Salvation Army.

The Richmond Hill Branch of the Salvation Army has been boomed somewhat by the advent of new officers, and the desire to see the fair Captain and her Lieutenant. Christmas.

Some one wants to know "Whether we are to have sleighing on Christmas?" As Prof. Wiggins, with his calculating machine, has not been around to report on weather probabilities for the close of 1888, we cannot say, but we will allow our readers to draw their own conclusions from the records of the Meteorological Office in Toronto, which states that there has been sleighing only eight times on Christmas Day in thirty-four years, and that on fifteen out of the same number the ground has been bare of snow.

Exhibition.

The officers of the Methodist Sabbath School have secured the services of Mr. A. W. Struthers, of St. Thomas, with his Scientific Exhibition of the Life of Christ, to be held in the Methodist Church on Monday evening, Dec. 10th. The scenes compose all the principal events in the life of Christ, are life size, and pronounced by all who have seen them as exceedingly beautiful. In the large churches of Toronto, in Aurora and Newmarket the scenes have been patronized by crowded houses. They are beautiful, impressive and instructive. The proceeds are for the purchase of a new organ for the Sabbath School, the one in present use having "played out." Tickets: Adults, 20 cents; children, 10 cents. Tickets are for sale at Sanderson's Drug Store and at W. Atkinson's Concrete House.
