## The Liberal.

RICHMOND HILL, Thursday, July 23, '91

### LOCALS.

We have been favored with a copy of the Annual Report of the Canadian Press Association. It contains a list of the officers and members, the constitution and by-laws of the Association, and much useful information for editors and publishers.

Found in Georgetown.  
 The horse, buggy and harness referred to last week as having been stolen from Mr. Ryan's, near Bond's Lake, was found about a week after the theft in the town of Georgetown. The horse and rig were left at the railway station, where it is supposed the thief took the train and left for parts unknown.

Price of Coal.  
 By Mr. W. R. Proctor's advertisement on another page it will be seen that coal is cheaper than it was at the close of last season. He is prepared to supply the genuine article at Maple for \$5.50 a ton, and at Richmond Hill at \$6.25. It is quite safe to purchase at the above price.

Finally Passed.  
 The following candidates who wrote at the recent Entrance Examination were recommended by the Local Examiners, and have since been finally passed by Mr. Miller, Deputy Minister of Education:—Nellie Drury, Annie Teasdale, Laura Vandortburgh, Fred H. G. Ho, Louis Keffer, Wm. Malloy, John McDonald, Andrew Webster.

Testing the Depth.  
 Mr. Wallace Michael, road overseer, acting under instructions from Mr. J. T. Stokes, superintendent of the York Roads, started yesterday to test the depth of metal on his road beat every 100 yards. He found the stone through the village part of the road to average about ten inches in depth.

The Palmer House.  
 By Mr. Kelly's card which appears elsewhere in this paper it will be seen that the new proprietor is bound to keep up the hitherto good reputation of the Palmer House. Good brands of liquors and cigars will be kept, and every accommodation will be provided for the travelling public. A call from friends will always be appreciated.

Newmarket vs. Richmond Hill.  
 The next championship lacrosse match in the York district, C. L. A. will be played on the Park here between Newmarket and Richmond Hill, on Friday, 31st of July. Ball to be faced at 3 p. m. Admission 15 cents; Grand stand free. Those wishing to see a good exhibition of lacrosse should be present at this match, as it will be in all probability, one of the most exciting of the series.

The Crops.  
 A few hours' drive around the country to the north, south, east and west of Richmond Hill will convince any person that the farmers in this section have good prospects for more than an average harvest. The change for the better during the past six weeks has been almost miraculous, as the most hopeful during the latter part of the dry season could not have thought that any amount of rain would bring crops to anything like a fair average. The straw is not long, but the yield of grain from many fields will be great. The farmers—and when we say the farmers we may include all classes—have every reason to be grateful for their almost providential escape, some of them from bankruptcy.

The Junction Defeats the Hill.  
 An exciting lacrosse match took place on Saturday between the teams of Toronto Junction and Richmond Hill, on the grounds of the former. The contest was one of the series for the championship of York district. There was the keenest rivalry between the clubs notwithstanding which there was the best of humor throughout, and the spectators were delighted with the excellent play on both sides. It was, however, not the day for the Hill boys to win, as unfortunately, some of their strongest men were not available on that day. The Junction finally captured the match by four games to two. Mr. James Garvin, of the Toronto Lacrosse Club, refereed the match to the satisfaction of both sides.

Harvest Mitts, large assortment, good value, Naughton Bros., Elgin Mills.

Bang!!  
 Mr. J. Eyer, on the 2nd concession of Markham, is not one of those men who lock the door after the horse is stolen. A few nights ago his faithful watch-dog alarmed the inmates by loud barking, and the family made up their minds they were going to be serenaded as was their neighbor, Mr. Harry Leece, a week or two before, when the house was entered and a number of things taken. Mr. Eyer's first thought was to proceed to the barn in which direction the dog was barking, but remembering that "discretion is the better part of valor," he raised the window, pointed the old musket, and fired into space. Early next morning the proprietor went out, but neither blood nor any trace of the supposed visitors were to be seen. The salt pork in the barn was also left untouched.

Engage an Instructor.  
 Considering the small number of players who furnished music at the Raspberry and Ice Cream Festival at Dufferin Grove last evening the performers did well, and were highly complimented on the rendition of some of their selections. It is to be regretted that the members do not re-organize themselves and go to work in earnest. There are all the instruments necessary and plenty of material for a first-class band of musicians. There is certainly a lack of ambition in some quarters, of the Fire Brigade Band would never have disorganized. Those who are desirous of becoming proficient in the art must make up their minds to "dip" down in their pockets, and hire for themselves a well-skilled teacher. If they are prepared to do this they will soon have a band that will be a credit to the village and a credit to themselves. We sincerely hope that the boys will "get a move on."

Sugars, by the pound or barrel. Prices right. Naughton Bros., Elgin Mills.

