# GREATEST .. PROPOSITION

EVER OFFERED.

### THE RICHMOND HILL "LIBERAL"

REVISED AND AMENDED

A WORD TO MINISTERS.

Our ministers find it necessary to purchase many books, but only few of them feel that they can afford to pay from \$150 to \$200 for an expensive Encyclopædia. This is a progressive age. THE LIBERAL offers the "Encyclopædia Britannica, Revised and Amended," which is acknowledged to be the very best work ever published, in connection with a year's subscription to the paper, for the small sum of 50 cents per week for one year. This great work is recommended by the leading clergymen in the Dominion. You cannot afford to do without it. Call at our office and see it, or write us and we will send you a descriptive circular.

A WORD TO LAWYERS.

Now is the opportunity to make the valuable edition to your library that you have long been contemplating. The Encyclepædia Britannica, Revised and Amended, is a necessity to every lawyer. Questions are coming up every day which make an Encyclopædia indispensable to you. Fifty cents per week for one year will purchase this mammoth publication and get you a yearly subscription to one of the best newspapers published in the Dominion, in the bargain.

A WORD TO MEDICAL MEN.

Doctor, you may have your shelves filled with medical books, but your library is incomplete without the Encyclopædia Britannica, Revised and Amended. Do not think because you have got along so far without an Encyclopædia that you can continue to do so, and can borrow from your neighbor, or put off getting the information that you require until some future day. As you know, this great publication treats of every conceivable subject, and you should lose no time in getting possession of it. Fifty cents a week for one year will make you the owner of the work and give you a first-class newspaper for a year besides.

### A WORD TO TEACHERS.

Ten years ago not one teacher in five hundred had an Encyclopædia. To-day there is hardly one in five hundred, but that either owns an Encyclopædia or has access to one. Free Libraries and Mechanics' Institutes have accomplished great things for the teachers and others in this Dominion of ours, but the time has now come when teachers require books for every day use. THE LIBERAL offers teachers a chance to get a library of their own in one great publication, viz : "The Encyclopædia Britannica, Revised and Amended." The information contained in this colossal work represents the careful labor of over 1,000 of the ablest writers of the nineteenth century, and is complete up to 1891. Fifty cents per week for one year makes you the happy possessor of this vast storehouse of knowledge.

This great proposition will not last always and you should take advantage of it at once. The books can be seen at THE LIBERAL Office.
