Chair to be taken at 8 o'clock. A collection will be taken up to defray expenses.

Prize Winners.

In the contests at the Reform Picnic held in Toronto on Saturday we might mention that East York defeated West York in a tug-of-war, the Young Liberals of Toronto pulled the Young Liberals of Hamilton over the scratch, and West Toronto proved themselves too strong for East Toronto. In the Fat Man's Race, over 200 lbs, Mr. Thos. Cane, one of King's best plowmen, carried off the honors and will thereby add to his assets a ton of coal.

Village Voters' Lists.

M. Teefy, Esq., Village Clerk, gives notice on another page, that he has delivered or transmitted to the proper persons, copies of the Voters Lists for the present year. Also that a copy is posted up in the Post Office for inspection. It is the day of elections to call and examine said List and if any omission or errors are found therein, to take immediate proceedings to have the same corrected according to law.

Plowmen Amalgamating.

A meeting of the directors of Markham Plowmen's Association was held at F. Paget's Buttonville, on the 27th of June. A deputation from Scarboro was present, and it was agreed to amalgamate the two Associations, appoint three directors for East York Township, and hold one plowing match for the East Riding of York in the fall of 1889. After this year the representatives are to meet and form one Association to be known as the East Riding of York Plowmen's Association. The meeting adjourned to meet at the call of the president.

Struck by Lightning

A sharp thunder-storm passed over this place on Thursday afternoon. Mr. John Palmer's buildings had a close call as the lightning struck the board fence a few feet west of his stables. A piece of board was split, and a post in the fence shivered to atoms, and spread over the yard. The fence must have been within an ace of being ignited, as the post was quite charred, and a smell of smoke was perceptible for some time afterwards. Some of those who were sitting in the stable thought it was time to say their prayers.

Base-Ball.

The Richmond Hill and Thornhill base-ball clubs met on the park in the forenoon of Dominion Day and played a friendly game. The visitors proved too strong for the home team, whom they defeated by 30 runs to 9. There is some good material in the Richmond Hill club, but it is necessary that they spend more time in practicing if they expect to be proficient. Messrs. R. Lelliott, of Thornhill, and C. Pilgrim of this village acted as umpires, and appeared to understand well the rules of the game.

30 lbs Tilson's Rolled Oats for \$1, 45 lbs Gold Dust Cornmeal for \$1, at the Concrete.

High School.

The regular classes were dismissed on Friday last, and will reassemble on the last Monday in August. The Board of Education intend making some improvement in equipment and buildings, which will materially add to the efficiency and comfort of the school. The Entrance Examinations commence to-day, and will continue until Saturday. The Exams. for Teachers' Second and Third Class Certificates commence on Tuesday, the 9th inst. Mr. Redditt, of Aurora, will preside.

The Toronto Industrial Fair.

The Directors of this Fair, which is to be held this year from the 9th to the 21st September, are already actively at work making preparations for the same, and appear determined to make it excel in magnitude and attractiveness any of its predecessors. We have received a copy of the Prize List, which is very neatly gotten up, and any of our readers who may desire a copy can secure one by dropping a post card to Mr. H. J. Hill, the manager at Toronto. A large amount has again been appropriated by the Directors for new special attractions and the erection of additional buildings, etc.

Let there be Light.

The street lamps to which we referred a few weeks ago have been erected, and every one who has occasion to travel after dark along Yonge St. agrees that they are a decided success. They are placed at intervals from Wright's shop at the north of the village, to the English Church at the south. Several of those people living on the side streets between Elizabeth and Church have also erected lamps, which will be looked after by the village care-taker. Of course there are some people who cannot understand why the Council did not place the 12 lamps so that one would be in front of each man's door. But that would be among the impossibilities.

East York Conservative Nominee.

