North-West Wheat.

Wallace Bros., millers, of Woodbridge, have just received from Mr. James Sharp, of Armstrong's Lake, York colony, a car of wheat, grown this year, containing 663 bushels, which graded No. 2 hard, and sold at 81 cents per bushel, while Ontario wheat at the same mill was worth only about 61 or 62 cents per bushel, thus showing a difference of 20 cents in favor of the North-West Wheat.

Christmas Books, Cards, Booklets and all kinds of Christmas presents for sale at THE LIBERAL store. Very cheap.

Get a Ticket.

The ladies who acted as ticket-sellers for the Mechanics' Institute Library did good work this year, as usual, and were not long in disposing of over one hundred. There are several of our citizens, however, who scarcely ever think of availing themselves of the privileges the library affords. Just think of it! A library with over 2,000 volumes of choice reading, besides the principal magazines, at 50 cents a year.

The Illustrated London News, The Graphic, Holly Leaves, Black and White, The Dominion Illustrated, Saturday Night and other Christmas numbers for sale at THE LIBERAL store. Each of the numbers has one or more beautiful pictures accompanying it.

Satisfactory.

We are pleased to notice that our old friend, Mr. A. R. Innes, formerly of the High School here, is giving a good account of himself in the west, as the following, taken from the Fort Elgin Times, shows:—"The High school report of Mr. J. E. Hodgson, M. A., was before the Port Elgin Board on Friday evening. The report of inspection like the one presented last year is most flattering. Mathematics, taught by Mr. Innes, is now grade number one."

"Onward"

This progressive young people's paper of the Methodist Church has in two years reached the very large circulation of 32,000 a week. It is a bright, beautifully illustrated, eight page paper, devoted especially to religion, literature, travel, science, social progress and the modern young people's movements. It is especially characterized by its robust Canadianism of sentiment and loyalty to queen and country. It should be in the hands of every young Methodist. Wm. Briggs, Toronto, Publisher. Price 60 cts. In clubs of five, 50 cts.

Not yet Settled.

A meeting of the Directors of the Mechanics' Institute was called in the Library Room last evening for the purpose of deciding by a debate whether horse-racing should be encouraged or not. Captains—Dr. Wilson and Mr. W. Harrison. It will take another meeting at least, however, to settle the momentous question. The chairman, Mr. W. Trench, has not said whether the affirmative or the negative side has made the more points in the discussion up to date. The result is awaited with interest.

DR. L. A. SMITH & Co., 536 Bloor St., Toronto:

GENTS.—Please ship us per G. T. R., freight prepaid, three (3) gross more of your Anti-Dandruff. This makes six gross or 864 bottles purchased from you since January 16th, 1892, a little more than two months. The large demand is due to the merits of the preparation, as our customers, to whom we have sold it certify. We find it not only removes the dandruff and scurf, but it is an elegant hair-dressing for the hair. Clean to use and has an agreeable odor. It is one of the best preparations we know of to promote the growth of the hair and prevent its falling out. Wishing you continued success and an extended sale, We remain, Yours truly,

Jno. A. BARR & Co. J. A. B.

Not Dead Yet.

Washington Mager, the enterprising manipulator at Boyle's Mill, is out with a rather startling advertisement which at first glance would lead the unwary reader to believe that a man had passed away to the other world, but on looking more closely, he modestly tells the public that he is prepared to grind all kinds of grain and small seeds at six cents a bag. He has just placed in the mill a French Bur Grinder made at the Waterloo Engine Works, Brantford, and guarantees satisfaction to all comers.

Firemen's Concert.

The Richmond Hill Fire Brigade will hold their Annual Entertainment in the Masonic Hall, on New Year's evening, Monday, January 2nd, 1893, for which they have been fortunate enough to secure the following excellent talent:—Miss Susie Herson, soprano; Mr. Harry N. Grip's Almanac.

Grip has issued thirteen almanacs during as many years and his fourteenth has reached us. The first was a good one for 13 years ago and they kept on getting better ever since, '93 being handsomer and funnier than any of its predecessors. A very handsome cover, printed in two colors from an original design, contains thirty-two pages of illustrated aphorisms which are guaranteed to knock out the worst case of blues on record. The large cartoon, which as usual, occupies two pages, illustrates Columbus discovering the mossback politicians of this part of America. This gives the artist a splendid opportunity to work in the leading men of both parties, and he has done full justice to the occasion. Some of the best talent in Canada and the U. S. have contributed sketches, and the number is easily worth two or three times the price (10 cents), which is asked.

Langstaff.

The meeting of Langstaff Debating Society on Monday evening Dec. 12th, was a great success. All present were much pleased with the discussion of Single Tax by the speakers from Toronto—Mr. Dawkins, Mr. Campbell and Mr. Kirk. Mr. Dawkins read an opening essay upon Single Tax in which he gave an outline of the subject, mentioning the leading arguments in its favor without giving details. Mr. Campbell followed in a brief though clear and interesting address, explaining the subject in discussion from the farmer's and manufacturer's point of view. Mr. Kirk then dwelt at considerable length upon the great benefit that single tax would be to the merchants and poorer classes of our towns and cities. He also mentioned a number of books and pamphlets dealing directly and indirectly with this very important subject. Mr. Campbell again took the platform and asked the audience to put any question upon what the speakers had said and he would try his best to satisfactorily answer them. Many important and rather difficult questions were asked by Mr. Brown, Mr. D. James and the Rev. W.W. Bates. After a lively discussion between the speaker and those asking questions upon certain points had been a titled a vote of thanks was given to the speakers by the members and friends of the Society for their satisfactory explanation and discussion of Single tax. The meeting closed by singing "God save the Queen." Our friends from Toronto were then conducted to Mr. Clabine's for refreshments to which they did ample justice and started for Toronto at an early hour in the morning well satisfied with their evening's outing.—Com.
