Maple
Three of Maple's fishermen, accompanied by a friend from Toronto, betook themselves on Friday afternoon, to St. George's beautiful lake. After many fruitless attempts the boat was beached in the Gap. Lines were cast to the right and left. Considering the roughness of the water the catch was good. On the return trip they partook of luncheon at Bell's, Bond's Lake Hotel. The fish were served, in the most tempting manner, on Saturday evening, at the Richardson House, Maple. The boys purpose visiting the lake in the near future.
Mr. James Oliver, of sporting fame, has his Little Hamilton trotter, in training, Ephraim, of Sherwood, will soon have to take second place.
Mr. Amos Shunk, butcher pro tem, wishes to purchase a nice driver. It must be sound, gentle, and a good looker. None need apply unless a written guarantee can be given.
Mr. M. H. Lloyd, of Haron St., Toronto, has been spending a short time with Mr. J. T. Saigeon, Insurance Agent. We are pleased to see that C. H. Ham

has once more returned to his paint shop. Charlie has had considerable sickness lately. Not being very well the Toronto trip was too much and knocked him out completely.
William, the warrior, has donned the war paint and feathers. The Very Best was completely worsted. Talk of another street exhibition next week.
Where was Constable Rumble?
According to posters Maple's Civic Holiday was honored last Thursday. About five hundred visited the beautiful pines east of Maple. The foot-ball contest was very exciting. The first to contest were Maple Juniors and Kinghorn Lowell Vics. Full time was played and no goals taken. Extra time was then allowed and Kinghorn secured a goal, thus winning the prize. The next to contend were Kinghorn Lowell Vics' Seniors and Concord Seniors. Excitement ran high in this match. Each team seemed determined to carry off the trophies. During the allotted time a goal was scored by each team. Twenty minutes were then allowed, to change goals at the end of ten minutes. Kinghorn worked to a man securing a goal. Such a contest has not been witnessed in this locality heretofore.
100 yards race was competed for by A. Campbell, Jas. Patton, Geo. Porter and Geo. Fisher. A Campbell, of Concord, secured first prize and Jas. Patton, of Laskay, second.
Boy's race 50 yds., 12 years and under. Competitors, C. Woods, Fred Rumble, Percy Keffer and John McKenzie. The boys ran well, Percy Keffer winning first and John McKenzie second.
Girls under 12 years. Competitors, Dolly Dillworth, Flossie Rupert, Lydia Line, and Ella Dillworth. Dolly Dillworth won first prize easily, followed by Flossie Rupert who secured second place.
Hurdle race. Competitors, Jas. Patton, A. Campbell, — Mortson, C. Forester, — Porter. This race was very exciting. C. Forester won first. Patton and Mortson had to run second time for second place, Patton coming off victorious.
Hop, step and jump. Competitors, Porter, Forester, and Ashton. Forester won first and Porter second.
The farmers were too much crippled up to compete for the 40 year race.
The fat man's race was not competed for, the only entry being A. J. Rupert, of Rupert & Co., Bakers and Confectioners, Richmond Hill.
The youth and beauty enjoyed tripping the Light Fantastic in the evening, until the rain came down in torrents. The receipts amounted to ninety dollars.
R. Thompson, of the post office store is at times very absent minded. On Saturday evening he blew out the lights and left the front store door open. Luckily no one noticed it until the Village Wanderer, Charlie, was making his usual morning walk to see Jennie, when he at once aroused the merchant from his peaceful slumbers, stating that his store to all outward appearances had been burglarized.

Laskay
Threshing is again started in this community. On Saturday last Messrs. Brown & Wiles had their new separator and engine placed on Church street, testing it in order to see if everything was all right to commence their work on Tuesday, health and weather permitting. The two above-named gentlemen purchased a "Monarch" separator manufactured in Clinton and a Waterous engine of Brantford, and I might say there is no better rig for threshing in this vicinity. As Messrs. Brown & Wiles are two steady, sober, industrious young men, and as they are residents of this neighborhood and are seemingly well liked there is no doubt that they will inherit the largest share of the threshing patronage throughout this section. I would advise the farmers of this locality if they want a small day's threshing done employ Brown & Wiles for they have the best equipped turnout for doing good work that has passed through this village for some time. As the gentlemen are new beginners I hope that they have a large harvest and a successful season.
Mr. H. Teasdale having a half day to himself last week thought it would be a change for him to try and help his father haul in wheat and make the work a little lighter for the old gentlemen, and with the aid of his son Harry they managed to get their grain in safely. No doubt he would feel better after a good sweating.
Mrs. Sleeth, of Toronto, is visiting friends in this neighborhood.
Mrs. Peter Mathieson and daughter formerly residents of this place, now residing in Toronto, are spending a few weeks visiting among their old friends of this vicinity.
Mrs. Isabella Sinclair spent last Saturday in Toronto among her old friends there.
Mr. J. M. O'Brien spent last Sunday in the precincts of Purpleville.

Victoria Square.
A friendly game of football was played here on the 18th between Unionville and the Vics. This match should have been played on Saturday previous to date but was postponed. However, on the date mentioned the teams faced each other but at a late hour, as it was impossible for some of the Vics to be there sooner. Unionville won the toss and decided to kick-down the slope. The Vics kicked off and the ball was kept pretty much in the vicinity of the Unionville goal, but was not put through. When time was called and the goals were changed the Vics had the best of the play but did not succeed in scoring as the shades of night were fast falling and as the remainder of the game was likely to have been played out by moonlight, it was decided to play the return at Milliken's Corners at the garden party there.
The Lodge intend giving an open entertainment on the evening of the fourth of September, when Rev. Mr. Speer will deliver an address. In connection with the address there will be other entertainment, consisting of singing, &c.
Rev. J. C. Speer intends holding a four days' meeting in the church here early in September.
We understand that Dr. W. Hunter intends to build up a practice in our village if he can get a residence, and as it is likely he can, we will soon have a doctor in our midst. Business is looking up here.
Mr. R. Goodyear has been engaged in blasting several large stones which have impeded traffic on the main street.
Mr. M. Brown, of Detroit has been spending a few days with his parents.
Mrs. C. McKinnon, of Michigan, who came home to attend the funeral of her brother, the late Mr. J. Perkins, is spending a short time among relatives and friends.
Miss Wales is visiting at Mr. J. C. Jenkins'.
The Misses Sheppard, of Richmond Hill, are visiting at Long Lane Farm.
S. S. No. 6 have engaged Mr. W. Collard to fill the vacancy caused by the death of Mr. J. Perkins.
(Too late for last week.)

News Notes.
Superintendent Senecal, of the Government Printing Bureau, has been dismissed.
Callahan, the man who robbed the Hamilton Street Car Company of several thousand dollars, has been sentenced to the penitentiary for two years and two days.
The by-law in Markham Village to raise \$4,000 for the erection of a new High School in that village failed to carry. It is said the Government Grant has been withheld as they have so far not complied with the school law.
Nine freight cars and a locomotive plunged into the canal at Burlington beach a little before midnight on Sunday night. The fireman and a brakeman lost their lives by drowning in the canal. The engineer escaped by jumping.
