A CHEAP LIBRARY

THE RICHMOND HILL "LIBERAL"

—AND—

THE ENCYCLOPÆDIA BRITANNICA

REVISED AND AMENDED

In Ten Large Volumes, Well Bound, at a very low figure.

The Full Set, Bound in Cloth, including a year's subscription for THE LIBERAL, for \$24.50.

This makes a whole Library in itself, and is an excellent offer.

The most prominent Educationists and Divines in Canada have given the highest commendations of the work.

TESTIMONIALS OF ITS WORTH.

The following are but samples of hundreds:

FROM ALFRED BAKER, DEAN OF THE UNIVERSITY, TORONTO.

The popularized edition of the "Encyclopædia Britannica," which is offered at so low a price * * * is one of the most valuable books ever placed before the Canadian public. The high technical articles of the original edition have been abridged and presented in a form more acceptable to the general reader, while fresh information on subjects of wide interest has been inserted. It will prove an invaluable acquisition to any household or private library.

December, 1890.

FROM REV. JOHN POTTS, D. D., TORONTO.

I have examined a volume of the "Encyclopædia Britannica, Revised and Amended," with my own copy which cost me six dollars a volume, and am surprised at the cheapness of the work offered * * * The "Encyclopædia Britannica" is a library in itself, and would be simply invaluable to the people of this country in its educational and elevating influences. I rejoice in the enterprise of the publishers on making such an offer to its subscribers.

December 4th, 1890.

The Books are now on exhibition at THE LIBERAL Office.
