Surprise Party.

Last Thursday evening a Surprise Party visited the residence of Mr E. H. Sisley and had an enjoyable time. The party consisted of twenty couples of charming young ladies, and well-behaved young gentlemen. After enjoying themselves for some time with dancing and games the company partook of an excellent repast provided by the ladies. After further amusement the party broke up well pleased with the evening's entertainment.

For a Lock Up.

In the late session of the County Council that body granted \$150 to assist in building a lock-up in this village. In making this liberal grant the council had in view not to erect such a place altogether for the citizens of Richmond Hill, but more as a county institution. In this they were right, as there should be places for the safe keeping of disorderly people within a reasonable distance from any part of a township. The County Council in former years granted sums of money for similar purposes in Stouffville and North Toronto.

The Band will play at the rink on Saturday evening of this week.

With the Poets.

The Epworth League promises an interesting programme on Friday evening. A number of the members will give short selections from the poets and the prose writers of the Elizabethan period. The entertainment will be interspersed with appropriate music. All are welcome.

Fletcher also received a unanimous expression of confidence and esteem. The net proceeds of the tea meeting held in connection with the Methodist Church on the 30th ult. were \$85.00.

Fire Brigade Meeting.

The Fire Brigade held its regular monthly meeting on Monday evening, Lieut. Reddit in the chair. Twenty-six members were present and answered to their names. The minutes of last meeting were read and on motion were approved. The auditors' report for 1892 was read, showing a balance in the treasurer's hands of \$97.63. After the adoption of the auditors' report the meeting adjourned.

A message for you. The Good Old Saint needn't be limited to sentimental epistles. Atkinson & Switzer send a greeting to you on St. Valentine's Day. But it is a business proposition. They promise to make you convinced that their Rolled Oats, Cornmeal, Brooms, Soap and General Groceries are the finest quality and value in town. Let sentiment prevail to the complete satisfaction of those who desire to be sentimental but as for Atkinson and Switzer they are business from the ground up.

The county council last week appointed Mr. A. R. Innes, of the Port Elgin High School, one of the County Board of Examiners for the current year. Mr. Innes is eminently qualified for the position by his long and successful experience both in public and high schools. The Board for 1893 will be composed of Messrs. Innes, Elliott of the Walkerton high school, and Inspectors Campbell and Clending.—Port Elgin Times.

Blockaded with Snow.

This section of country is seldom visited by anything in the form of a blizzard or hurricane. That part to be played by the elements is generally reserved for the North-West. On Friday night, however, a furious storm raged for some time, and blockades of snow were the result of the frolics. Trains were stuck fast on the Northern all along the line. One passenger train was delayed for a long time at Aurora, and another plowed into a drift at Richmond Hill Station where it remained for several hours until it was dug out. On Saturday the morning mail did not reach the village until after noon hour.

Part 2. A capital farce entitled The Little Sentinel. The entertainment, it is confidently expected, will be very enjoyable, and all who go will be made welcome. Trammen Excited.

ALLANDALE, Feb'y 7th.—There is a good deal of excitement among the members of the local lodge of Railway Trammen over a peculiar case that happened at Gravenhurst. It appears that a member of the lodge named Samuel Murray was disabled while engaged as a brakeman, and for several years lay helpless at his home in Gravenhurst. He had lost all the power of his lower limbs and had all the symptoms of kidney complaint coupled with a complete collapse of his nervous system. His case was given up by seven or eight prominent doctors, and the Grand Trunk Railway paid him his total disability claim. His total disability claim was passed by the local lodge here, and sent on to the Grand Division. The strange part of the thing comes now. Murray has been completely restored to health and states that he does not want the money, while the lodge members here claim he is entitled to it and should have it. Murray was cured by using Dodd's Kidney Pills.

The election to fill the vacancy in Toronto made by the death of Mr. N. G. Bigelow, M. P., takes place on the 28th inst.

