

**FIRE! FIRE! FIRE!**  
1836! 1836! 1836!  
Purely a Home Company.

Farmers, protect your buildings from fire and lightning by insuring in the Gore Cash and Mutual Fire Insurance Company (the oldest and strongest Cash and Mutual in Canada). This company was established in the year 1836. Having done business in Ontario for over half a century. During this time numbers of Stock and Mutuals have failed, but today the Gore has at its back assets amounting to \$256,280.07, wherewith to meet any losses that may occur. The Gore is noted for its equity in adjustment of its losses. It is the cheapest Cash and Mutual Fire Insurance Company doing business in Ontario for non-hazardous farm property. Send for the 49th Annual Report of this Company before insuring elsewhere. Farmers be alive to your interests. Why pay such exorbitant rates, when the Gore will insure third-class farm property for 1/2 per cent., and first class for 1/3 per cent.

In case of contents being destroyed by fire the Gore pays full value, the London agent to the contrary notwithstanding. Total assets to pay losses, \$256,280.07, and carries an insurance of only \$7,245,377.01. Compare this with any Mutual or Stock Company and see where the Gore stands. All calls promptly attended to by mail or telephone.

**THE GREAT HEALTH RENEWER,**

**Cures** the terrible consequences of Indiscretion, Exposure and Overwork.  
**YOUNG, MIDDLE-AGED AND OLD MEN**  
Who are broken down from the effects of abuse will find in No. 8 a radical cure for nervous debility, organic weakness, involuntary vital losses, etc.  
**SYMPTOMS FOR WHICH NO. 8 SHOULD BE USED.**—Want of energy, vertigo, want of purpose, dizziness of sight, aversion to society, want of confidence, avoidance of conversation, cowardice, depression of spirits, giddiness, loss of memory, excitability of temper, spermatorrhoea, or loss of the seminal fluid—the result of self-abuse or marital excess—impotence, incontinence, emaciation, barrenness, palpitation of the heart, hysteric feelings, nervous habit, oftentimes innocently acquired. In short, the spring of vital force having lost its tension, every function wanes in consequence. Scientific writers and the superintendents of insane asylums unite in ascribing to the effects of self-abuse the great majority of wasted lives which come under their notice. If you are incompetent for the arduous duties of business, incapacitated for the enjoyments of life, No. 8 offers an escape from the effects of early vice. If you are advanced in years, No. 8 will give you full vigor and strength. If you are broken down, physically and morally, from early indiscretion, the result of ignorance and folly, send your address and 10c. out in stamps for M. V. Lubon's Treatise in Book Form on Diseases of Man. Sealed and secure from observation. Address all communications to **M. V. LUBON, 47 Wellington St. E., Toronto.** A Man without wisdom lives in a fool's paradise. **CURES GUARANTEED. KEAL THE SICK.**

**A Permanent Cure. \* A Pleasant Cure.**  
**RUPTURE**  
**M. V. LUBON'S RUPTURE REMEDY**  
For the Speedy Relief and Permanent Cure of Hernia or Rupture.  
Lubon's Rupture Remedy must be applied exactly in accordance with the directions accompanying each package. The Remedy always inflammation, separates adhesions, softens indurations, and strengthens the abdominal wall, so that in a few weeks or a few months, depending of course upon the age of the patient and the length of time he has been ruptured, the use of top truss may be entirely discontinued. A box of the Remedy is sufficient to effect a permanent cure; double rupture and cases of long standing usually require a larger quantity. Young children are often cured without the aid of a truss by simply applying the Remedy morning and evening, and rubbing it well in with the hand while the child is lying down. If, however, and it is recommended that a truss be obtained after several days' use, I would recommend that a truss be obtained. It is a great relief to cure: but Lubon's Remedy, with the aid of any good truss, never fails.
