Reformers of Vaughan
HOLD THEIR ANNUAL MEETING—AD-
DRESSES BY DR. GILMOUR, M. P. P.;
H. H. DEWART; JOS. TAIT, M. P. P.,
AND G. B. SMITH, M. P. P.

The Reformers of Vaughan are men
whose ardor is not apt to be chilled by
adverse circumstances. This was proved
by the manner in which they turned out
to their annual meeting on Monday.
The blizzard which had raged throughout
Sunday had filled the side roads of the
township so as to render them well nigh
impassable. But in spite of this fact
and the intense cold a good number
found their way through the snow drifts
to the place of meeting.

The business of the day was the elec-
tion of officers and the perfecting of the
organization.

There were also present in addition to
the many representatives of Vaughan
Liberalism, Dr. Gilmour, M. P. P.; H.
H. Dewart, County Crown Attorney;
Joseph Tait, M. P. P., and G. B. Smith,
M. P. P. After the business was trans-
acted these gentlemen addressed the
meeting, in the order named, on the
questions of the day.

The officers elected for the ensuing
year were

President, Wm. Cook, Carrville;
1st Vice-Pres., Geo. Elliott, Woodbridge;
2nd Vice-Pres., Peter Devins, Nashville;
Secretary, James B. McLean, Laskay;
Treasurer, Jno. McKinnon, Vellore.

All the Sub Division Chairmen of last
year were re-elected.

The following resolutions were then
unanimously carried:

Moved by Andrew Russell, seconded
by John McKinnon, that we, the repre-
sentatives of the Liberals of the Town-
ship of Vaughan, express our entire sat-
isfaction with the course pursued by our
representative, Dr. J. T. Gilmour, M. P.
P., and with the able and efficient sup-
port he has given to the cause of honest
government as exemplified by the policy
of the Hon. Oliver Mowat.

Moved by Dugald McDonald, seconded
by Frank Smith, that this meeting de-
sires to express its continued confidence
in the government of the Hon. Oliver
Mowat, which for twenty years has con-
ducted the affairs in a manner entitling
it to be considered the most wisely and
economically governed under the British
flag.

It also desires to give expression to its
appreciation of the government's efforts
on behalf of the farming community es-
pecially in introducing scientific agricul-
ture and in breaking the power of rings
and combines by engaging in the manu-
facture of binder twine.

Therefore be it resolved that this
meeting pledges itself to secure by all
fair and honorable means the election of
a supporter of the Hon. Oliver Mowat at
the next election.

Moved by Dr. McLean, seconded by
Sidney Smith, that this meeting of Lib-
erals place on record its entire approval
of the policy of the Liberal opposition at
Ottawa under the leadership of the Hon.
Wilfrid Laurier, believing that his efforts
to secure tariff reform are in the best in-
terests of the country, and that if suc-
cessful will secure prosperity to our land
and promote the unity of the Empire to
which we are proud to belong.

After votes of thanks to the chairman
and the speakers, and cheers for the Re-
form leaders, the meeting was brought to
a close.

Toronto Notes.

The City Clerk registered 31 marriages
and 58 deaths last week.

The students of Harbord St. Collegiate
Institute gave a very pleasant "At
Home," last week.

A branch post office will be opened
March 1st, corner of Yonge and St.
Joseph Sts.

Come at last.—The first consignment
of machinery for the street railway power
house arrived from Providence, R. I.,
last week.

At the meeting of the Senate of the
University on Friday last, E. Herbert
Adams, M. D. of Hazelton, Ave., was
appointed examiner on Dental Histology
and Dental Pathology.

The first electric car with a trailer,
passed through Parkdale, on Queen St.;
the public hailed its appearance with
delight, but was soon doomed to disap-
pointment, as they have not seen one
since.

Acting City Solicitor Caswell has
written Mrs. Pickington in reply to her
letter claiming the ground rents of To-
ronto, that if her claim was well founded,
which he has good reason to doubt, he
could not as solicitor of the corporation
offer her advice, but pointed out that
various statutes of limitation would pre-
vent any actions being brought against
the persons in trouble.

Another name has been added to the
list of trolley victims. A little before
7 o'clock on Thursday morning Daniel
Kiersted, while attempting to board a
car, fell, the step struck him, inflicting
an awful wound on the forehead, and
fracturing the skull. The ambulance
was called and the unfortunate man was
conveyed to St. Michael Hospital, where

he died in a few hours.

We are pleased to notice in this end of
our city that many of our citizens are
doing a grand work in connection with
the various churches and benevolent in-
stitutions—visiting the sick and afflicted,
alleviating pain and suffering, and re-
moving the keen edge of sorrow by their
charity and sympathy. We feel proud
in saying that there is not a city on the
continent where the brotherhood of man
is more fully exemplified than in our
own city.

\$123.70 in sick pay, and a funeral benefit
of \$50 00 on the death of a member's
wife. During the past year the Court
has paid over 460 days sick pay.

December, 1883, with a membership of
11, which has since increased to over 50.
Since its organization it has paid out
about \$1,500 in sick pay, and funeral
benefits amounting to \$450 00.

A beautiful light is very much to be
appreciated and more so when you can
get the Coal Oil that will do it at less
cost than you pay for an inferior article.
You can only get the Rock Spring Coal
