ADDRESS AND PRESENTATION.

On Friday afternoon last a number of friends met at the school nouse to witness the presentation by the pupils to their teacher, Mr. Clubine, of a valuable dressing case and a handsomely bound volume of Slakespeare's works, as a token of their regard and asking rememberance of his labors among them. The Rev. Mr. Pearen was called to the chair and after singing, Recitations and Dialogues by the pupils and very happy speeches by the Rev. Mr. Toye and others, the chairman called on Misses Mabel Pearen and Minnie Di'worth to make the presentation, to which the teacher replied in feeling terms. Mr. C!ubine has spent four years as primipal of this school, and leaves it to take charge of Richmond Hill public school at the beginning of next year. The following is the address which accompanied the presentation:-DEAR TEACHER, -- We, your pupils fee

sorry to part with you, and can not let you go without some expression of our regard. You have been most diligent and successful in your work of teaching us, and have done all in your power to enable us to make progress in useful knowledge for which we are thankful, though we have too often in our thoughtlessness shown the opposite. Will you please accept this dressing case and a copy of Shakespeare's complete works as a small token of gratitude and esteem; we hope that whenever your eyes fall on them you will remember your pupils of Maple, but please remember us when vo were good and not when we where bad, and rest assured that our best wishes for your prosperity will follow you wherever you may

Signed on behalf of the school. Mabel Pearen. Clara Pearen; Minnie Dilworth. Oak Ridges.

Miss Morton our school teacher having resigned, the trustees have engaged Mr. Reid, of Aurora. .

In the S. Section east of Oak Ridges Miss Morris, (who teaches at Temperanceville at mesent) is engaged for next year as Mr. Ferguson the present teacher intends going to school after New Year's.

Mr. J. W. Flatt, son of Mr. D. Flatt, has returned from Manitoba for the vacation. We are pleased to see him looking well, and learn that he is doing well, but wonder if he came down to Ontario to dodge a blizzard. We suppose that he wont go back to Manitoba so (1) nely looking as he came down.

It is our painful task to record the decease of Mr. John Capel. Mr. Capel has lived in this neighborhood for a number of years, upwards of lifteen years and was highly respected by all who know him. He was a member of the Baptist Church, and was always very faithful in attending the services when his health would permit. Let those who knew his many virtues learn and practise them, and remember that "life is even a vapour which appeareth for a little and then vanisheth away." The bereaved family has the sympathy of the entire community. The remains of the deceased were interred in the Newmarket cemetary on Tuesday.

For the Speedy Relief and Permanent Cure of Hernia or Rupture.

Lubon's Rupture! Remedy must be applied exactly in accordance with the directions accompanying each package. The Remedy allays inflammation, separates adhesions, softens indurations, and strengthens the abdominal wall, so that in a few weeks or a few months, depending of course upon the age of the patient and the length of time he has been runtured, the use of the trass may be entirely discontinued. A box of the be mady for single rupture usually lasts six or eight weeks, and in recent cases is quite sufficient to sheet a permanent cure; double rupture and cases of long standing naturally require a larger quantity. Young children are often quickly cured without the aid of a trass by simply applying the Remedy morning and evening, rubbing it well in with the hand while the chief is lying down. If, however, the good effects of the Rengedy are not apportent after several days use, I would recommend that a truss be obtained. Trusses alone

fail to cure: but Lubon's Romedy, with the aid of any good truss, never fails. Address: M. V. LUBON, Toronto, Canada.
