UNFOUNDED RUMOURS.

Different Conservative newspapers in the province are scattering the report that the Hon. Edward Blake is endeavoring to supplant Hon. Wilfrid Laurier as leader of the Dominion Opposition. Every member of the Liberal Parliamentary party knows such reports to be untrue. Every member of the Liberal Parliamentary party knows that so long as Mr. Blake's health allowed him to stand at the helm he had their full confidence and best support, and every one of that party knows that Mr. Laurier reluctantly accepted the position after a pressure on all sides to do so. The present leader of the Opposition is a gifted orator, he is the soul of honor, is well read on all political questions, and no man in Canada can show a cleaner record as a public man. It is true Mr. Laurier would willingly and cheerfully give place to his predecessor if the latter would consent. He knows Mr. Blake's great ability to which he has referred in the following words:—"America has not Mr. Blake's equal, nor Europe his superior."

It seems scarcely necessary to contradict such statements regarding a change of leaders, but to settle the matter Mr. Blake has written the following letter to the Editor of The Globe which answers for itself:

MAISONROUGE, Pointe au Pic, P. Q., June 30, 1890.

SIR,—My attention having been called to the fact that your recent article has given circulation among Liberals to Conservative allegations that I desire to resume the leadership of the Liberal party, I beg space to say that there is not a grain of truth in these allegations, and that I am no more desirous to resume than I was to assume or to retain that post.

My only wish is that the confidence and affection of Liberals of all shades may induce Mr. Laurier to hold the place which he so admirably fills. I have etc.

EDWARD BLAKE.

"GIVE US A REST."

No person need be surprised that Hamilton newspapers are poking fun at Toronto on their lack of success with their recent carnival. Even the leading journals of the Queen City could not refrain from pointing out that the whole affair was a huge farce. After it was all over, they naturally ask why was it ever allowed to take place. With the exception of two or three aldermen no person seemed at all anxious for the carnival, and as it ended in a complete fizzle the citizens were naturally inclined to feel indignant. They had been used to success on former occasions, and were not prepared for rash or useless enterprises.

But admitting the failure of the undertaking from almost every standpoint, people are disgusted with the daily sketches in the Evening Telegram. That journal ridicules the concern in every issue, and although the paragraphs may have been read with some degree of interest for a few days, the intended jokes have become stale after a week's duration. It is difficult to say whether the Telegram is actuated more by a desire to injure the reputation of the city, or to throw mud at E. King Dods. There is little doubt the latter gentleman had a desire to make a personal boom for himself, but his failure is not the first on record, and the Telegram should give its readers a rest.

What did I tell you two years ago? I told you the electric light might some of these fine mornings be shining in your windows all along the line of Yonge St., well the Electric Railway is O. K. so is the Rock Spring Coal Oil in the city. It waste shoe leather trying to find the cheapest and the best; go to Dil-Drug Store next Nipissing Hotel, Toronto.

Firemen's Tournament.

If the three previous days of the Toronto Carnival had been as successful as Thursday, the closing day, people would not have much chance to poke fun at Ald. King Dods and the other members of the Committee. It was Firemen's day, and proved a very interesting one. As usual Richmond Hill Fire Brigade gave a good account of themselves. Two loads left the village about 7 a. m. and took part in all the contests.

At 1 o'clock the different brigades formed in procession on Lombard street and marched to the Exhibition grounds. They were well dressed and provided a spectacle well worth seeing. The best of music was furnished by well equipped bands.

The first event in front of the grand stand was a contest between the hose companies, in which the competing teams of fifteen men each were to run 200 yards with a hose reel, attach to a hydrant and lay 350 feet of hose. Before the races commenced the teams which had made the march of about five miles protested against Seaforth and Caledonia competing, as these teams stepped on the grounds fresh from their vehicles. They ran under protest, but the committee decided that the rules had to be followed, and Caledonia and Seaforth were thrown out. The hose race was won by Little York in 51 seconds, prize \$125; the 2nd and 3rd prizes, \$75 and \$25, were divided between Richmond Hill and Trenton, time 51 1/2 seconds.

In the hook and ladder race the men were required to run 300 yards with wagon, raise a 50 foot ladder and send a fireman to the top. First prize, \$100, won by Niagara Falls, time 48 3/5 secs. Second prize, \$60, won by Richmond Hill, time 50 1/5 secs.

In the Hub and Hub race there were seven entries. The teams were to run 300 yards with reels. This was perhaps the most exciting contest of the day. Richmond Hill got first money \$50; Trenton took second \$25.

Richmond Hill was also awarded first prize, a \$25 clock, for having the best display of fire apparatus.

After the races the firemen were invited to partake of refreshments in the dining hall.

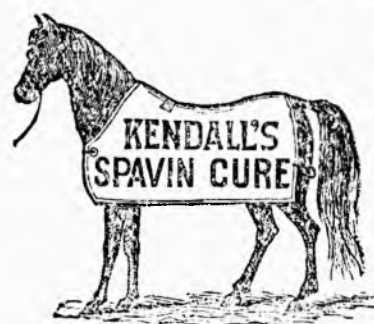

The afternoon's proceedings being over the firemen had to wait till after 9 o'clock when they again took part in the Carnival procession from Exhibition park along Niagara Street, King Street and Yonge Street to the Queen's Park. Although the citizens and visitors were weary in waiting, when the procession did arrive it was a gorgeous spectacle. The Richmond Hill firemen started for home about midnight which they reached about 3 a. m. very tired after a hard day's work.

On the following evening (Friday) there was a torchlight procession in the village, headed by the Brigade Band, after which the victorious firemen were given a banquet by the citizens, in the Masonic Hall. Toasts were drunk, songs were sung, and the firemen received many warm congratulations for their success. It was admitted by all that the prizes, amounting to \$160 in cash and a \$25 clock, was a good day's work for them. Our Brigade work hard to keep up their good reputation, and they are worthy of all the praise bestowed upon them.

During the evening Mr. J. H. Sanderson read the amounts in money that the Brigade had won in firemen's tournaments as follows:

In 1883, in Toronto\$150
" 1884 " " 225
" 1886 " Aurora 150
" 1889 " Guelph 150
" 1890 " Galt 40
" 1890 " Toronto 160
