A CHEAP LIBRARY!

 REVISED AND AMENDED

In Ten Large Volumes, Well Bound, at a very low figure,
 The Fall Set, Bound in Cloth, including a year's subscrip-
 tion for THE LIBERAL, for **\$24.50.**
 This makes a whole Library in itself, and is an excellent
 offer.
 The most prominent Educationists and Divines in Canada
 have given the highest commendations of the work.

TESTIMONIALS OF ITS WORTH.
 The following are but samples of hundreds;
FROM ALFRED BAKER, DEAN OF THE UNIVERSITY, TORONTO.
 The popularized edition of the "Encyclopædia Britannica," which is offered at
 so low a price * * * is one of the most valuable books ever placed be-
 fore the Canadian public. The high technical articles of the original edition have
 been abridged and prepared in a form more acceptable to the general reader, while
 fresh information on subjects of wide interest has been inserted. It will prove an
 invaluable acquisition to any household or private library.
 December, 1890.
FROM REV. JOHN POTTS, D. D., TORONTO.
 I have examined a volume of the "Encyclopædia Britannica, Revised and Amend-
 ed," with my own copy which cost me six dollars a volume, and am surprised at the
 cheapness of the work offered * * * The "Encyclopædia Britannica"
 is a library in itself, and would be simply invaluable to the people of this country in
 its educational and elevating influences. I rejoice in the enterprise of the publishers
 on making such an offer to its subscribers.
 December 4th, 1890.
 The Books are now on exhibition at THE LIBERAL
 Office.
