Fancy Pitchers and Jugs in sets of three or separately in great variety, part of our last direct importation order from England at the Fire Proof. Will D. Atkinson.

Civic Holiday.

Richmond Hill was indeed a quiet place on Monday. Many of the citizens accompanied the Foresters to Toronto where they spent the day, whilst others drove to Bond's Lake and other places. One of those who remained behind to tell the tale say the Hill had every appearance of a 'Deserted Village.'

At the Concrete this week:—
 8 lbs Tison's Rolled Oats for \$1.00.
 10 lbs Gold Dust Cornmeal "
 11 lbs White Sugar for \$1.00.
 8 1/2 yds Grey Flannel "

Barnum's Show.

Barnum's great show will no doubt draw a large crowd to Toronto next Monday, though his exhibition must be considerably weakened by the railway accident which occurred in New York state on Thursday last. Thirty ring horses, including one of the four chariot teams, and two camels were killed. The loss is said to be about \$40,000.

A choice line of Prints reduced to 8c. per yard which are really worth 10 and 12 1/2 cts. per yard at the Fire Proof.

Fall Fairs.

Following is a list of the dates of several Fall Fairs and Exhibitions which people in this vicinity are likely to visit:—Industrial, Toronto, Sept. 9 to 21; Provincial, London, Sept. 9 to 14; Woodstock, Woodstock, Sept. 24 and 25; East Simcoe, Orillia, Oct. 1 and 2; East York, Markham, Oct. 2 and 4; West York, Woodbridge, Oct. 9 and 10.

Everyone should see those beautiful Dress Goods at the Fire Proof in plain and stripes at 8c. worth 12 1/2 and 15c. per yard.

Lacrosse Match.

Posters are out announcing the first lacrosse match in Richmond Hill this season. The match will be between the Newmarket club and the home team, and will be played on the Park to-morrow (Friday) commencing at 3 p. m. As this is the first of the season there should be a good attendance. Admission 10c.; ladies free. No extra charge for grand stand.

The Schools.

The High and Public schools re-opened on Tuesday with a very good attendance in each room, the number in the High School being four more than at the opening a year ago. The buildings, especially the High School, look much better after the painting and other improvements which they received during the holidays. The committee of management deserve much praise for the decided change in the appearance of the place, and no doubt the teachers and pupils will appreciate the change.

An immense shipment of Crockery, imported direct from Messrs. Barken Bros., manufacturers in London, near Stoke-on-Trent, Staffordshire, England, comprising dinner sets, breakfast and luncheon sets, tea sets, toilet sets in ivory ware, plain ware, printed ware and granite, the largest and most complete stock ever brought into Richmond Hill at the Fire Proof.

New Dress.

The York Tribune came to hand last week in a new dress, which marks an important change in the history of that Journal which was started a little more than a year and a half ago at West Toronto Junction. Formerly it was printed at the office of Hunter Rose & Co., but from this time forward will be issued from a substantial building in Hoover & Jackson's block. The first copy in the new form is somewhat blurred, but no doubt the press-work will improve as the machinery gets oiled up.

The gentlemen of Richmond Hill are showing their appreciations of the great reductions in the prices of Ties at the Fire Proof by reducing the stock considerably, but we have a few choice lines left which will be sold at the same figures, 12 1/2, 15, 25 and 35c., formerly sold at 20, 25, 35, 45 and 50 cents. Will D. Atkinson.

Base-Ball.

Our base ball club are playing in hard luck this season. They went to Aurora on Saturday and were defeated by the club of that town by 39 to 19 runs. The fielding was very good but the man behind the bat could not "catch on" to the pitcher's balls. Base ball has been reduced almost to a science, and if members of a club do not make up their minds to practice regularly their success will be sure to be very limited.

Crack! Crack!

Lamp-Lighter Brownlee has been having a troublesome time with his chimneys on the street. The tubes which he has hitherto purchased create the necessary draught and promote the desired combustion, but they are so brittle that some of them snap about every night, and the glassware is costing more than the oil. The Council will do well to buy them wholesale which will considerably lessen the expense, and they should endeavor to get a superior article.

Accident.

Last Friday when Master Freddie Harrison was spending part of his holidays at Mr. Geo. Hocper's, in the township of Markham, while playing in the barn, ran against a fork partially concealed in the straw. One of the tines of the fork entered the ball of the foot just below the large toe and punctured more than three inches, coming out at the instep. The little fellow sat down and pulled it out with a jerk. One of the lads carried him on his back to the house where the wound was dressed with Sanderson's Oils. Fred limped around for a few days, but is now nearly as active as ever.

Foresters' Demonstration.

Last Monday will be memorable not only to the Foresters of this village but to the whole Order of Ancient Foresters throughout Canada. A few minutes to 8 o'clock in the morning three large vans, including the Fire Brigade Band, left here on their way to attend the great Demonstration on Exhibition Park, Toronto. After arriving in the city they were joined by Court Laurel, Spring Hill, and Court Rescue, Newmarket, and at 12.30 marched to the City Hall Square, where the great procession was formed. Bro. A. J. Rupert mounted on a prancing steed acted as Marshall for the above named courts, and kept the members in good order. The line of march was to King St., as far as Yonge, then to Queen, west to Strachan Av., thence to the Exhibition Grounds. It was estimated that fully 5000 Foresters marched in the procession which was the largest given under the auspices of any organization for some years in the city. The scene was very striking, and the various bands, lady Foresters, and quaint uniforms were much admired by the thousands of people who lined the sidewalks and streets the whole length of the march. On reaching the beautiful grounds little groups congregated here and there in true pic-nic style and amused themselves till the programme of games commenced. The sports were well contested and were much enjoyed, but the interest did not reach its height till the fat men appeared in the ring to run 125 yards, the first and second prizes being a gold headed cane, and a bottle of anti-fat respectively. Bro. Adams, an athlete of considerable note took first prize. Bro. Saigeon, of Court Laurel secured the anti-fat, and Bro. Rupert, of Court Richmond, came in a good third, though it was claimed he took a short cut to the goal instead of keeping to the track. The brethren from this village arrived home about midnight after a pleasant drive and a very enjoyable day, which was made much more enjoyable by the excellent music furnished by the band. The excellent gathering on Monday could not but impress the general public with the commanding influence and powerful strength of the Order.
