### Oh, What a Cough.

Will you heed the warning. The signal perhaps of the sure approach of that more terrible disease Consumption. Ask yourselves if you can afford for the sake of saving 50c. to run the risk and do nothing for it. We know from experience that Sibbald's Cure will cure your cough. It never fails. 3-12 Cm.

### Accident.

Master Roy Delabaye met with an accident in Trench's carriage works on Tuesday, which, though bad enough, might have been more serious. His right hand came in contact with the planer, and two fingers were pretty badly cut. The Dr. who dressed the wound said that in all likelihood, one finger would always be stiff.

### Concord.

A very enjoyable time was spent on Tuesday evening at this place. The Patrons of Industry gave a grand Oyster Supper and this was followed by a good entertainment. As there was an abundance of good things left a big time is again expected on Friday evening, 29th inst., by way of a social. A good programme will be provided on that occasion. Admission 15 cents. All are invited.

The great verdict of the smokers of Canada is that "Myrtle Navy" is the finest tobacco they have ever used. There can be no mistake upon this point for it is proved by this tangible evidence. The large demand for this tobacco shows it to be true, and the character of the demand gives further proof. It has never been of the spasmodic kind, up one month and down the next. It has been a sustained and constantly increasing demand. The unsurpassed quality of the tobacco accounts for this.

### S. S. Convention.

The 22nd Annual Convention of Markham Township Sabbath School Association commenced in the Methodist church, Victoria Square to day (Thursday) and will be continued to-morrow. Ministers, Sabbath school teachers and officers are cordially invited to attend. All meetings open to the public. An interesting programme has been arranged for each day.

Mr. and Mrs. R. D. Beman, Excelsior Duet, Royal Templars, held a song service in the Methodist Church on Sunday evening. They attended the Sabbath School in the afternoon, and sang a couple of pieces very creditably. The former also addressed the S. S. scholars. On Tuesday evening they gave an exhibition of lime light views in the school room of the Methodist Church, but the attendance was small.

### Victoria Square.

We are pleased to learn that the entertainment, under the auspices of Rising Star Lodge, on Friday evening last, was a decided success. The hall was packed to the door, and considering the cramped condition of the audience, the best of order was maintained throughout the programme. The receipts were much in advance of what the committee anticipated. It has become a realized fact that if the members of K. S. T. instead giving entertainments they will love to enlarge their hall.

### Presbyterian Church.

In accordance with announcement Rev. W. W. Percival, M. A., delivered a lecture before the Mental Improvement Society, in the Presbyterian Church, on Friday evening. Subject:—"The Lights of the Epworth Rectory." He gave an interesting account of the ancient structure—the home of the Wesleys—the Wesley family, and particularly of the eminent divine—Mr. John Wesley. For the other part of the entertainment Miss Lizzie Palmer gave a solo, Mrs. Brydon and Mr. C. Pilgrim sang a duet, and Mrs. A. J. Campbell gave a reading.

### Public Meeting.

Notice is given that a public meeting will be held on Tuesday, February 9th, 1892, at 2 p. m., at the Court House, Toronto, to consider the advisability of forming a Mutual Fire Insurance Company for the County of York. All parties interested in the above project are invited to attend. The above notice is signed by N. C. Wallace, M. P.; W. H. Pugsley, ex-Warden of York; D. G. Stephenson, Reeve of East Toronto; John Richardson, Reeve of Scarborough; Andrew Russell, Reeve of Vaughan; S. T. Humberstone, Reeve of York; J. C. Stokes, Reeve of King; J. D. Evans, Reeve of Etobicoke; John Slater, Deputy Reeve of Markham; Geo. Wood, ex-Deputy Reeve of York.

