Carrville

The Public school closed with its annual picnic on July 4th. Before closing the pupils presented Miss B. Page with a handsome Writing Desk and the following address:

DEAR TEACHER.—We, the pupils of Carrville Public School, being deeply sensible of the debt we owe you for your constant and zealous labors in our behalf, and at the same time feeling our present inability to suitably repay you, wish to express our sincere gratitude and thanks for all benefits we have received. We have ever found in you a true friend and helper, for you have not only always striven to promote our best interests in school, but you have also ever been willing to join us in our games and do everything in your power to promote our temporal happiness. Therefore we wish to show that we have appreciated your efforts and ask you to accept this present as a token of our esteem, remembering that we offer it not as a reward, but as a token and reminder of the friends you will ever have in us.

Hoping you may have a very pleasant time during holidays,
Signed on behalf of the school,
EADIE A. NESS, EMILY E. KIRKBY,
MINNIE WOOD, ALMA A. COOMBS,
Carrville, June 30th, 1890.

I want every lady in the County of York to use the Sunset Dyes. I believe every lady having used them says positively and distinctly that the Sunset Dyes at five cents a package are superior to all others sold at ten cents, and I say just as certain that if the above statement isn't true I will give them for nothing, I want you to call and get a package to try it, and pay for it after using. Dilworth's Drug Store next to the Nipissing Hotel, Toronto.

Please call yourself, and tell your friends to call at Dilworth's Drug Store, 170 King St. East Toronto. Between the Clyde and Nipissing Hotels. The only place such information can be had.

Only those who write to us at once can make sure of the chance. All you have to do is return to us the name of the person to whom you call your neighbors and those around you. The beginning of this advertisement shows the small end of the telescope. The following cut gives the appearance of it reduced to about the fifth part of its bulk. It is a grand, double steel telescope, as large as is easy to carry. We will also show you how you can make from \$25 to \$100 a day at least, from the start, with our assistance. Better write at once. We pay and ship charges. H. HALLETT & CO., Box 886, PORTLAND, MAINE.
