Found on the Track.

Night Policeman G. C. Flintoff and H. Graham, of West Toronto Junction, found an old man named William Alton, who lives at Weston, lying at the side of the railway track near that town on Monday night. Alton was over 70 years old, and when questioned he said that he had been to Aurora consulting Dr. Coulter concerning a lameness with which he had been affected since receiving a sunstroke about five years ago. He had started from Aurora last Monday, but his limbs had become partially paralyzed on the way. He thought that he was in Parkdale when found. The old man has a comfortable home in Weston.—Empire.

Festive Season.

Now is your time to enjoy the best feast of the season. A tea & entertainment will be held at the Murray Chapel, 6th Con. Vaughan, on Tuesday, June 24th, 1890. Tea will be served from 4 to 7 p. m., after which a well-selected programme will take place, the following talent having been secured:—Recitations by the favorite Miss Kate Beatty, of Toronto; Miss L. McLaughlin, of Sherwood, and Mr. J. O'Brien, of Laskay. Singing by Mrs. Wm. Arnold, of Toronto (late of England); Miss B. Keffer, of Sherwood; Mr. S. C. Snider, of Edgely, and last, but not least, is Miss Ella Tewesley, the child singer, of Toronto. The chair will be occupied by Dr. Sisley, of Maple. Admission, 25 cents, in aid of Library Fund.

A Flying Call.

Occasionally when a "Travelling Show" visits the village, in which the performers are a couple of men accompanied by a monkey or a dancing bear, the citizens are inclined to be amused by their absurd antics. But the specimens of humanity which passed through on Saturday were not such as to provoke much laughter. Their party consisted of two men, two women, several small children, three bears, a horse, a dog and a donkey. One man waltzed with old Bruin, the other performed with mother Bruin, and the boy took charge of the little bear Tiny. The horse was loaded with a child on one side, and a bundle of old rags on the other to serve as a balance, and the women begged from door to door. They remained but a short time and moved on to the northern suburb, Elgin Mills, in which neighborhood they grazed over Sunday. Those who witness them cannot but look upon the children with pity, the women with a mixture of pity and disdain, and the men with sheer contempt. They were said to be natives of Australia.

Thornhill.

Rev. J. Locke, pastor of the Methodist Church is attending conference in Toronto. The Willing Worker's Society of the Methodist Church is putting forth great efforts to make their Garden Party to be held on Friday 20th a success. During the storm on the 11th inst. the house of Mr. G. Robinson was struck by lightning. It damaged the roof and chimney but fortunately none of the inmates were injured. A drunken deaf mute created considerable excitement on Monday evening among a crowd of boys by his hideous yells and by flourishing a long knife. Our village constable sat on the fence close by but did not think it proper to interfere. The visitors this week are: Miss Cordley, of New York at Mr. J. Snuter's. Mr. W. Alahan, Mr. R. and the Misses Laycock, of Brampton, at Mrs. J. Wilson's. Mr. H. Authors, of Toronto, at Mr. W. Webster's. Mrs. Edwards and the Misses Leithorn, of Kleinburg, at Mr. J. W. Hopper's. The B. B. juniors defeated the Newton Brook juniors by 50 to 0 on Saturday last.—Com.

Trip to Galt.

About 30 firemen accompanied by the band and a few of the citizens outside the Brigade left the village about 4 o'clock on Friday morning to attend the Galt Tournament. After a comfortable breakfast at the Clyde hotel, Toronto, the party proceeded to the Union station from which place they were at 7.30 steamed out by the C.P. R. train. After a pleasant trip they arrived at their destination at about 10.30 a. m. At the depot with other bands and brigades which had arrived by the same and other trains they formed in line and marched in procession through the town, and thence to the Imperial hotel where they were billeted. We might here say that every one from this village, including our reporter, was delighted with the day's enjoyment. The officers who had charge of the carnival understood their business perfectly, and thoroughly succeeded in making their thousands of visitors happy.

The town is pleasantly situated on the slopes of a valley through which winds the waters of the Grand River, and presents a picturesque appearance, the natural scenery on both sides of the river being very striking. The manufactories are generally along the water's edge, and higher up the slopes are magnificent residences, beautiful lawns and extensive parks. Galt has a population of about 7000 people, and as a manufacturing centre has few rivals of its size, for which it has justly received the title, the "Manchester of Canada." The streets are lighted by electric light, and although drinking water is not good in the valley there is a move to improve this by a system of paving and draining.

The town was tastefully decorated for the carnival, almost every residence and place of business having its evergreen, bunting or other display. Arches were erected across the principal streets, and many of them were handsomely and appropriately decorated and greatly admired. After dinner the procession was again formed on the market square from which place the visiting bands, firemen and base-ball teams marched to the park where the afternoon's programme was to be given. Along the line of march thousands thronged the streets, and it is said that 15,000 people were in the park. Twelve bands had entered for competition and some of the music was excellent.

Of course what interested Richmond Hill people most was the firemen's races. The first was a hose-reel race of 200 yds. to a hydrant, attach and lay 350 feet of hose, take out a third length and attach the nozzle. The competition was among Seaforth, Richmond Hill, Walkerton, Berlin, and Drummondville. Richmond Hill had to make the first trial, and therefore was placed at a slight disadvantage with the other teams. The prizes were awarded to the first three companies in order given above, the time being 1.24, 1.29 and 1.33 respectively.

The same companies competed for the hook and ladder race with Caledonia added. In this Richmond Hill had its first accident at a tournament. The official time keeper said that the run of 300 yards in 41 seconds was the fastest of any of the teams, but in taking the ladder from the truck it was turned over and fell to the ground, which threw them out of the race. The first prize was given to Drummondville, time 50 1/2 seconds; second, Caledonia, 51; third, Seaforth, 51 1/2.

During the afternoon the Toronto base ball team, in a league match, defeated Hamilton by a score of 5 to 4.

The Richmond Hill crowd arrived home at 2 o'clock the next morning, and although not heavily laden with victory, all were perfectly satisfied with the day's proceedings.

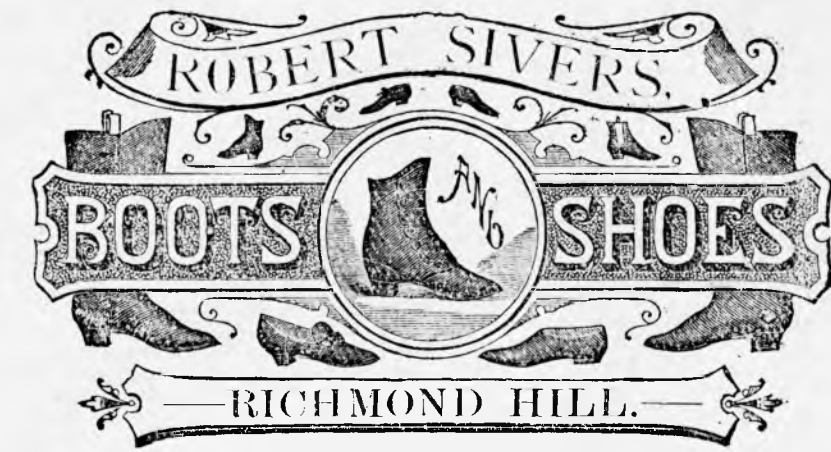

It would appear from town talk that Mr. Dilworth, the Toronto Druggist, is the only man that can furnish a suitable and rapid cure for the La Grippe or Influenza. Don't fail to call and see him when visiting the city and be convinced.
