Why pay 20 to 30 per cent. profit for goods when Neville is selling Dry Goods, Clothing, Boots and Groceries for less than cost to save moving them.

Official Meeting.

Every branch of the circuit was represented at the Quarterly official meeting held in the Methodist church on Monday. The greatest unanimity prevailed among the members and interesting discussions took place on different matters. It was decided to keep the salary of Rev. Mr. Speer, superintendent of the circuit, at \$800, and that of Rev. Mr. McCulloch, assistant, at \$700.

**For Sale.**  
Lot 7, according to the plan of the village of Rich'd Hill, will be offered for sale by Public Auction at the Palmer House, on Saturday the 23rd of August. For description of this property see advertisement elsewhere in this paper.

**Fall Fairs.**  
The Industrial Exhibition will be held in Toronto from September 8th to 20th. North York Fair will be held in Newmarket on the 2nd and 3rd of October. East York Fair in Markham on the 8th, 9th and 10th of October, and West York Fair at Woodbridge on the 21st and 22nd of October.

"Cool as a cucumber"—Rupert's Ice Cream.

**Heavy Loads.**  
Two large furniture moving vans, belonging to J. Lester, Toronto, passed through the village on Saturday, bound for Eversley, 3rd Con. King. They were very heavily loaded with furniture, stone goods, &c. The teamsters had dinner at the Dominion Hotel and gave their horses a rest, which they very much needed.

You'll "put your foot in it," if you see our 25 cent Hosi; there's unusually cheap. Come in and we'll sock it to you. These goods are to be found at The Fire Proof store.

**\$20 Reward.**  
As will be seen by posters and advertisement elsewhere in this paper Mr. Josiah Reaman, Carrville, has been robbed of a quantity of honey. Naturally he feels the injustice keenly, and offers a reward of \$20 for information which will lead to the apprehension and conviction of the party who committed the mean act.

C. Mason has three Fanning Mills to sell very cheap. Good chance for farmers.

Kilgour's paper bags always kept in stock at THE LIBERAL store.

**A Bank Barn.**  
Quite a number of our citizens attended the raising of Mr. Gideon Hislop's barn, 2nd Con. Vaughan, on Friday. It will be remembered that some months ago Mr. Hislop unfortunately lost his former barn and sheds by fire, hence the necessity of new buildings at the present time. Messrs. Cosgrove and Line are putting up the new building which will be large and commodious. At the raising on Friday every brace and piece of timber went together without the least difficulty which speaks well for the framers.

**Water from Bond's Lake.**  
At a meeting of the rate-payers of North Toronto, held recently the question of a water supply for the town was discussed. The estimated cost ranged from \$250,000 to \$300,000. Among the schemes discussed the idea of getting the water from Bond's Lake was a popular one. Owing to the magnitude of this scheme it was thought it should require serious consideration, but it was agreed that the venture would be a good and lasting investment.

**Light-Footed.**  
Last Friday morning a Scarborough farmer had rather an unpleasant experience with his horse while in the village. He had come to the repair shop of Messrs. Savage & Nicholls, but his horse turned out to be a genuine kicker. Opposite the "Bee Hive" he was compelled to unlatch from the light waggon, so light-footed was the animal. It was then put through a system of training in Palmer's long shaft vehicle. The local horse trainers rendered good service, but on going down grade all their skill was defied. It is to be hoped he reached home safely.

**License Commissioners Meet.**  
A meeting of the License Commissioners for West York was held in the County Court buildings on Wednesday of last week. There were present—Dr. J. M. Cotton (chairman), Mr. M. Naughton, Mr. H. H. Dewar, and Inspector Robert Wilcock. The licenses of Mr. William Skarden and Mr. Peter Doyle, of Thornhill, were extended for the balance of the current year. The case of Mr. Thomas Griffith, of Teston, who was also asking for an extension of his license, was held over for further consideration. The clerk of the municipality has been asked to certify to the signatures on the petitions in this case, and when his report has been received the commissioners will meet again.

### Oak Kidges.

The continued excessive heat is ripening the harvest very fast and the probabilities are that when dry weather sets in the harvest will soon be all brought in. Fall wheat is not generally so good as was expected owing to rust and blight; barley is an average crop, will be considerably colored; oats and spring wheat have improved very much lately but some have already been cut being too early to be benefited by the late rains.

The following are some of the many resorters who have visited or are visiting our burgh during the summer months to rest and be refreshed amidst our beautiful lakes and picturesque scenery:—The Misses Goldring, Miss M.
