 Base Ball Match.
 As our reporter was away on Saturday we are not prepared to give a full account of the base ball match between the baseball club and the cricket club. Suffice it to say the cricketers were beaten by a score of 27 to 4. "Every man at his trade." The cricket match between the same two teams is yet to be played.
 Farewell.
 Rev. G. N. Rutledge and Rev. J. M. Simpson preached their Farewell Sermons on Sunday, the former in the morning, the latter in the evening. Very good congregations listened attentively to their parting words of counsel and encouragement. Both ministers have labored here faithfully for the past three years. We trust their new fields of labor in Leslieville and Claremont respectively will be pleasant and profitable.
 Socrates never had a sock to his name, didn't wear suspenders and knew no more of a boiled shirt than a boiled owl. He was a philosopher and used to putter round at the philosophy business wrapped in thought and a misfit toga. These were his togs. He was not happy. No man can be happy unless his neck is stiffened with a good Rubberene Collar at 12 cents, his back braced with a dress shirt at \$1.00, his head crowned with a Derby at \$1.50, and his feet fixed in soft Sox at 25c. Atkinson & Switzer.

Late Train.

To-morrow (Thursday) night Proctor's Bus will meet the late train which leaves Toronto at 11 o'clock. This will be a good chance for those who wish to visit the Toronto Carnival and stay to see the evening programme.

Be Cautious.

We understand a number of store-keepers in neighboring villages have been fined \$20 each for selling Paris green without a license. It will be well for these who sell this potato bug extingisher to read up the law, as \$20 fines considerably lessen the season's profit on this commodity.

Smash up.

A run-away horse made things lively for a while this morning. As it was being driven through the village its driver jumped out of the buck-board to which it was hitched, to head off a cow that was also "on the fit." The horse started northward and ran as far as Arnold street. It then took the sidewalk which it kept as far as Glass' butcher shop. Meeting with obstructions here it freed itself from the vehicle, and made use of the plank till it was captured opposite Mr. Grant's residence. The animal was considerably skinned and bruised.

Thornhill vs. Richmond Hill.

The Base Ball match on the Park on Dominion Day between the junior clubs of Richmond Hill and Thornhill was very exciting. There was a large number of spectators, all of whom seemed to be very much interested. After playing nine innings each Thornhill were declared the winners of the ball for which they were playing. The play on both sides was remarkably good for young teams, but if some of the mothers would accompany their boys the language used on the field might be more choice. It seemed a characteristic of the game that the decisions of the umpire should be disputed.

Canada's Great Fair.

The receipt of a copy of the Prize List for this year's Toronto Industrial Exhibition, which is to be held from the 8th to the 20th of September next, reminds us that the fair season is again fast approaching. The Prize List shows the addition of many new classes and a large increase in the amount offered as premiums. Toronto offers many attractions to visitors during the season, but the greatest of all is its annual Exhibition which this year promises to be greater and better than ever. A copy of the Prize List can be obtained by any of our readers, who may desire one, by dropping a post card to Mr. H. J. Hill, the Secretary, at Toronto.

Vaughan S. S. Institute.

The fifth quarterly meeting of Vaughan S. S. Association in Institute exercises was held in Murray Chapel, Vaughan, June 25th, 1890 with Rev. A. McLaughlin, Pastor of the church as Director. Several of the ministers from the township were present; also S. S. workers from several schools. The papers presented had been thoughtfully prepared. Many of us knew more about our bibles at nine o'clock than night before. Healthy discussions followed the papers. School difficulties also were presented and discussed. A desire to help and be helped pervaded the meeting. Murray Chapel friends gave the Institute a good tea. The next Institute meeting was announced to be held (D. V.) in Concord Methodist Church, Vaughan, in October and this meeting of instruction best understood by those who attended. Closed, Rev. C. H. Shortt giving the Benediction.—Com

Rainbow Social.

The young ladies of the Methodist church never disappoint their patrons on Dominion Day. Their endeavors are to please, and they are always eminently successful. Their Rainbow Social and Promenade Concert on Tuesday evening was well managed and had much to recommend it besides its object which was to strengthen the funds of the church. It was a delightfully planned programme, successfully carried out, and met with deserved success. The large Agricultural Hall was beautifully decorated with Chinese lanterns and evergreens, and the effective grouping of the ladies' delicately-colored gowns and caps with their varied fashioning, was well calculated to delight the eye, and convince people that the entertainment was appropriately named, as all the colors of the rainbow were well represented. The Band contributed largely to the pleasure of the evening by its choice selections of music, and the tempting ice cream and other delicacies found a ready sale. The receipts were about \$100 which would have been very much larger but for the Toronto Carnival and other counter attractions so close at hand.

It would appear from town talk that Mr. Dilworth, the Toronto Druggist, is the only man that can furnish a suitable and rapid cure for the La Grippe or Influenza. Don't fail to call and see him when visiting the city and be convinced.
