The Richmond Hill Herald advises horse-men to get prices for horse bills before going to the Economist or any other office. Horse-men know that inferior work is dear at any price.—Markham Economist.

**Rapid Growth.**  
Mr. John Duncan showed us a blade of timothy grass this morning taken from his meadow which measured over 11 inches. This is a good growth for the first of May, but Mr. Duncan's farm is peculiarly adapted for the raising of all kinds of grasses.

**A Good Subscription.**  
Mr. G. B. Smith, when in the village on Wednesday of last week, being asked for a subscription for the Cricket club which had just been organized, promised to give the committee a pair of bats. They arrived a few days ago by express, and it is needless to say they are good ones.

### An Imprudent Minister.

Rev. Dr. Stone, of Toronto, having been charged with "imprudent conduct, intending immorality," towards Mrs. Jennings, formerly of Parkdale, a committee of his brother ministers investigated the unfortunate affair and brought in the following verdict:—That the charge of conduct intending immorality against the Rev. Dr. Stone was not sustained, but, in the judgment of the committee, Dr. Stone's conduct in this matter was not characterized by the prudence and wisdom which should mark the department of a Christian minister.

**Masonic.**  
Bros. Rupert, Nichols, Savage and Elliott of Richmond Lodge, A. F. & A. M., paid a visit to Vaughan Lodge last Tuesday evening, on which occasion W. Bro. Orr was present with a beautiful Past Master's jewel. The presentation was made by W. Bro. Richardson and was replied to in appropriate terms by W. Bro. Orr. After the adjournment of the Lodge the brethren repaired to the lower hall where a splendid supper had been prepared by Messdames, Johnson, Rumble and Koffer, and it is needless to say that the brethren fully appreciated it. After the J. W. toast, all separated, having enjoyed a well spent evening.

**Richmond Hill Liberals.**  
The Liberals of Richmond Hill met in the Lorne Hall on Wednesday evening. In the absence of the president J. M. Lawrence Esq. took the chair and T. F. McMahon acted as secretary. The election of officers resulted as follows:—President, Wm. Trench; Vice-Presidents, Andrew Newton, James Thomson; Secretary, T. F. McMahon; Treasurer, J. M. Lawrence. Committee—C. Trevelyan, J. Brydon, R. E. Law, J. A. E. Switzer, A. Moodie, C. McLean, J. Mortson, Mr. G. B. Smith, the Local Member, who was present, was called upon and gave a short address.

**Annual Meeting.**  
Few institutions in a village are of more practical benefit than a Mechanics' Institute. As a rule these Institutes are successful or unsuccessful, mainly through the energy, ability and zeal of their officers. Since the organization of the Institute here over twenty years ago we may safely say it has been fairly successful, though there have been years when not so much has been accomplished as could have been desired. However, taking one year with another, it has afforded its patrons literary instruction and amusement, and no person who buys a ticket of membership can say he does not receive value for his money. The annual meeting will be held on Monday evening, the 5th inst., and it is hoped there will be a good attendance of the members, and that five officers will be elected for the coming year.

**West York Licenses.**  
The License Commissioners for West York met at the Court House, Toronto, on the 22nd of April. Members present, Dr. Cotton, chairman; M. Naughton, R. H. Dewart, and the Inspector, Robert Wilcox. Licenses were granted as follows:—James Little, Charles Dade, Wm. Burk, Weston; E. B. Harris, Thomas Hestead, John Emeler, Woodbridge; John Deacon, Abner Cherry, Bracondale; Mrs. Jane Ouleott, North Toronto; James Thompson, Lansing; Edward Jackson, North Edgely; M. O'Halloran, Deer Park; Frank McFarlane, Fairbank; E. J. Reilly, Isaac M. Scott, Lampton Mills; George Gobel, Gilbert Gilmore, Kleinburg; Wm. Richardson, Maple; J. C. Steele, Newtonbrook; Andrew Lloyd, Edgely; Mrs. R. Beamish, Kleinburg Station; Hollinghead & McDonald, Islington; James Morrow, Charles Nurse, John Duck, Humber Bay; Thomas Holmes, Thistleton. A three months' permit was granted to Thomas Griffith, Teston. The Commissioners again met on Tuesday and granted a license to Thomas Sullivan, Pine Grove, and extensions of three months were allowed to Peter Doyle and Wm. Skardon, of Thornhill. The meeting was adjourned for two weeks, when the West Toronto Junction licenses will be considered. The town Council decided to reduce the licenses from seven to four, and the Commissioners have disposed of two, a third remaining to be cut off.

### Edgely

Mr. Bone captured two more prizes last week for his coach horse, Emperor the II.; a first at Kleinburg and a second at Bolton. Mr. B. has a colt of this year which he says weighs 500 lbs. Who can beat it?

The school-yard gates which have for a long time been broken and off their hinges, have at last been repaired and re-hung.

Mr. Garton has built a new fence along the south side of his lots. There are a couple of other lots which would be much improved in appearance if the fences were put up so as to enclose them from the road.

The sidewalk needs a good deal of repairing. If this was attended to now it might save expense for somebody.

The Long Joker is now as busy as a bee canvassing for the coming elections. Wonder if he has the boodle?

The teacher went to Mount Forest last week to visit his father, and returning on Saturday night got so wet that it took him nearly all day Sunday to get dried off.

### Promotion Exams.

The following is the result of the promotion examination at Edgely held on April 3rd:—  
To IV CLASS—Mabel Walls, Jeremiah Smith, Laura Windover, Wesley Whitmore, Nettie Snider, Florence Devins, Carson Whitmore.  
To SENIOR III—Percy Snider, Louisa Blackburn, George Boynton.  
To JUNIOR III—James Heacock, Maud E. Boynton.

J. W. WALLS, Teacher.

It would appear from town talk that Mr. Dilworth, the Toronto Druggist, is the only man that can furnish a suitable and rapid cure for the La Grippe or Influenza. Don't fail to call and see him when visiting the city and be convinced.

### Kleinburg

The Annual Spring Fair was held in this village on Tuesday 22nd of this month. There was quite a large crowd of farmers present but not as many as was expected on account of the people being so busy seeding. The most noticeable feature was the ex treasurer Thos. White who has been ill for a long time. He was able to walk on the street and received many hearty hand-shakes from his old friends who were glad to see him. There was quite a number of entries, and everything seemed to pass off very nicely. The directors met the night after the fair to settle up the accounts and pay the bills that had come in. The only bill that had not been sent in was for the printing of the bills for the fair. The Directors thought that the printer might have sent in his account as the bills for the fair were got up in first class style. The following are the Judges & prize winners.
