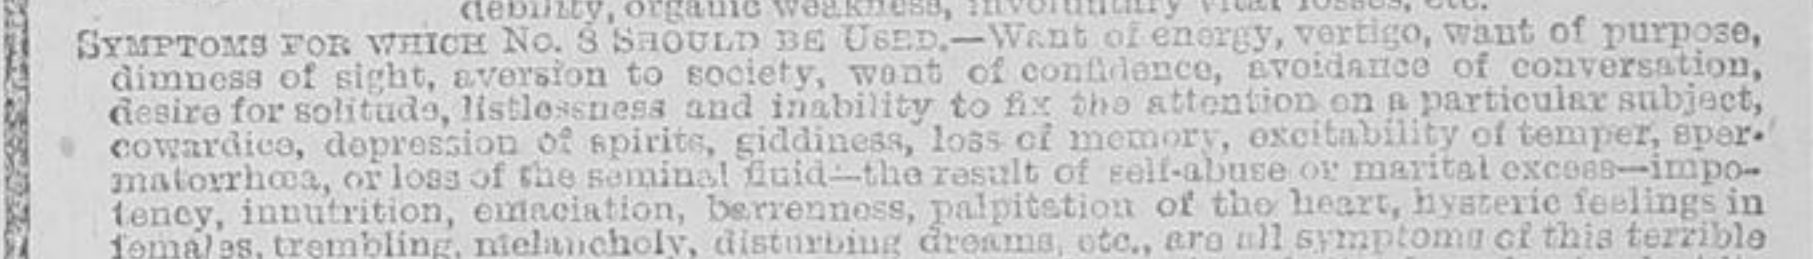

DISEASES OF MAN. M. V. LUBON'S SPECIFIC NO. 8, THE GREAT HEALTH RENOWER, Marvel of Healing, and Wondrous of Medicines. Cures the terrible consequences of Indigestion, Exposure and Overwork.

YOUNG, MIDDLE-AGED AND OLD MEN

Who are broken down from the effects of abuse will find in No. 8 a radical cure for nervous debility, organic weakness, involuntary vital losses, etc.

SYMPTOMS FOR WHICH NO. 8 SHOULD BE USED.—Want of energy, vertigo, want of purpose, dimness of sight, aversion to society, want of confidence, avoidance of conversation, desire for solitude, listlessness and inability to fix the attention on a particular subject, cowardice, depression of spirits, giddiness, loss of memory, excitability of temper, impatience, irritability, emaciation, nervousness, palpitation of the heart, hysterical feelings in female, trembling, melancholy, disturbing dreams, etc., are all symptoms of this terrible habit, oftentimes innocently acquired. In short, the spring of vital force having lost its tension, every function wanes in consequence. Scientific writers and the superintendents of insane asylums unite in ascribing to the effects of self-abuse the great majority of wasted lives which come under their notice. If you are incompetent for the arduous duties of business, unprepared for the enjoyment of life, No. 8 offers an escape from the effects of early vice. If you are advanced in years, No. 8 will give you full vigor and strength. If you are broken down, physically and morally, from early indiscretion, the result of ignorance and folly, send your address and 10 cents in stamps for M. V. LUBON'S Treatise in Book Form on Diseases of Man. Sealed and secure from observation. Address all communications to M. V. LUBON, 27 Wellington St. E., Toronto. A Man without wisdom lives in a fool's paradise. CURES GUARANTEED. HEAL THE SICK.

A Permanent Cure. A Pleasant Cure.

RUPTURE

M. V. LUBON'S RUPTURE REMEDY

For the Speedy Relief and Permanent Cure of Hernia or Rupture.

Lubon's Rupture Remedy must be applied exactly in accordance with the directions accompanying each package. The Remedy allays inflammation, separates adhesions, softens indurations, and strengthens the abdominal wall, so that in a few weeks or a few months, depending of course upon the age of the patient and the length of time he has been ruptured, the use of the truss may be entirely discontinued. A box of the Remedy for a single rupture usually lasts six or eight weeks, and in recent cases is quite sufficient to effect a permanent cure; doubts ruptures and cases of long standing naturally require a larger quantity. Young children are often quickly cured without the aid of a truss by simply applying the Remedy morning and evening, rubbing it well in with the hand while the child is lying down. If, however, the good effects of the Remedy are not apparent after several days use, I would recommend that a truss be obtained. Trusses alone fail to cure; but Lubon's Remedy, with the aid of any good truss, never fails.
