Gentlemen's hats, soft and stiff, all shapes styles and sizes are specialties at The Fire Proof. See for yourselves.

Fast Driving.

Trotting on Yonge St. has been a favorite pastime among some of our horsemen lately. On Friday evening a keen contest took place between a black stallion and a colt which has already an enviable record. On Saturday night another race also created quite an interest on the Queen's highway. It is still the honors were awarded to Victoria Square. Were it not that the drivers themselves, by their lusty voices, give pedestrians a timely warning to keep out of the way, we would feel inclined to urge upon them the necessity of more caution for fear of accidents.

3 cans corn, 3 cans peas, 3 cans beans, 3 cans tomatoes or 1 can (2 lbs.) corrod beef for 25 cents at The Concrete.

An Old Toronto Boy in Chicago Politics.

In 1882 Mr. Armand F. Teffy graduated in Arts at the University of Toronto and left soon after for Chicago to enter upon the study and practice of law. He identified himself with the Democratic party which has now recognized his capacity and services by putting him on their ticket for prosecuting attorney, an important office in the gift of the citizens. Mr. Teffy and his brothers are well known and highly respected in Toronto and also at Richmond Hill, where the family still reside. His many friends in Toronto, and especially those of Irish descent, will be pleased to hear of Mr. Teffy's success in the forthcoming contest.—World.

A regatta shirt at 40 cts. and a white snirt at 45 cts. all sizes, at The Fire Proof.

Road Making.

Messrs. J. Palmer and W. R. Proctor assisted by the Village Inspector, commenced working on Arnold St., between Yonge and Elizabeth, last Friday and by Saturday night they could boast of a good road. By the use of a plow and scraper they turpiked the road and rounded it well up in the centre. We understand the expense to the village will be only about \$1.50 which was given to a laborer for a day and a half's work. Messrs. Palmer and Proctor purpose graveling the street and planting trees on either side, after which it will be one of the nicest avenues in the village.

Having sold out my business to Mr. O. J. Brown, who takes possession on the 24th inst., up to that date groceries &c. will be sold at cost. Come along and get bargains. To the many friends who have given me their patronage since I have been in the business I wish to tender my sincere thanks and hope the same liberal patronage will be continued to Mr. Brown, my successor. As I am about leaving Richmond Hill to start business in East Toronto, parties who have accounts will take note and kindly settle the same at the earliest opportunity and oblige.
 Geo. Trench.

Curtain poles with fixtures, dado window blinds with rollers and fixtures complete very cheap at the Fire Proof. Will D. Atkinson.

Death in Springhill.

We are grieved to have to record this week the death of Mr. Jesse Nunn, merchant, Springhill, which took place on Monday about noon. He was in bed only about a week, and his death was quite unexpected until a short time before the final summons. Some years ago he was forced to undergo an operation, from the effects of which he never entirely recovered. Deceased possessed many sterling qualities, was strictly honest and honorable, and was greatly respected by all who knew him. THE LIBERAL has reason to remember him for his kind and obliging manners, and for contributions supplied us now and again for our paper. The last piece which appeared in print was a short poem dedicated to his daughter Minnie. It contained some very happy lines, and no doubt is highly prized by her. His remains were interred in the King City cemetery yesterday, and were followed to the grave by a large concourse of sorrowing friends and relatives.

Large consignments of dry goods and crockery, ex S.S. State of Pennsylvania and Helvetia reported at New York, now en route for The Concrete. W. Atkinson, Importer.

Don't forget that the Cheap Cash House has a most complete stock of Dry Goods, Tweeds, Men's and Boy's clothing, Hats, Boots, Shoes, and Groceries. Most of these goods are new and choice and have been bought from factories direct, from bankrupt stocks, from jobbers pressed for money and wherever ready cash will command a bargain. If you examine carefully these goods you will find them from 25 per cent. to 60 per cent. cheaper than other merchants can sell. We are always glad to show our goods and quote prices but we urge no one to buy, feeling confident that our goods are cheaper than the best city houses can offer and will recommend themselves to your judgment. Our trade is steadily growing, come and see our goods, it will pay you well. R. W. Neville.