The Canadian Order of Foresters is a Fraternal Benevolent Society, incorporated in 1879 and registered under the Insurance Corporations Act 1892, of Ontario. The objects of the Society are to furnish its members with Sick and Funeral Benefits and an Insurance of one or two thousand dollars. The payments for these benefits range from about one dollar to one dollar and fifty cents per month, according to the age of the member and the amount of the insurance carried. The membership is composed of men only, and when admitted they must be between the ages of eighteen and forty-five. The present number of members is over 16,000, and the Society has a cash surplus on hand for the payment of the Insurance of over \$215,000, \$50,000 of which is in Dominion of Canada Bonds, and the balance is invested in the best monetary institutions of the Dominion. In addition to this, the local Courts have about half a million of dollars in their treasuries for the payment of the Sick and Funeral Benefits. The High Secretary of the Order is Mr. Thomas White of Brantford, and it is expected that a Court of this popular and purely Canadian Society will shortly be organized here.—(Adv.)

Terrible Accidents.

Two very distressing accidents occurred in gravel pits in Vaughan township on Friday afternoon last, one of the victims being instantly killed, the other crushed so badly that his recovery is doubtful. Mr. Archibald Cameron, of Vellore, had been, during the winter, overseer at a gravel pit and was most energetic in getting out gravel for the roads in the vicinity. On Friday afternoon he drove to the pit in his cutter and went down into the treacherous opening. It was known to be a dangerous place but Mr. Cameron thought that they could still run the risk. He struck a piece of the wall several times with a pick when he perceived it was giving way. He at once endeavored to spring from the place and probably would have succeeded had it not been that a sleigh was standing close by the edge of the pit. Here he was caught by a mass of the frozen earth and crushed to death. The unfortunate young man never breathed afterwards although his head and shoulders were above the mass that held him down. Deceased was a promising young man probably thirty years of age and was a favorite in the neighborhood in which he lived. He leaves a wife and one child. His grief-stricken young wife, as well as his many relatives, have the heartfelt sympathy of the community in their sad bereavement. The funeral took place on Monday and was attended by a large concourse of sorrowing friends. The other accident occurred in a pit near Pine Grove and about three miles from the fatal trap in which Mr. Cameron met with his untimely death. Mr. John Dyer was the victim in the latter place. He was caught by the falling earth and badly crushed. This pit was also in a dangerous condition, and it is said that warning had been given that an accident was liable to occur.

S. S. Convention.

The West York Sunday School Association held their annual convention in the Annette Street Methodist church, Toronto Junction, on Wednesday and Thursday, Feb. 1st and 2nd. The attendance was very good, a large number of the Schools in the riding being represented by delegates. A large number of ministers from various denominations were there ready to assist in making the convention a success. The morning session on Wednesday was largely preliminary. In the afternoon a mass meeting of scholars was held several hundred being present, and were addressed by a couple of ministers. The evening proved exceedingly interesting. Dr. Thom, vice-president, occupied the chair. Dr. Gilmour, M. P., delivered an address of welcome in a style calculated to make everybody feel at home. Mr. Wm. Harrison responded in a pleasing manner. Appropriate addresses were delivered by Rev. J. C. Speer, Rev. Dr. C. E. Perry, and Mr. Alfred Day. Thursday morning the convention resumed business, when the officers were elected and delegates to the Provincial and international conventions were appointed. Addresses were given by Rev. Messrs. McKim and Skinner. There was a fine attendance at the afternoon session, when a stirring address was delivered by Rev. Dr. McTavish, and Bible lessons were given by Rev. F. L. Brown, and Mrs. M. Wiley. The speakers at the evening session were President-elect Dr. Thom, Rev. Messrs. J. A. Grant, George Browne, and W. G. Howson, the latter conducting the question drawer. The Annette street Methodist choir supplied the music. Thornhill, although out of the riding, was chosen as the next place of meeting. In the event of Thornhill not being available Richmond Hill will be the place. The following are the officers elected: President, Dr. Thom, Woodbridge; 1st Vice-Pris., A. Linklater, Richmond Hill; 2nd Vice-Pres., H. K. Her, Sherwood; Cor. Sec., W. C. Conron, Toronto Junction; Min. Sec., H. Brown, Toronto Junction; Treas., P. Frank, Weston.