An Interesting Address.  
 On Tuesday evening Mrs. (Dr.) W. J. Law, organizer for the W. C. T. U. in the State of Michigan, gave an excellent address in the Temperance Hall on the subject of Temperance and the state of the Union in the United States. Mrs. Law is an able advocate of Prohibition Woman Suffrage and the Social Purity department of Union work. As a lecturer she has a very pleasing address, and an inexhaustible store of pointed facts, which she presents with a vivacity that holds the attention of her audience until they "take no note of time." She spoke over an hour, and kept her audience wide awake. Mrs. Law also excels as a reciter, and enlivened the meeting by songs and music. It is seldom that we are favored with an evening's entertainment and instruction equally good. On motion of Mrs. G. Wiley, Provincial Secretary of the W. C. T. U., seconded by Mr. Wm. Sanderson, a vote of thanks was given to the lady, to which she replied with appropriate remarks and music.

Garden Party.  
 The Garden Party held by the ladies of St. Mary's Church, at "Dufferin Grove," the residence of John Brown, Esq., last evening, was well attended. The grounds were in perfect condition, the trees and shrubbery looked their prettiest, and the Chinese lanterns, which were hung in profusion, made the whole surroundings an enchanting resort. The village band played appropriate music, and everything passed off satisfactorily. The raspberries and cream, in conjunction with more substantial edibles, afforded a hearty meal, and the ice cream and other delicacies were such as to please the palates of the most fastidious. The following tableaux were well executed under the able management of Miss Langstaff, of Thornton:—Mrs. Winslow's Soothing Syrup, The Sailor's Farewell, The Sailor's Return, Comin' thro' the Rye, The Flower (Flour) of the Family, Music, Song and Dance. The order, however, during the exhibition of the tableaux, was not what might be desired, as some of the onlookers in their anxiety to see, became not only enthusiastic but boisterous. To have the scenes perfect, there must be perfect quiet. The proceeds of the evening's festival will add considerably to the funds of the church.

S. S. Excursion.  
 Last Friday, teachers and scholars of the Methodist Sabbath School, with parents and friends to the number of two hundred, enjoyed an excursion to Island Park, Toronto. The conveyances provided for the occasion formed quite a procession, and their lively occupants proved quite a sensation as they passed down Yonge Street to the bay. The day was as beautiful as could be desired. The first sail on the water, too pleasant to be forgotten by many a little one, and the pleasant anticipation of an early investigation of the contents of well-filled baskets of good things to come, made both old and young look forward with increasing appetites to the hour of participation. Island Park makes an excellent pic-nic ground. With grass like a carpet stretching for acres around, abundant shade trees, well supplied with water, tents, tables and seats, lacrosse and tennis grounds, swings and merry-go-rounds, it affords a place of enjoyment to parties large and small, which seem to be arriving by every boat that touches the wharf. After spending about eight hours in amusement or roaming along the lake shore, the party re-assembled at the corner of Church and Wellington Streets, when it was found that two little fellows were left behind. A search party was immediately sent out, and ascertained that the little travellers were heading for home, but on the wrong boat. All aboard! was then sounded by the marshal—Mr. Wm. Atkinson—who was indefatigable in his efforts to carry out the programme, and all reached home in safety, well pleased with the trip.

PERSONALS.

Mr. Thos. Young, of Toronto Junction, formerly of this village, and a prominent member of the old Canadian lacrosse club, was married in Aurora on Tuesday, to Miss Lemon, daughter of Mr. Geo. Lemon, of that town.

Mr. Robert Hamilton, of Indian Territory, U. S., is spending a few weeks with his mother at the Elgin Mills. As he has not been home for four years he took advantage of the teachers' excursion to visit his relatives and friends.

Mr. McClure, of Woodbridge, clerk for His Honour, Judge Boyd, revising barrister for West York, has been in the village during the week copying the Assessment Rolls of Vaughan township with a view to preparing the Dominion Voters' Lists.

### Sports.

Mr. McMicking, a Canadian, won the Prince of Wales' prize at the meeting of the National Association at Bisley.

The Cornell Lacrosse club defeated the Athletics, of St. Catharines, on Friday, on the grounds of the latter, by four straight games.

At Island Park, Toronto, on Saturday, the Athletic Lacrosse club, of Toronto, defeated the Aetnas, of Georgetown, by 3 games to 2.

The Hamilton cricket eleven was defeated on Tuesday by Germantown in one innings with four runs to spare. Germantown made 106 and Hamilton 82 and 20.

The great double scull match between Hanlan and O'Connor and Guadaur and McKay has been definitely settled for decision at Hamilton on the 8th of August.

The Toronto cricket club defeated the Germantown club on Saturday by 7 wickets. The visitors made only 100 runs in two innings, a result due to the successful bowling of Dickey and McGivern.