The East York Conservatives met in convention at Society Hall, Little York, on Saturday, the 29th ult. to nominate a candidate for the Local Legislature in opposition to Mr. G. B. Smith, the present member. Quite a number of delegates put in an appearance. As an excuse for speech-making several of those present were nominated, but finally all retired in favor of Mr. John Gibson, of Milliken. The other nominations were as follows:—Robert Birmingham, of Toronto; Henry Duncanson, of York; Thomas Williamson, of Almira; A. H. Baird, of Scarboro. Mr. G. F. Marter, M. P. P. for Muskoka, was present and gave a short address. Mr. Gibson, the nominee is a farmer, and is at present the president of the East York Conservative Association.

Special Announcement

We have made arrangements with Dr B J Kendall Co., publishers of "A Treatise on the Horse and his Diseases," which will enable all our subscribers to obtain a copy of that valuable work free by sending their address (enclosing a two-cent stamp for mailing same) to Dr B J KENDALL Co., ENOSBURGH FALLS, VT. This book is now recognized as standard authority upon all diseases of the horse, as its phenomenal sale attests, over four million copies having been sold in the past ten years, a sale never before reached by any publication in the same period of time. We feel confident that our patrons will appreciate the work, and be glad to avail themselves of this opportunity of obtaining a valuable book. It is necessary that you mention this paper in sending for the "Treatise." This offer will remain open for only a short time.

A Promising Horse.

Among the fast horses owned in Richmond Hill, Mr. W. R. Proctor can now boast of one which is taking an enviable position as a trotter. On the 24th of May this horse won first money in the much-talked-of speed race at the Agricultural Fair held here. Mr. Proctor seeing that he was likely to make a fast trotter, purchased him from Mr. Boyle, his then owner, and since that time has undergone some training. On the 1st of July he entered him in a Named Race at the Aurora summer meeting under the renowned title of "Dick French," and was successful in winning first prize from a number of good horses, making the mile in 2.47. On Tuesday he was again entered in the 3 minute trot, and outstripped all competitors, making the very excellent time for a green horse of 2.41. Dick has been sent to Barris where he will start to-day in a 2.50 race. He is being driven by Mr. J. Palmer, who is particularly fortunate in carrying horses to victory. The prizes won in Aurora were \$30 in the named race, and \$40 in the 3 minute trot.

The Coming Champions.

Last Thursday evening the juvenile sports of the town assembled for the purpose of forming themselves into a base-ball club. They had considerable difficulty in deciding as to a suitable place of meeting, as they expected a large turn-out, and wanted plenty of room. They finally selected the back yard in connection with The Fire Proof store, and when the hour arrived they congregated there in large numbers. Among those present were the following:—Armand Savage, Will Glass, John McKenzie, Ernest Redditt, Will Watkins, Frank Sheppard, Fred Redditt, Ted Redditt, Albert Glass, and Will Trench. The meeting was opened by Armand Savage mounting a barrel and explaining the object which brought them together. He said that Syracuse and Detroit were outstripping Toronto in the International base-ball league, and that a Canadian team must be brought forward to check the progress of the United States. He concluded by moving John McKenzie to the chair. The latter took his position on an empty box of French Coffoid, and stated that the first business would be the election of officers. W. Glass was elected Captain, Armand Savage, President, and Walker Hall, Secretary. Will Lawson Trench was proposed as Treasurer, when a warm discussion ensued. Ted Redditt objected to introducing politics into the association, which they were evidently doing by electing dyed-in-the-wool Tories. He suggested that an honest Grit be elected Treasurer. On the ballot being passed, however, Will had lots of Conservative backers, and was declared elected. He thanked those present for the position, but denied the charge that he had packed the meeting. Will spoke in the Chinese language. The committee of management was then appointed as follows:—Joe Keeler, Jno. McKenzie, Harry Sanderson and Ernest Redditt. The Treasurer's report showed 70 cents in the funds, and a committee was appointed to open a subscription list at once. The name of the club is "The Young Stars." Average age of the members 13 years. Before adjourning, the Secretary was instructed to receive no challenges except those from first-class clubs, and to forward a copy of the proceedings of this meeting to the principal papers of the county. The club play Thornhill next Saturday, the 6th inst. The above truthful minutes will be confirmed at the next meeting. WALKER HALL, Sec.