### Headford.

The members and friends of the Methodist church, Headford, can generally rely upon a good attendance at their anniversaries, but this year the crowd was unusually large. On Sunday fair sized congregations listened to good sermons, and on Monday evening the church was literally packed. The dinner was far above the standard given at such places, roast fowl and tempting delicacies being in abundance. The church people did everything in their power to make their patrons comfortable, but with such a jam, their energies were taxed to the utmost. As soon as it was possible, the chairman, Rev. Mr. Gardner, introduced the Rev. G. K. Adams, to deliver his lecture "Grip and Get." As far as the lecturer went the discourse was well delivered, but a somewhat noisy element in the audience prevented him from giving it in full. This was unfortunate as the large majority of those present would have been pleased to have listened to the end. Talking spectators and crying children are certainly not parts of an audience to lend inspiration to a lecturer. Had the audience been all seated the order would, no doubt, have been otherwise, and added to the discomfort of those standing the wind was raging outside, which made the building creak again and again. Appropriate music was furnished by the Victoria Square orchestra. There was a good collection at the services on Sunday, and the proceeds from the dinner amounted to over \$180.

Mr. & Mrs. M. H. Long, of Chicago, have been making a visit with their relatives, Mr. & Mrs. A. Andrews.

### Band Concert.

The Vellore corset band intend holding a concert in the town hall, Vellore, on Friday, February 5th, 1892. The following talent has been secured: Mr. J. H. Cameron, of Toronto, elocutionist and humorous vocalist. Mr. Cameron is a great comique, and best of all, his selections are free from anything of an objectionable character. Mr. H. Simpson, late of New York, the greatest ventriloquist in the Dominion. Those who have heard him once will not fail to return and hear him again. Music by a first-class string band, and also by the Vellore corset band. Doors open at 7.30; chair taken at 8 o'clock by Dr. E. Sisley, of Maple. Admission, adults 25c.; children, under 12, 15c. Don't fail to go as a good time is guaranteed.

While supplying also the usual articles on dainty Fancy-Work, such as Crocheting, Drawn-Work, Knitting, Lace Making and Piker-Work, it will introduce a highly interesting series on "Physical Culture," and another on "Child Life," each of them to be illustrated as may be required by the text. Articles of the various series now current in the magazine will be found in their regular places, among them a most important one on the making of Boys' Garments. Don't fail to secure a copy of the March Number. It will please you. The subscription price of the magazine is \$1.00 a year. Single copy 15 cents. Send orders direct to The Delineator Publishing Company of Toronto, Limited, 33 Richmond Street West, Toronto.

### For the Medal.

Since last issue six more matches have been played in the curling competition for the medal. On Friday Nicholls won from Atkinson (Will D.), and Savage also won from Atkinson (Will D.). On Saturday Nicholls defeated Savage, and on Tuesday Atkinson (Will D.) defeated Morgan, Atkinson (Wm.) also defeated Morgan, and Innes defeated Savage. After playing 18 heads in each match the scores stood as follows:— Nicholls vs. Atkinson (Will D.)...16 to 14 Savage vs. Atkinson (Will D.)...20 " 18 Nicholls vs. Savage...21 " 10 Atkinson (Will D.) vs. Morgan...14 " 14 Atkinson (Wm.) vs. Morgan...16 " 16 Innes vs. Savage...17 " 16 Mr. Morgan played two tie games, but lost in the extra shot of first match by 4 points, and in the latter by 1 shot.

### S. S. Sleigh Drive.

The Presbyterian Sunday School held their annual winter's outing on Saturday last. The school assembled in the Lecture-Room of the church at one o'clock, and shortly afterwards nine well-filled conveyances left the church and proceeded south along Yonge St. The merry shouts and hearty laughter of both young people and children during the whole of the drive clearly indicated that the outing was much appreciated by all. When Newton Brook was reached a turn was made for home and although they had then to face a somewhat cold north-west wind yet none seemed to mind the cold, so that when the village was reached the drive was continued to Eglu Mills and back. After getting well warmed the children did ample justice to an excellent tea provided by the parents and friends. After tea a pleasant time was spent in games and social chat before dispersing to their homes.
